Charity Name and Number

The full name of the Charity is the Beacon Park Baptist Church (BPBC). It is registered in England as a charity (number 1051190).

Church Premises and address for correspondence

Beacon Park Baptist Church
11 Peverell Park Road

Structure, Governance and Management

The Beacon Park Baptist Church is a Registered Charity operating in accordance with its Governing Document. The Church Officers (Pastor and Deacons) are also the charity's trustees. It is also possible to appoint new trustees from within the church's membership. A resolution is passed by the membership at each Annual General Meeting (usually in May) regarding the confirmation of the church officers in their respective offices.

Trustees

The trustees of the Church who served for all the year are as follows:

Dr C. Christopher (Secretary, Treasurer and Deacon)
Pastor R. A. Clarke (Chairman and Pastor)
Mr S. J. Clarke (Deacon)

There have been no changes of trustees to date since the year-end. The chairman of the trustees is paid an annual stipend in his role as Pastor of the church in accordance with the Governing Document. The other trustees are not paid any remuneration and receive no additional benefits beyond what a regular beneficiary of the charity might receive.

Custodian (or Holding) Trustee

Title to the church's premises is registered with the Land Registry in the name of Beacon Park Baptist Church Property Company Limited ("the company"), a company limited by guarantee and under the control of the church, two of the church trustees being the only directors of the company. The company therefore holds title to the church premises in a completely non-beneficial capacity. Since there has been neither trading activity nor transaction in the company during the year dormant accounts for the current year have again been filed with Companies House.

The Church's Object and Activities

The church's Governing Document states that "*The charity is established for the advancement of the Christian religion as revealed in the Statement of Faith contained within the Governing Document*".

As such, the church is only involved in one activity, the advancement of the Christian religion. Therefore, in the context of the SORP FRS 102 requirement to analyse the figures over activities, projects or services, the church's Financial Statements reflect just this single activity.

The church functions as a biblically established local Church, holding public services each Sunday morning and evening, a prayer meeting on Monday evening and a Bible Study each Wednesday evening. Special invitation services are also held at Easter and Christmas when possible. In 2023, good numbers of families and young people from the community attended each of these services.

Children and young people attend the afternoon Sunday School and Bible Class as well as the Thursday and Friday evening children's meetings and youth clubs held during the school term. All meetings are held in the Church building.

We were able to hold our annual May Bank Holiday outing to Mount Edgumbe as well as our Sunday School outing to River Dart Country Park.

On the first Saturday of the month we hold an 'Over 50's Fellowship' meeting to which senior members of our community are invited. Around 20 - 25 friends attend these monthly meetings.

The church continues to support work in Sri Lanka.

Also, during 2024 we held meetings for several organisations including the Trinitarian Bible Society, The Soldiers' and Aviators' Scripture Readers Association and The Society for Distributing Hebrew Scriptures.

Several members of the church lead the morning devotions at Bethany Christian home and Camelia House.

The Trustees are thankful to God and to all who have supported and worked so tirelessly to make all this possible.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2024

Public Benefit & Impact

The trustees had regard to guidance published by the Charity Commission, including that in relation to Public Benefit, which requires that the Trustees make decisions which:

- ensure that the charity's purpose provides benefit;
- manage risks of detriment or harm to the charity's beneficiaries or to the public in general from carrying out the charity's purpose;
- determine who benefits in ways that are consistent with the charity's purpose;
- make sure any personal benefits are no more than incidental.

The charity has provided public benefit by adhering to its objectives and carrying out the activities already referred to in this Annual Report. The advancement of the Christian religion in accordance with the church's Governing Document brings primarily spiritual benefits but also moral and practical ones too. For many, attending services for Christian worship and the various meetings organised by the Church will have eternal benefit through the salvation of their souls, which is an immeasurably greater benefit than anything that can be given in this world. In addition, help and encouragement for daily living will be of great spiritual benefit too.

We can measure impact by the many and varied expressions of gratitude and support we receive, sometimes telling of a person who has been saved through hearing the preaching and attending the various meetings and outings operated by the church. However, only eternity and the day of judgement will reveal the true benefit and impact of the church's work.

Achievements and Performance

Operations

During 2024, the church continued to consolidate its activities in the former Methodist Church building in Peverell Park Road. All the church's services and meetings are based in Peverell in the church premises.

Review of Finances

There was an operating deficit of £4,018 in 2024 compared with a surplus of £26,658 in 2023 due to significant repairs undertaken in 2024. Income decreased £78,057 compared with £82,629 in 2023.

Operating expenditure increased from £55,972 in 2023 to £82,076 in 2024.

The liquidity situation of the Charity is still good, with immediately available cash balances of £48,643 in 2024 compared with £33,068 held at the end of 2023. Net assets have decreased to £392,648 in at the end of 2024 compared with £396,667 at the end of 2023.

The church building is included in 2024 at a net book value of £332,000 (2023: £340,300), and the associated borrowing costs have now been fully repaid (2023: £5,000). The trustees believe the open market value is in line with the net book value.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2024

Significant Events

The church continues to make loan repayments. The Pastor will continue to receive a reduced stipend until these loans are fully repaid.

Reserves

The trustees regularly review the reserves of the church to ensure that sufficient liquid funds are available to meet its ongoing obligations. The Trustees believe the appropriate level of UK free reserves in unrestricted funds should be in the region of £30,000, which represents just over three months' expenditure plus a sum necessary to complete essential repairs and renovations to the newly acquired premises. Reserves are held in instant access accounts or on deposit accounts.

Investment Policy

The Charity has no long-term investments.

Principal Risks

The trustees review and update the Charity's Strategic Risk Register to ensure that all the identified risks are managed effectively.

Plans for the Future

By God's grace, the church plans to continue to use every effort and all the resources available to achieve its core objective of advancing the Christian religion in accordance with its Statement of Faith.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2024

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Trustees are required to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity, and of its incoming resources and the application of resources of the charity for that period. In preparing these financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue its operations.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the applicable law and the Laws and Regulations of the Society. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website.

Independent Examiner

Total Accounting Services have indicated their willingness to continue in office. A resolution will be proposed at the forthcoming Annual General Meeting to re-appoint them.

Respective responsibilities of trustees and examiner The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. Delete [] if not applicable.

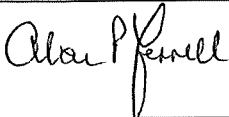

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024

1. Accounting Policies

(a) **Basis of preparation**

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts and in accordance with the Charities Act 2011, FRS 102 and SORP FRS 102. The Church meets the definition of a public benefit entity under FRS 102.

(b) **Going concern**

The Trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern.

(c) **Income**

All income is recognised once the charity has entitlement, and it is probable that the income will be received, and the amount receivable can be reliably measured. All figures include VAT and recoverable income tax (i.e. Gift Aid).

(d) **Expenditure**

Expenditure is accrued as soon as a liability is considered probable. All figures include VAT.

Because the charity only has one activity (Advancement of the Christian religion as revealed in the Statement of Faith), it is not necessary to apportion either Support or Governance costs across activities. Expenditure is not apportioned between cost categories either.

(e) **Provision for Annual Leave and Sick Leave**

A provision is unnecessary on materiality grounds, as the Church's annual leave year is co-terminus with its financial reporting year.

(f) **Volunteer help**

The value of any volunteer help received is not included in the financial statements but is described in the Trustees Report.

(g) **Pension scheme arrangements**

The Pastor has been enrolled in the Next pension scheme since 01 January 2017.

(h) **Taxation**

As a UK registered charity, the Church is exempt from income tax under part 10 of the Income Tax Act 2007. The Church is not currently registered for VAT.

(i) **Trustee expenses.**

No expenses were paid to any of the trustees during the year other than the normal reimbursement of expenditure incurred on behalf of the Church. The Chair of trustees is paid an annual stipend as he is also the Minister.

(j) **Debtors**

All debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

(k) **Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2024 (continued)

(m) **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

(n) **Fixed assets**

Depreciation on fixed assets is provided at the following annual rates to write off the UK assets over their estimated useful lives:

Motor vehicles 25% of cost per annum.

Assets costing less than £1,500 are not capitalised.

Freehold land is not depreciated. Freehold buildings which are used for the Church's own purposes are depreciated by equal annual instalments to write down the cost, less estimated residual value, over the remaining useful life (2% of cost).

The Church completed the purchase of the former Peverell Park Methodist Church building in January 2015.

The property is treated as depreciable in the 2022 Financial Statements. However, the Trustees are aware that market indications suggest that the property is currently worth more than the historic book-cost. It is also their view that provided the buildings are properly maintained (which the trustees intend to do) there is no evidence at present to suggest that these valuations would reduce substantially in the next 20-25 years. The trustees will keep this position under review annually.

The custodian trustee to the property is Beacon Park Baptist Church Property Company Limited, a company limited by guarantee, and as such is non-beneficially owned by the company on behalf of the Church. The Annual Report & Financial Statements of the company may be inspected at 89, Trelawney Road, Plymouth, PL3 4JY on application to the Company Secretary.

There was an operating surplus of £26,658 in 2023 compared with a deficit of £36,996 in 2022 (due to extensive repairs in 2022). Income increased to £82,629 in 2023 compared with £61,937 in 2022.

Operating expenditure decreased to £55,972 in 2023 from £98,933 in 2022.

The liquidity situation of the Charity is still good, with immediately available cash balances of £33,068 in 2023 compared to the total held at the end of 2022 of £16,533. Net assets have increased to £396,667 at the end of 2023 compared with £370,009 at the end of 2022.

The church building is included in 2023 at a net book value of £340,300 (2022: £348,600), and the associated borrowing costs, in the form of interest free loans, are included at £5,000 (2022: £7,000). The trustees believe the open market value is in line with the net book value.

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2023

Significant Events

The church continues to make loan repayments. The Pastor will continue to receive a reduced stipend until these loans are fully repaid.

Reserves

The trustees regularly review the reserves of the church to ensure that sufficient liquid funds are available to meet its ongoing obligations. The Trustees believe the appropriate level of UK free reserves in unrestricted funds should be in the region of £30,000, which represents just over three months' expenditure plus a sum necessary to complete essential repairs and renovations to the newly acquired premises. Reserves are held in instant access accounts or on deposit accounts.

Investment Policy

The Charity has no long-term investments.

Principal Risks

The trustees review and update the Charity's Strategic Risk Register to ensure that all the identified risks are managed effectively.

Plans for the Future

By God's grace, the church plans to continue to use every effort and all the resources available to achieve its core objective of advancing the Christian religion in accordance with its Statement of Faith.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Trustees are required to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity, and of its incoming resources and the application of resources of the charity for that period. In preparing these financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue its operations.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the applicable law and the Laws and Regulations of the Society. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
Examiners' Statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. Accounting Policies

(a) **Basis of preparation**

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts and in accordance with the Charities Act 2011, FRS 102 and SORP FRS 102. The Church meets the definition of a public benefit entity under FRS 102.

(b) **Going concern**

The Trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern.

(c) **Income**

All income is recognised once the charity has entitlement, and it is probable that the income will be received, and the amount receivable can be reliably measured. All figures include VAT and recoverable income tax (i.e. Gift Aid).

(d) **Expenditure**

Expenditure is accrued as soon as a liability is considered probable. All figures include VAT.

Because the charity only has one activity (Advancement of the Christian religion as revealed in the Statement of Faith), it is not necessary to apportion either Support or Governance costs across activities. Expenditure is not apportioned between cost categories either.

(e) **Provision for Annual Leave and Sick Leave**

A provision is unnecessary on materiality grounds, as the Church's annual leave year is co-terminus with its financial reporting year.

(f) **Volunteer help**

The value of any volunteer help received is not included in the financial statements but is described in the Trustees Report.

(g) **Pension scheme arrangements**

The Pastor has been enrolled in the Next pension scheme since 01 January 2017.

(h) **Taxation**

As a UK registered charity, the Church is exempt from income tax under part 10 of the Income Tax Act 2007. The Church is not currently registered for VAT.

(i) **Trustee expenses.**

No expenses were paid to any of the trustees during the year other than the normal reimbursement of expenditure incurred on behalf of the Church. The Chair of trustees is paid an annual stipend as he is also the Minister.

(j) **Debtors**

All debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

(k) **Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023 (continued)

(m) **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

(n) **Fixed assets**

Depreciation on fixed assets is provided at the following annual rates to write off the UK assets over their estimated useful lives:

Motor vehicles 10% of cost per annum.

Assets costing less than £1,500 are not capitalised.

Freehold land is not depreciated. Freehold buildings which are used for the Church's own purposes are depreciated by equal annual instalments to write down the cost, less estimated residual value, over the remaining useful life (2% of cost).

The Church completed the purchase of the former Peverell Park Methodist Church building in January 2015.

The property is treated as depreciable in the 2022 Financial Statements. However, the Trustees are aware that market indications suggest that the property is currently worth more than the historic book-cost. It is also their view that provided the buildings are properly maintained (which the trustees intend to do) there is no evidence at present to suggest that these valuations would reduce substantially in the next 20-25 years. The trustees will keep this position under review annually.

The custodian trustee to the property is Beacon Park Baptist Church Property Company Limited, a company limited by guarantee, and as such is non-beneficially owned by the company on behalf of the Church. The Annual Report & Financial Statements of the company may be inspected at 89, Trelawney Road, Plymouth, PL3 4JY on application to the Company Secretary.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees present their Annual Report and the Financial Statements of the Charity for the year ended 31 December 2022.

Charity Name and Number

The full name of the Charity is the Beacon Park Baptist Church (BPBC). It is registered in England as a charity (number 1051190).

Church Premises and address for correspondence

Beacon Park Baptist Church
11 Peverell Park Road
Plymouth
PL3 4LR

Structure, Governance and Management

The Beacon Park Baptist Church is a Registered Charity operating in accordance with its Governing Document. The Church Officers (Pastor and Deacons) are also the charity's trustees. It is also possible to appoint new trustees from within the church's membership. A resolution is passed by the membership at each Annual General Meeting (usually in May) regarding the confirmation of the church officers in their respective offices.

Trustees

The trustees of the Church who served for all the year are as follows:

Dr C. Christopher (Secretary, Treasurer and Deacon)
Pastor R. A. Clarke (Chairman and Pastor)
Mr S. J. Clarke (Deacon)

There have been no changes of trustees to date since the year-end. The chairman of the trustees is paid an annual stipend in his role as Pastor of the church in accordance with the Governing Document. The other trustees are not paid any remuneration and receive no additional benefits beyond what a regular beneficiary of the charity might receive.

Custodian (or Holding) Trustee

Title to the church's premises is registered with the Land Registry in the name of Beacon Park Baptist Church Property Company Limited ("the company"), a company limited by guarantee and under the control of the church, two of the church trustees being the only directors of the company. The company therefore holds title to the church premises in a completely non-beneficial capacity. Since there has been neither trading activity nor transaction in the company during the year dormant accounts for the current year have again been filed with Companies House.

The church officers (Pastor and Deacons) regularly meet to oversee and approve all existing ministries, set and monitor the annual revenue budget and monitor the church's strategic risk register.

The Church's Object and Activities

The church's Governing Document states that "*The charity is established for the advancement of the Christian religion as revealed in the Statement of Faith contained within the Governing Document*".

As such, the church is only involved in one activity, the advancement of the Christian religion. Therefore, in the context of the SORP FRS 102 requirement to analyse the figures over activities, projects or services, the church's Financial Statements reflect just this single activity.

The church functions as a biblically established local Church, holding public services each Sunday morning and evening, a prayer meeting on Monday evening and a Bible Study each Wednesday evening. Special invitation services are also held at Easter and Christmas when possible. In 2022, good numbers of families and young people from the community attended each of these services.

Children and young people attend the afternoon Sunday School and Bible Class as well as the Thursday and Friday evening children's meetings and youth clubs held during the school term. All meetings are held in the Church building.

We were able to hold our annual May Bank Holiday outing to Mount Edgumbe as well as our Sunday School outing to River Dart Country Park.

On the first Saturday of the month we hold an 'Over 50's Fellowship' meeting to which senior members of our community are invited. Around 20 - 25 friends attend these monthly meetings.

The church continues to support both a village evangelist and a teenager in care in Sri Lanka.

Also, during 2022 we held meetings for the Internation Mission to the Jewish People, the Society for the Distribution of the Hebrew Scriptures, Care Sri Lanka, and the Soldiers' and Airmen's Scripture Readers Association.

Several members of the church lead the morning devotions at Bethany Christian home.

We were also pleased to be able to host the wedding of one of our members during this year.

The Trustees are thankful to God and to all who have supported and worked so tirelessly to make all this possible.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2022

Public Benefit & Impact

The trustees had regard to guidance published by the Charity Commission, including that in relation to Public Benefit, which requires that the Trustees make decisions which:

- ensure that the charity's purpose provides benefit;
- manage risks of detriment or harm to the charity's beneficiaries or to the public in general from carrying out the charity's purpose;
- determine who benefits in ways that are consistent with the charity's purpose;
- make sure any personal benefits are no more than incidental.

The charity has provided public benefit by adhering to its objectives and carrying out the activities already referred to in this Annual Report. The advancement of the Christian religion in accordance with the church's Governing Document brings primarily spiritual benefits but also moral and practical ones too. For many, attending services for Christian worship and the various meetings organised by the Church will have eternal benefit through the salvation of their souls, which is an immeasurably greater benefit than anything that can be given in this world. In addition, help and encouragement for daily living will be of great spiritual benefit too.

We can measure impact by the many and varied expressions of gratitude and support we receive, sometimes telling of a person who has been saved through hearing the preaching and attending the various meetings and outings operated by the church. However, only eternity and the day of judgement will reveal the true benefit and impact of the church's work.

Achievements and Performance

Operations

During 2022, the church continued to consolidate its activities in the former Methodist Church building in Peverell Park Road. All the church's services and meetings are based in Peverell in the church premises.

Review of Finances

There was an operating deficit of £36,996 in 2022 compared with a deficit of £1,976 in 2021. This was due to £40,000 being spent on essential repairs to the roof during the year which solved many of our ongoing water ingress problems. Income increased to £61,937 in 2022 compared with £51,607 in 2021.

Operating expenditure increased to £98,933 in 2022 from £53,583 in 2021, the roof repairs being the major contributor to this increase.

The liquidity situation of the Charity is still good, with immediately available cash balances of £16,533 compared to the total held at the end of 2021 of £51,827. Net assets have decreased to £370,009 in 2022 compared with £407,005 at the end of 2021.

The church building is included in 2022 at a net book value of £348,600 (2021: £356,900), and the associated borrowing costs, in the form of interest free loans, are included at £7,000 (2021: £7,000). The trustees believe the open market value is in line with the net book value.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2022

Significant Events

Further refurbishment and redecoration of the interior was completed. A major repair of the roof was undertaken which has made good long-standing issues with water ingress.

The church continues to make loan repayments. The Pastor will continue to receive a reduced stipend until these loans are fully repaid.

Reserves

The trustees regularly review the reserves of the church to ensure that sufficient liquid funds are available to meet its ongoing obligations. The Trustees believe the appropriate level of UK free reserves in unrestricted funds should be in the region of £30,000, which represents just over three months' expenditure plus a sum necessary to complete essential repairs and renovations to the newly acquired premises. Reserves are held in instant access accounts or on deposit accounts.

Investment Policy

The Charity has no long-term investments.

Principal Risks

The trustees review and update the Charity's Strategic Risk Register to ensure that all the identified risks are managed effectively.

Plans for the Future

By God's grace, the church plans to continue to use every effort and all the resources available to achieve its core objective of advancing the Christian religion in accordance with its Statement of Faith.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. Accounting Policies

(a) **Basis of preparation**

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts and in accordance with the Charities Act 2011, FRS 102 and SORP FRS 102. The Church meets the definition of a public benefit entity under FRS 102.

(b) **Going concern**

The Trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern.

(c) **Income**

All income is recognised once the charity has entitlement, and it is probable that the income will be received, and the amount receivable can be reliably measured. All figures include VAT and recoverable income tax (i.e. Gift Aid).

(d) **Expenditure**

Expenditure is accrued as soon as a liability is considered probable. All figures include VAT.

Because the charity only has one activity (Advancement of the Christian religion as revealed in the Statement of Faith), it is not necessary to apportion either Support or Governance costs across activities. Expenditure is not apportioned between cost categories either.

(e) **Provision for Annual Leave and Sick Leave**

A provision is unnecessary on materiality grounds, as the Church's annual leave year is co-terminus with its financial reporting year.

(f) **Volunteer help**

The value of any volunteer help received is not included in the financial statements but is described in the Trustees Report.

(g) **Pension scheme arrangements**

The Pastor has been enrolled in the Next pension scheme since 01 January 2017.

(h) **Taxation**

As a UK registered charity, the Church is exempt from income tax under part 10 of the Income Tax Act 2007. The Church is not currently registered for VAT.

(i) **Trustee expenses.**

No expenses were paid to any of the trustees during the year other than the normal reimbursement of expenditure incurred on behalf of the Church. The Chair of trustees is paid an annual stipend as he is also the Minister.

(j) **Debtors**

All debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

(k) **Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022 (continued)

(m) **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

(n) **Fixed assets**

Depreciation on fixed assets is provided at the following annual rates to write off the UK assets over their estimated useful lives:

Motor vehicles 10% of cost per annum.

Assets costing less than £1,500 are not capitalised.

Freehold land is not depreciated. Freehold buildings which are used for the Church's own purposes are depreciated by equal annual instalments to write down the cost, less estimated residual value, over the remaining useful life (2% of cost).

The Church completed the purchase of the former Peverell Park Methodist Church building in January 2015.

The property is treated as depreciable in the 2022 Financial Statements. However, the Trustees are aware that market indications suggest that the property is currently worth more than the historic book-cost. It is also their view that provided the buildings are properly maintained (which the trustees intend to do) there is no evidence at present to suggest that these valuations would reduce substantially in the next 20-25 years. The trustees will keep this position under review annually.

The custodian trustee to the property is Beacon Park Baptist Church Property Company Limited, a company limited by guarantee, and as such is non-beneficially owned by the company on behalf of the Church. The Annual Report & Financial Statements of the company may be inspected at 89, Trelawney Road, Plymouth, PL3 4JY on application to the Company Secretary.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees present their Annual Report and the Financial Statements of the Charity for the year ended 31 December 2021.

Charity Name and Number

The full name of the Charity is the Beacon Park Baptist Church (BPBC). It is registered in England as a charity (number 1051190).

Church Premises and address for correspondence

Beacon Park Baptist Church
11 Peverell Park Road
Plymouth
PL3 4LR

Structure, Governance and Management

The Beacon Park Baptist Church is a Registered Charity operating in accordance with its Governing Document. The Church Officers (Pastor and Deacons) are also the charity's trustees. It is also possible to appoint new trustees from within the church's membership. A resolution is passed by the membership at each Annual General Meeting (usually in May) regarding the confirmation of the church officers in their respective offices.

Trustees

The trustees of the Church who served for all the year are as follows:

Dr C. Christopher (Secretary, Treasurer and Deacon)
Pastor R. A. Clarke (Chairman and Pastor)
Mr S. J. Clarke (Deacon)

There have been no changes of trustees to date since the year-end. The chairman of the trustees is paid an annual stipend in his role as Pastor of the church in accordance with the Governing Document. The other trustees are not paid any remuneration and receive no additional benefits beyond what a regular beneficiary of the charity might receive.

Custodian (or Holding) Trustee

Title to the church's premises is registered with the Land Registry in the name of Beacon Park Baptist Church Property Company Limited ("the company"), a company limited by guarantee and under the control of the church, two of the church trustees being the only directors of the company. The company therefore holds title to the church premises in a completely non-beneficial capacity. Since there has been neither trading activity nor transaction in the company during the year dormant accounts for the current year have again been filed with Companies House.

The church officers (Pastor and Deacons) regularly meet to oversee and approve all existing ministries, set and monitor the annual revenue budget and monitor the church's strategic risk register.

The Church's Object and Activities

The church's Governing Document states that *"The charity is established for the advancement of the Christian religion as revealed in the Statement of Faith contained within the Governing Document"*.

As such, the church is only involved in one activity, the advancement of the Christian religion. Therefore, in the context of the SORP FRS 102 requirement to analyse the figures over activities, projects or services, the church's Financial Statements reflect just this single activity.

The church functions as a biblically established local Church, holding public services each Sunday morning and evening, a prayer meeting on Monday evening and a Bible Study each Wednesday evening. Special invitation services are also held at Easter and Christmas when possible. In 2021, good numbers of families and young people from the community attended each of these services.

Children and young people attend the afternoon Sunday School and Bible Class as well as the Thursday and Friday evening children's meetings and youth clubs held during the school term. All meetings are held in the Church building.

We were able to hold our annual May Bank Holiday outing to Mount Edgumbe as well as our Sunday School outing to River Dart Country Park.

On the first Saturday of the month we hold an 'Over 50's Fellowship' meeting to which senior members of our community are invited. Around 20 - 25 friends attend these monthly meetings, and although we were able to meet in January and February, no further meetings were possible..

The church continues to support both a village evangelist and a teenager in care in Sri Lanka.

Also, during 2021 we held meetings for the Bible League Trust, the Middle East Reformed Fellowship, Creation Ministries International, and host a meeting with Andy McIntosh on creation.

Several members of the church lead the morning devotions at Bethany Christian home.

We were also pleased to be able to host the wedding of one of our members during this year.

The Trustees are thankful to God and to all who have supported and worked so tirelessly to make all this possible.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2021

Public Benefit & Impact

The trustees had regard to guidance published by the Charity Commission, including that in relation to Public Benefit, which requires that the Trustees make decisions which:

- ensure that the charity's purpose provides benefit;
- manage risks of detriment or harm to the charity's beneficiaries or to the public in general from carrying out the charity's purpose;
- determine who benefits in ways that are consistent with the charity's purpose;
- make sure any personal benefits are no more than incidental.

The charity has provided public benefit by adhering to its objectives and carrying out the activities already referred to in this Annual Report. The advancement of the Christian religion in accordance with the church's Governing Document brings primarily spiritual benefits but also moral and practical ones too. For many, attending services for Christian worship and the various meetings organised by the Church will have eternal benefit through the salvation of their souls, which is an immeasurably greater benefit than anything that can be given in this world. In addition, help and encouragement for daily living will be of great spiritual benefit too.

We can measure impact by the many and varied expressions of gratitude and support we receive, sometimes telling of a person who has been saved through hearing the preaching and attending the various meetings and outings operated by the church. However, only eternity and the day of judgement will reveal the true benefit and impact of the church's work.

Achievements and Performance

Operations

During 2021, the church continued to consolidate its activities in the former Methodist Church building in Peverell Park Road.

All the church's services and meetings are based in Peverell in the church premises.

Review of Finances

There was a slight operating deficit of £1,976 in 2021 compared with a surplus £28,593 in 2020. Income decreased from £82,939 in 2020 to £51,607 in 2021 arising from a decrease in stewardship and donations from £82,939 in 2020 to £51,607 in 2021.

Operating expenditure decreased from £54,346 in 2020 to £53,583 in 2021.

The liquidity situation of the Charity is healthy, with immediately available cash balances of £51,827 (General Funds) compared to the total held at the end of 2020 of £48,188. Net assets have decreased slightly to £407,005 compared with £408,981 at the end of 2020.

The church building is included in 2020 at a net book value of £356,900 (2020: £365,200), and the associated borrowing costs, in the form of interest free loans, are included at £7,000 (2020: £7,000). The trustees believe the open market value is in line with the net book value.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2021

Significant Events

Further refurbishment and redecoration of the interior was completed.

The church continues to make loan repayments. The Pastor will continue to receive a reduced stipend until these loans are fully repaid.

Reserves

The trustees regularly review the reserves of the church to ensure that sufficient liquid funds are available to meet its ongoing obligations. The Trustees believe the appropriate level of UK free reserves in unrestricted funds should be in the region of £30,000, which represents just over three months' expenditure plus a sum necessary to complete essential repairs and renovations to the newly acquired premises. Reserves are held in instant access accounts or on deposit accounts.

Investment Policy

The Charity has no long-term investments.

Principal Risks

The trustees review and update the Charity's Strategic Risk Register to ensure that all the identified risks are managed effectively.

Plans for the Future

By God's grace, the church plans to continue to use every effort and all the resources available to achieve its core objective of advancing the Christian religion in accordance with its Statement of Faith.

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2021

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Trustees are required to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity, and of its incoming resources and the application of resources of the charity for that period. In preparing these financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue its operations.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the applicable law and the Laws and Regulations of the Society. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website.

Independent Examiner

Total Accounting Services have indicated their willingness to continue in office. A resolution will be proposed at the forthcoming Annual General Meeting to re-appoint them.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. Delete [] if not applicable.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees present their Annual Report and the Financial Statements of the Charity for the year ended 31 December 2020.

Charity Name and Number

The full name of the Charity is the Beacon Park Baptist Church (BPBC). It is registered in England as a charity (number 1051190).

Church Premises and address for correspondence

Beacon Park Baptist Church
11 Peverell Park Road
Plymouth
PL3 4LR

Structure, Governance and Management

The Beacon Park Baptist Church is a Registered Charity operating in accordance with its Governing Document. The Church Officers (Pastor and Deacons) are also the charity's trustees. It is also possible to appoint new trustees from within the church's membership. A resolution is passed by the membership at each Annual General Meeting (usually in May) regarding the confirmation of the church officers in their respective offices.

Trustees

The trustees of the Church who served for all the year are as follows:

Dr C. Christopher (Secretary, Treasurer and Deacon)
Pastor R. A. Clarke (Chairman and Pastor)
Mr S. J. Clarke (Deacon)

There have been no changes of trustees to date since the year-end. The chairman of the trustees is paid an annual stipend in his role as Pastor of the church in accordance with the Governing Document. The other trustees are not paid any remuneration and receive no additional benefits beyond what a regular beneficiary of the charity might receive.

Custodian (or Holding) Trustee

Title to the church's premises is registered with the Land Registry in the name of Beacon Park Baptist Church Property Company Limited ("the company"), a company limited by guarantee and under the control of the church, two of the church trustees being the only directors of the company. The company therefore holds title to the church premises in a completely non-beneficial capacity. Since there has been neither trading activity nor transaction in the company during the year dormant accounts for the current year have again been filed with Companies House.

The church officers (Pastor and Deacons) regularly meet to oversee and approve all existing ministries, set and monitor the annual revenue budget and monitor the church's strategic risk register.

The Church's Object and Activities

The church's Governing Document states that *"The charity is established for the advancement of the Christian religion as revealed in the Statement of Faith contained within the Governing Document"*.

As such, the church is only involved in one activity, the advancement of the Christian religion. Therefore, in the context of the SORP FRS 102 requirement to analyse the figures over activities, projects or services, the church's Financial Statements reflect just this single activity.

The church functions as a biblically established local Church, holding public services each Sunday morning and evening, a prayer meeting on Monday evening and a Bible Study each Wednesday evening. Special invitation services are also held at Easter and Christmas when possible. In 2020, good numbers of families and young people from the community attended each of these services until restrictions were imposed as a result of the global pandemic. Services were then held on-line via 'zoom'.

Children and young people attend the afternoon Sunday Club and Bible Class as well as the Thursday and Friday evening children's meetings and youth clubs held during the school term. The Friday evening children's meeting is no longer held at Montpelier Primary school. All other meetings are held in the Church building, including an afternoon Sunday School and teenage Bible Class. Once the restrictions were imposed the Sunday school lessons and other activities were accessible via the church web-site

Outings and activities could not be arranged during the year due to the pandemic. However, the Winter parties and outings at the beginning of the year went ahead as usual..

The annual May Bank Holiday Outing to Mount Edgumbe Country Park also fell victim to the pandemic.

On the first Saturday of the month we hold an 'Over 50's Fellowship' meeting to which senior members of our community are invited. Around 20 - 25 friends attend these monthly meetings, and although we were able to meet in January and February, no further meetings were possible..

The church continues to support an evangelist working among the villages of Sri Lanka and a teenager in the children's home in Trincomalee also in Sri Lanka.

Also, during 2020 we held meetings for the Society for the Distribution of the Hebrew Scriptures, the Bible League Trust, the Middle East Reformed Fellowship, and the Protestant Alliance. The church also holds a monthly service at Camellia House, and several members lead the morning devotions at Bethany Christian home.

The Trustees are thankful to God and to all who have supported and worked so tirelessly to make all this possible.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2020

Public Benefit & Impact

The trustees had regard to guidance published by the Charity Commission, including that in relation to Public Benefit, which requires that the Trustees make decisions which:

- ensure that the charity's purpose provides benefit;
- manage risks of detriment or harm to the charity's beneficiaries or to the public in general from carrying out the charity's purpose;
- determine who benefits in ways that are consistent with the charity's purpose;
- make sure any personal benefits are no more than incidental.

The charity has provided public benefit by adhering to its objectives and carrying out the activities already referred to in this Annual Report. The advancement of the Christian religion in accordance with the church's Governing Document brings primarily spiritual benefits but also moral and practical ones too. For many, attending services for Christian worship and the various meetings organised by the Church will have eternal benefit through the salvation of their souls, which is an immeasurably greater benefit than anything that can be given in this world. In addition, help and encouragement for daily living will be of great spiritual benefit too.

We can measure impact by the many and varied expressions of gratitude and support we receive, sometimes telling of a person who has been saved through hearing the preaching and attending the various meetings and outings operated by the church. However, only eternity and the day of judgement will reveal the true benefit and impact of the church's work.

Achievements and Performance

Operations

During 2020, the church continued to consolidate its activities in the former Methodist Church building in Peverell Park Road.

All the church's services and meetings are now based in Peverell, apart from the Friday Children's Club, which was able to meet until mid-March at Montpelier Primary school.

Review of Finances

The operating surplus was £28,593 in 2020 compared with £65,708 in 2019. Income decreased from £128,025 in 2019 to £82,939 in 2020 arising from an decrease in stewardship and donations from £125,596 in 2019 to £82,939 in 2020.

Operating expenditure decreased from £62,316 in 2019 to £54,346 in 2020. The main component of this change was a decrease in the costs associated with young people's meetings which were cancelled due to the pandemic (£10,159 in 2019 to £4,213 in 2020).

The liquidity situation of the Charity is healthy, with immediately available cash balances of £48,188 (General Funds) compared to the total held at the end of 2019 of £26,371. Net assets have increased to £408,981 compared with £380,388 at the end of 2019.

The church building is included in 2020 at a net book value of £365,200 (2018: £373,500), and the associated borrowing costs (being a combination of mortgage finance and interest free loans) are included at £7,000 (2018: £67,950). The trustees believe the open market value is in line with the net book value.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2020

Significant Events

Further refurbishment and redecoration of the interior was completed. Due to the pandemic some of the church services and activities were held on-line.

The church continues to make mortgage and loan repayments and has been able to complete the mortgage payments in 2020. The Pastor will continue to receive a reduced stipend until these loans are fully repaid.

Reserves

The trustees regularly review the reserves of the church to ensure that sufficient liquid funds are available to meet its ongoing obligations. The Trustees believe the appropriate level of UK free reserves in unrestricted funds should be in the region of £30,000, which represents just over three months' expenditure plus a sum necessary to complete essential repairs and renovations to the newly acquired premises. Reserves are held in instant access accounts or on deposit accounts.

Investment Policy

The Charity has no long-term investments.

Principal Risks

The trustees review and update the Charity's Strategic Risk Register to ensure that all the identified risks are managed effectively.

The Trustees do not believe that operating under the guidance provided by the UK Government following the COVID 19 pandemic outbreak in March 2020 will have any significant effect on the financial position of the Church, or of its ability to provide significant public benefit.

Plans for the Future

By God's grace, the church plans to continue to use every effort and all the resources available to achieve its core objective of advancing the Christian religion in accordance with its Statement of Faith.

BEACON PARK BAPTIST CHURCH

ANNUAL REPORT OF THE TRUSTEES (continued) FOR THE YEAR ENDED 31 DECEMBER 2020

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

The Trustees are required to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the charity, and of its incoming resources and the application of resources of the charity for that period. In preparing these financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue its operations.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the applicable law and the Laws and Regulations of the Society. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website.

Independent Examiner

Total Accounting Services have indicated their willingness to continue in office. A resolution will be proposed at the forthcoming Annual General Meeting to re-appoint them.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. - examine the accounts under section 145 of the Charities Act,
 - to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
 - to state whether particular matters have come to my attention.

Basis of independent examiner's statement

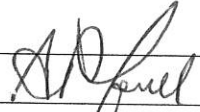

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiners' Statement

In connection with my examination, no matter has come to my attention ~~(other than that disclosed below *)~~

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. Accounting Policies

(a) **Basis of preparation**

These financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the accounts and in accordance with the Charities Act 2011, FRS 102 and SORP FRS 102. The Church meets the definition of a public benefit entity under FRS 102.

(b) **Going concern**

The Trustees consider that there are no material uncertainties about the Church's ability to continue as a going concern (see Trustees Report for note regarding COVID 19).

(c) **Income**

All income is recognised once the charity has entitlement, and it is probable that the income will be received, and the amount receivable can be reliably measured. All figures include VAT and recoverable income tax (i.e. Gift Aid).

(d) **Expenditure**

Expenditure is accrued as soon as a liability is considered probable. All figures include VAT.

Because the charity only has one activity (Advancement of the Christian religion as revealed in the Statement of Faith), it is not necessary to apportion either Support or Governance costs across activities. Expenditure is not apportioned between cost categories either.

(e) **Provision for Annual Leave and Sick Leave**

A provision is unnecessary on materiality grounds, as the Church's annual leave year is co-terminus with its financial reporting year.

(f) **Volunteer help**

The value of any volunteer help received is not included in the financial statements but is described in the Trustees Report.

(g) **Pension scheme arrangements**

The Pastor has been enrolled in the Next pension scheme since 01 January 2017.

(h) **Taxation**

As a UK registered charity, the Church is exempt from income tax under part 10 of the Income Tax Act 2007. The Church is not currently registered for VAT.

(i) **Trustee expenses.**

No expenses were paid to any of the trustees during the year other than the normal reimbursement of expenditure incurred on behalf of the Church. The Chair of trustees is paid an annual stipend as he is also the Minister.

(j) **Debtors**

All debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

(k) **Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of opening of the deposit.

BEACON PARK BAPTIST CHURCH

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2020 (continued)

(m) **Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

(n) **Fixed assets**

Depreciation on fixed assets is provided at the following annual rates to write off the UK assets over their estimated useful lives:

Motor vehicles 10% of cost per annum.

Assets costing less than £1,500 are not capitalised.

Freehold land is not depreciated. Freehold buildings which are used for the Church's own purposes are depreciated by equal annual instalments to write down the cost, less estimated residual value, over the remaining useful life (2% of cost).

The Church completed the purchase of the former Peverell Park Methodist Church building in January 2015.

The property is treated as depreciable in the 2019 Financial Statements. However, the Trustees are aware that market indications suggest that the property is currently worth more than the historic book-cost. It is also their view that provided the buildings are properly maintained (which the trustees intend to do) there is no evidence at present to suggest that these valuations would reduce substantially in the next 20-25 years. The trustees will keep this position under review annually.

The custodian trustee to the property is Beacon Park Baptist Church Property Company Limited, a company limited by guarantee, and as such is non-beneficially owned by the company on behalf of the Church. The Annual Report & Financial Statements of the company may be inspected at 89, Trelawney Road, Plymouth, PL3 4JY on application to the Company Secretary.
