Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- To advance the Christian faith
- To relieve sickness and financial hardship
- To advance education

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

- In June 21 we commenced extensive building work including a new warehouse for Foodbank, a new kitchen, accessibility work (e.g. installation of a lift, accessible toilets, a ramp), the opening up of the downstairs lounge and installation of a new fire escape. From July to December 2021 the church met at a local community centre whilst other activities remained online or at suitable venues in line with government guidance.
- From December 2021 we resumed services in the building, initially in the new café area and from February 2022 in the main auditorium upstairs which had been redecorated as part of the building development.
- Attendance at our Sunday services increased significantly in the year. Church membership increased to 48 in September 2022.
- The Foodbank, supported by Trussell Trust, working in partnership with other local churches operated from a local church until November 2021 when it re-commenced operating from the building. Initially this was an outdoor service only due to Covid restrictions, but from April 22 the new café opened. 2,550 people were fed with food parcels in the year ended 31st August 2022.
- In June 22 we were awarded £52,000 from Trussell Trust to support the work of Foodbank and Hope67 for a two-year period. This resulted in a change to the way in which Foodbank operates – clients are offered a service, STEP, to understand their situation and to refer them to agencies and other support services, with an overall aim to reduce their need for food parcels.
- The Hope 67 debt advice service operated throughout the year.
- We gave away a free gift to every household on the local streets at Christmas and Easter to help build local connections and offer support.
- In September 2022 a new initiative, branded Revive, was launched to support parents and carers of children and people with special needs.
- In October 2022 a warm space was offered one morning per week

to people who didn't want to heat their homes and to provide a community space.

- The following activities were undertaken either online or in person dependent on the restrictions in place at the time of the event:
 - Taken part in local Churches Together events although these were limited due to Covid restrictions.
 - Provision for children during Sunday services. This resumed on a face-to-face basis in September 21.
 - All age family service provided.
 - Fortnightly bible study group.
 - A Men's curry night was held together with some walks. Further Men's and Women's events have been held since 31st August 22.
 - Weekly Sunday meetings providing worship, bible teaching and pastoral care.
 - Fortnightly prayer and praise meetings.
 - A Polish Fellowship meets online and recommenced monthly meetings in church in the year.
 - Monthly meetings in peoples' homes at different times and on different days to encourage and support each other.
 - Ladies graft group to bring ladies together through craft for the purpose of support and prayer.
 - Hired out facilities to community groups including a nursery who use the facilities every day during school term times.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

From July to December 2021 the church met at a local community centre whilst other activities remained online or at suitable venues in line with government guidance.
- The Foodbank, supported by Trussell trust, working in partnership with other local churches continued to operate from the building until June 2021 but then worked from a local church. 2,700 were fed with food parcels in the year ended 31st August 2021.

- Gave away a free gift to every household on the local streets at Christmas and Easter to help build local connections and offer support.
- The following activities were undertaken either online or in person dependent on the restrictions in place at the time of the event:
 - Taken part in local Churches Together events although these were limited due to Covid restrictions
 - Provision for children during Sunday services. This remained online until September 2021 when face to face provision resumed.
 - All age family service provided.
 - One event aimed at men to encourage them in their development and self-worth.

- Weekly Sunday meetings providing worship, bible teaching and pastoral care.
- Fortnightly prayer and praise meetings
- Monthly meetings in peoples' homes to encourage and support each other.
