Financial Review

A copy of our 2020/21 accounts is hereby attached.

Objectives of the Charity: Proclaiming, teaching and educating Christian and non-Christian persons by means of educational resources in order to advance, strengthen and support marriages and family life in the UK and elsewhere through the world, based on the principles, standards, ideals and doctrines of the Christian faith.

Summary of Main Activities

To teach married couples (and couples preparing for marriage), how to live their marriages and parent their children in accordance with the principles, standards, ideals and doctrines of the Christian faith. Our main course, Married for Life, has also been made available on video recently for group use, but has also been available for individual couples during the Covid-19 pandemic. We also hold teaching weekends and conferences.

Achievements and Performance

During 2021 we taught our 4 courses: *One for Life*, *Married for Life*, *Deepening Love* and *Parents for Life* to couples across the UK, in English and Portuguese. We generally teach these courses online as well as face to face, but they have been online only plus online conferences while there have been restrictions regarding meeting up. We have approximately 40 leadership couples.

Expansion in Role

Mr and Mrs Thomas have been the UK Directors for 2=1 since 2008 and in October 2015 became the International Directors, Europe. This means that they travel to Europe several times a year (outside of the pandemic) to visit the couples leading 2=1 in other European countries. We currently teach in 13 European countries and now also have opportunities to expand into other European countries including Croatia, Sweden and Slovenia. Since March 2020 the vast majority of our work has been online. We are optimistic that our courses will also be able to be taught face to face more, now that Covid-19 restrictions are lifting.

We occasionally travel to other continents to teach leaders, particularly for our new Deepening Love course. In the last four years we have taught in New Zealand, Malaysia, Australia and this year in South Africa.
