1. INTRODUCTION

The Community Life Church – Cannock is a local church based in Cannock Staffordshire. We were formerly known as the Hednesford Pentecostal Church. We changed the name to reflect changes in local town boundaries and the church's vision.

We own a church building at:

Community Life Church,
Hill Street,
Heath Hayes,
Cannock, WS12 2DP, UK.

This building is used for numerous church and community activities. However, it is now too small for the Sunday morning congregation. The Sunday morning service is therefore held at the:

Hayes Green Community Centre,
Heath Way,
Heath Hayes,
Cannock, WS12 3XP, UK.

The church's website is: www.communitylifechurch.uk.

The church is governed by a Leadership Team, members of which also serve as the church Trustees.

The church is an "Assemblies of God UK" Pentecostal Church. The national offices of Assemblies of God UK are:

Assemblies Of God Great Britain
Arlington House
Bloom Street
Salford
Manchester
M3 6AJ

The church is a Registered Charity (England & Wales), No 1052553.

2. LEADERSHIP TEAM

The Leadership Team Members throughout 2024;

Mr Colin Ball (Chair of Trustees),
Mr John Tyrell (Senior Leader & Financial Officer),
Mrs Sandra Tyrell,
Mr Stuart Lees,
Mrs Mel Lees,
Mrs Michelle Ball.

Mr Gary Ball resignation his leadership position in April 2024.

3. YEAR END SUMMARY

In a time that many churches have been seeing falling congregations and churches facing existential threats, Community Life Church saw some growth in church numbers and several new people confessing the Christian faith for the first time. Sadly, we also experience some long-standing members leave the church because of employment and other personal circumstances.

The church remains committed to raising the next generation of leaders within the church.

The church experienced strengthen relationships with other churches in the Cannock area.

The church's "Hope at Christmas" campaign gave £810 in food vouchers to the local authorities Family Centre and nearly £300 for Christmas presents for children whose father had been imprisoned.

Each week, the church helps people in the community who are struggling because of unemployment, benefit changes or substance addictions. Help is provided through our Community Fund and supporting the local Food Bank. Church members have proven generous in financially supporting the Community Fund.

3.1. BUILDING MAINTENANCE AND REPAIR

The church building on Hill Street has been kept in a good state of repair, with various maintenance and repair projects being performed.

The required safety inspections have been performed. The central heating gas boiler was replaced. The Fire Alarm and emergency lighting are tested each week. The Fire Alarm's smoke detectors are tested annually. All the electrical equipment undergoes PAT testing.

3.2. POLICIES AND CODES OF PRACTICES

The Leadership Team recognises its responsibilities for the Health & Safety, Safeguarding, other policies and Risk Assessments. All the policies and codes of practices are regularly reviewed.

4. 2024 FINANCIAL REPORT

4.1. CONCLUSIONS

The church's financial performance for 2024 was far better than 2023. The General Fund Income increased by 19 %.

We made two significant purchases in 2024, a new video projector which cost £3,353, and a new gas boiler which cost £2,780. As a result, the expenditure increased by 10 %.

In addition, we were able to transfer £8,500 from the General Fund to the Strategic Reserve Fund. This resulted in a total increase in the General Fund Expenditure by 19 %.

After the transfer of £8,500 to the Reserve Fund, the General Fund's annual surplus of £269, which compares with £354 in 2023. This is lower than we had planned and is the result of the cost of the new boiler which we purchased in December following the annual inspection.

It has been our deliberate strategy to increase the Strategic Reserve. There are long term doubts over the community centre we are hiring, and the cost of employment could dramatically increase if there is a change in senior leadership.

All the church departments made a surplus in 2024.

All the bank accounts have been reconciled.

The General Fund is the unrestricted and non-designated money, available for the everyday costs of the church. The majority of the General Fund Income (94 %) comes from the offerings from the church members.

The Subsidiary Income included hire charges for the church building.

The Project Fund income primarily comes through the sale of donated goods at the Lunch Club. Although this isn't restricted money, it is used for the purchase of new equipment, projects, or special events (Family Fun Day, Children's Christmas Party).

The Community Fund is a restricted fund which is used to help people in need, with the purchase of food or electricity. Most recipients are people from the community, who coming seeking assistance. Occasionally the fund has been used to help some individuals in the church's congregation. Income to the Community Fund is from designated gifts from members of the congregation.

The following graph shows the monthly variations in Income and Expenditure. In March we received an additional £4,000 Gift Aid relief. In August we benefitted from £8,000 bequeathed to the church.

2024 Year End Report

The following pie-charts illustrates that:

94 % of the income into the General Fund was through offerings.

83 % of the total income is the General Fund income.

The total Tithe Fund Expenditure was £7,470.

4.10. MISSIONARY GIVING

As well as the 1.0% of the General Fund that is allocated to the Missionary Fund, monthly payments to various missionaries were made from the Church Tithe Fund. Church members also donated to the missionaries whether through offerings taken when the missionaries visit, monthly designated giving, or from the Missionary Boxes.

People collect their loose change in the Missionary Boxes and twice a year the money is submitted to the church.

Money is occasionally transferred from the Church Tithe Fund to the Mission Trip Fund. This money would finance future short-term missions abroad.

A summary of the missionary income and expenditure is as follows:

| Missionary Offerings | £ 4,420.61 |
| % of General Fund | £ 656.83 |
