Activities

Objects: TO PROMOTE THE IMPROVEMENT OF THE STANDARD OF DRIVING AND THE ADVANCEMENT OF ROAD SAFETY

Activities: We prepare drivers to take the IAM's Advanced Driving Test by providing 4 Advanced Driving Courses each year. These consist of classroom sessions and practical guidance on the roads. We provide displays to publicise our courses. We work with and have the active support of the police and local authority to improve road safety. We contribute to articles about road safety issues in the local press.
