### **REPORT OF THE TRUSTEES AND DIRECTORS**

---

The charity is organised so that the trustees meet regularly to manage its affairs. The Board has power to appoint additional trustees as it considers fit to do so.

#### **PRINCIPAL FUNDING SOURCES**

The charity funds its operation from its reserves and the donations it receives from the general public.

#### **RISK REVIEW**

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

#### **RESERVES POLICY**

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level, which enables the charity to adequately support its activities. Unrestricted funds were maintained at this level throughout the year.

#### **STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the financial statements in accordance with applicable law and regulations.

Company and Trust law requires the trustees to prepare financial statements for each financial year. Under that law the trustees have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.
