**REPORT OF THE TRUSTEES FOR THE YEAR ENDED 5 APRIL 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 5 April 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**STRUCTURE, GOVERNANCE AND MANAGEMENT****Governing document**

Scope in Colchester and Tendring Limited, is a company limited by guarantee governed by its Memorandum and Articles of Association dated 6<sup>th</sup> March 1995, as defined by the Companies Act 2006. It registered as a charity with the Charities' Commission on 12 January 1996. Membership of the charity is by invitation.

**Recruitment and appointment of trustees**

The board of trustees is co-opted, in such a way as to ensure a wide range of different professional backgrounds.

**Induction and training of new trustees**

New trustees undergo a period of training to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the decision-making process, the business plan and recent financial performance of the charity.

**Risk management**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

**OBJECTIVES AND ACTIVITIES****Objectives and aims**

The main objective of the charity is to support and help people with cerebral palsy, or similar disability, and their carers.

**Principal Activities**

Its present main activity is the running of the Castlegate Centre. The Centre also serves as a venue for other activities organised for the benefit of people with disability and their carers.

**The Castlegate Centre**

This day-centre exists to serve the needs of people who, through their disability and situation, are in need of support, training and occupation that will improve their quality of life. The programmes that are pursued in the centre include living skills and personal health and beauty as well as more general educational subjects which are mainly craft, music or computer based. These programmes are adapted to each individual's need-profiles and the outcomes are that the individual client is better adapted to the social context in which they may be living. An important by-product of the centre's activities is the social interaction between clients as well as workers, creating a valuable alternative to isolation, especially for those living independently.

**ACHIEVEMENT AND PERFORMANCE**

Throughout the year the Centre has continued to provide an uninterrupted service to its users. There has been a great sense of community, friendship and fun and activities are tailored to the needs assessments and preferences of the users. The Centre works closely with Essex County Council who are highly supportive of the service that the Centre provides. The Centre Manager also works with users in their dealings with social services to ensure that they receive appropriate financial support. Clients are free to decide whether they attend the Centre and the fact that most are long term attendees and have formed strong relationships and friendships is evidence of the Centre's success and is a tribute to the dedication of the staff.

The trustees are satisfied that the charity has adequate resources to continue in operational existence for the foreseeable future.

## FINANCIAL REVIEW

### Reserves policy

The management committee have established a policy whereby the funds not otherwise committed or invested in tangible assets held by the charity should be between 6 to 12 months of the resources expended on its core operation (the Castlegate Centre), which equates to between £50,000 and £95,000 in general funds. There is also a need to conserve depreciation capital to offset wear and tear to the building.

### Funding

Funding comes primarily from supporters of those who attend the centre and those who attend the centre who are on independent supported living. The largest contributor in this way is Essex County Social Services.

### Public benefit

In setting out the charity's objectives the management committee has given careful consideration to the charity commission's general guidance on public benefit. In doing so, the charity has complied with its duties in this area as set out in section 17 of the Charities Act 2011.

## RESPONSIBILITIES OF THE MANAGEMENT COMMITTEE

The trustees (who are also the directors of Scope in Colchester and Tendring for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Members of the management committee

Members of the management committee, who are directors for the purpose of company law and trustees for the purposes of charity law, who served during the year and up to the date of this report are set out on page 2.

Members of the charitable company guarantee to contribute an amount not exceeding £10 to the assets of the company in the event of winding up. The total number of such guarantees at 5 April 2023 was 8.

## REPORTING ACCOUNTANT

Katherine Richardson FCA CTA of Passmore Weeks & Richardson, Accountants was appointed as the charitable company's independent examiner on 1 November 2006. The trustees intend to ask her to undertake the independent examination next year.

Approved by the management committee on the 27<sup>th</sup> day of November 2023  
and signed on its behalf by:

M G Baker  
Company Secretary

2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
