Chairmans Report – Will Evans 24/25

Taking over the reins from the brilliant top table which helped the club celebrate its 80th year in fantastic style, was going to be no mean feat guiding the club through its 81st year but Nescliffe has excelled over the past year across all aspects of YFC life.

Starting the year off with a bang with our Pub of the Month which was extremely well attended and supported by members from all over the county and our harvest supper, new members evening, pumpkin picking and carving and the bonfire night kindly hosted by the Warner family which was greatly attended and well supported by members. Over autumn months we had our factory tour around McConnell and tour of the John Deere dealership TAG which was hugely popular with our members and the other clubs invited. Entering the festive period Nescliffe thoroughly enjoyed the wreath making, ice skating, panto trip to Theatre Severn, our Christmas lunch and our ever popular boxing night ball this year held at The Buttermarket in Shrewsbury greatly supported by clubs around Shropshire and further a field. Entering into the current calendar year brought lots of rehearsals and preparation for the drama competition held in February with bowling practices and competition in between preparation. After a very strong performance and tough competition, everyone really enjoyed the pantomime comp and well done to Jemima, Owen, Harry and Annabelle for winning best actors and actresses in your age groups, closely followed by the clay shooting practising and competition, where all members competed to very high-level with Charlie and Tom going on to take places and Charlie competing in the national round, then came the field day competitions which brought more success.

April brought our annual dinner for the second year running which was kindly hosted by the Warner family and was very popular amongst the local community and fellow clubs. And our Vyrnwy vets tour with Newport. We then had a successful sports day with the girls netball team competing very well against tough competition and our junior rounders team being crowned champions. The lead up to the Shropshire show was filled with nights of float preparation, keeping the good form in competitions going we won a certificate in pretty much everything we entered, with the float performing well and many members enjoying doing the parade around the main ring and our chairman taking home the runner-up spot in Shropshire stockman of the year. Soon after we turned our attention to our infamous big summer bash which was kindly hosted by the Warner family, which was extremely well attended with support from all over the country, lots of fun had by all members and a staple to the club calendar. Shropshire YFC rally was next on the agenda with Will and George taking 1st and 2nd in the crop judging competition just before the big day, again another very successful competition had by all members with all colours of certificates won and Hannah getting selected for the national round in flower arranging.

Throughout July, we enjoyed a tour around dairy dreams, TR machinery dealer tour and the other socials clubs had on as well as our trip to go karting also we had Shropshire representation with our chairman Will competing in the West Midlands round of stock judging where Shropshire achieved 3rd. Throughout August other clubs had their dances and we were preparing for our charity lunch combined with Nescliffe St Andrew's church and charity Dyno day both kindly hosted by the Hitchen family, both events were very well attended and greatly supported by both the local community, our members and fellow young Farmers raising just short of £3000 over the week in which we held both events for our fantastic charities of Rural Shropshire support, West Midlands air ambulance, and the Shrewsbury Street pastors.

A massive well done to everyone who has competed in competitions and helped with the running of the club and the numerous events we have held making this year as fantastic as it has been a massive well done to Hannah, Charlie and Will who represented Shropshire in various competitions and wish the next top table the best of luck and support over the next year

Nesscliffe YFC

This year I finished as chairman for two years running the Nesscliffe Young Farmers Club. It truly has been a great year for the club, whilst celebrating our 80th Anniversary and we have gained so many new and enthusiastic young members. Through the year of 23/24 at Nesscliffe YFC, we have achieved a lot! From placing 1st at the Shropshire performing arts competition and qualifying for the West Midlands round with 'Ernie's Incredible Illucinations', to placing 2nd with our Float 'The Three Little Pigs' at the Shropshire show, competing in the Rally Competitions, Wheelbarrow races, Club Challenges and much more. We have also had great fun putting on social events, Our annual Boxing Night Ball was held at the butter market in Shrewsbury and our Big Summer Bash by kind permission of the Warner Family, with a special feature from Radio 1 DJ Charlie Hedges. Both nights were great successes. We also held our first Dinner and Dance in many years, which was a very great night. We had great support from other clubs and everything went very smoothly. Late June we organised and held our 80th Anniversary Celebrations by kind permission from the Bright Family. It was a fantastic night with amazing food, music and dancing! The night also consisted of a couple games in order to raise money for two chosen charities, Headway and Yellow Wellies, we have managed to raise a very generous amount for these two charities so thank you to anyone who donated. Throughout the year we have put on numerous fun socials for our members to come along to and enjoy. Such as pumpkin carving, jump in, A tour around Shrewsbury Fire Station, Go Karting and much more. We have had a great year overall meeting inviting new people in and making friends for life. I would like to thank my Secretary and Treasurer, Jemima Waner and Annabelle Wixey for helping the club run at its best. I'm also pretty sure I can speak for us all by wishing the next top table the best of luck for the next upcoming year! **Jason Pritchard, Nesscliffe Chair 2023 - 2024**

Accounts

Hi everyone thank you for coming tonight to celebrate another year of nesscliffe young farmers for those of you who don't know myself and Ryan decided last year that we would both like to be chairman and so we decided to do it as a joint effort.

We started off the year with our new members evening, which was well attended and had a great night, gaining some new faces. We got straight into social evenings being invited by Alberbury to Jump in and had our own bowling night, pub of the month and pumpkin carving social with Chirbury.

Next came bonfire night held at Wykey Farm, we put on a great night with a bbq, bar and fireworks. Wem dinner dance kicked off December with several of our members attending, plenty of drinks were flowing there.

Christmas time soon came round with a club trip to the panto watching Beauty and the Beast, which was a night full of laughs.

We then tried out our own amazing singing voices with some Carol singing at Wykey Farm, the mulled wine definitely kept us going that night followed over the next week with door to door carol singing visiting some great hosts who kept us fed and our drinks topped up.

Next up we tried to turn our hand to some ice skating, some of us definitely more natural on the ice than others.

Soon enough it was time for our annual boxing night ball which was a sell out do held at Shrewsbury Football Club, there wasn't much football going on but plenty of sore heads the next day after giving their bar a run for their money, I think they were surprised by how much young farmers can drink in one night!

We kicked off 2023 with getting started with our entertainments, a massive thanks to Hugh Jones who wrote us a script and coached us along to achieve 3rd place – which we were all so proud of. We rehearsed for weeks on end and had some late nights get those dances moves so good even Michael Jackson would be jealous, a massive thank you to all members who participated it was a lot of hard work but it definitely paid off.

As the year went on we continued to hold many social events such as a gin tour, clay shooting practice and farm tours.

With Shropshire show approaching the float began its serious transformation into Thomas the tank engine, on the show day we placed 3rd.

Planning for our summer bash began this year cowboy themed at Warners, a huge bar, live band, bucking bonco, hog roast and a DJ made the night a success, of course extending the biggest thank you to everyone who made the night happen.

Approaching the end of our young farmers year we showed off the talent of our members at Rally. Flower arranging, stock judging, baking and Annabelle Wixey showing us why it wouldn't be a good idea to get in an arm wrestle with her.

We certainly achieved a lot this year and we couldn't have done it without the help and support of our advisory, top table and most importantly our members, so thank you to all of you.

Me and Ryan would like to say a big thank you to our top table, our secretary Kitty and Treasurer Hannah you've done some great work this year we are lucky to be so well supported by you, thank you.

I am excited to see what this next year has in store for Nesscliffe, I have heard great things about the new chairman.

So once again a big thank you to everyone for attending tonight, and a big thank you to the caterers for providing us with such a lovely meal. I hope you all enjoy the rest of the evening.

Nesscliffe YFC's Trustees report for 2021-2022

Nesscliffe started the year with 45 members and started the year by running the bar at the local Cruckton ploughing match, this was a great success and a good advert for the club. We held our new members evening in October where we had 35 attend.

Nesscliffe have always been a very social club, attending other club events when we can but we also hold very well attended events for ourselves, including pumpkin carving and our annual harvest supper, and in November a bonfire night, which was also open to the public. Public speaking has always been a really beneficial thing to get involved with and 2 of our teams were successful and 2 members also received special awards. Other competitions that we got involved in are the bowling competition, the pantomime competition and float building for the Shropshire Show. The pantomime was a really fun thing to get involved with and we were a club with one of the youngest cast but after lots of rehearsals, our performance of Mother Goose had some of the biggest laughs on the night and although did not progress further was a great way for the club to come together. One of our big charity fundraisers is our carol singing nights where this year we had 2 groups out on 3 nights and where we raised a fantastic £1120.31 for our chosen charities this year, which are Shropshire Rural Support and. December also brought wreath making, a trip to the pantomime at Theatre Severn, Shrewsbury and our annual Boxing night Ball which this year was held at The Great Barn, Walford and was sold out and a great success.

Other trips that we held as a club ranged from a visit to Powells pies in Whitchurch to a fun evening at Flip out the trampolining warehouse. Other club's events that we attended were Shawbury's rounders social, bubble football with Dorrington, a car treasure hunt at Rea Valley, Oswestry's after show dance and a slip and slide with Alberbury. We held a clay pigeon practice morning ahead of the competition where one of our members achieved a first place. Members are always happy to get involved in the sporting events so teams attended the Ulitimate Frisbee, hockey and dodgeball competitions, where we progressed to the west midland round. We also hosted the 5 aside football competition in June where there were a great turnout of teams from all round the county.

One of our biggest fundraisers for the club was a new barn dance, held in June, aptly named the Royal Rave. After holding a beacon event in honour of her Majesty the night before for the village of Nesscliffe we held the rave the following night and welcomed over 400 people to our special barn dance. It was an overwhelming success with the advisory manning the bar and club members helping with the set up and clearing up. An amazing total of £12,213.31 was made.

Involving past members is very important to the club and it was at a Sunday lunch event, held after a member's 21st, that we presented our charity cheques of £3820 our charities, Rural Support and Bloodwise.

A very successful year was rounded off by a bbq social for all the members who helped make the year so special.

Tom Everall, Nesscliffe YFC Chairman, 2021-2022
