Trustees' report (continued) For the year ended 31 March 2021

1. Structure, Governance and Management (continued)

- Statement of trustees' responsibilities

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the Trust's financial activities during the year and of its financial position at the end of the year. In preparing the financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Trust and which enable them to ensure that the financial statements comply with the Charities Act. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. They are required to apply the funds of the Trust with complete fairness to meet the objects of the Trust.

- Investment policy

Apart from the leasehold building let to the School for a peppercorn rent, the trustees aim to maximise the interest earned on the Trust's cash resources.

- Risk management

The trustees have assessed the major risks to which the Trust is exposed, in particular those relating to the operations and finances of the Trust, and are satisfied that systems are in place to mitigate their exposure to the major risks.

2. Objectives

The object of the charity, per the articles is: The advancement of the Roman Catholic Religion and the advancement of education in the Roman Catholic tradition and in particular (but without prejudice to the generality of the foregoing) the provisions of educational facilities in Schools.

The Trustees currently direct their support in advancement of these objects towards St Philomena's Roman Catholic High School for Girls, ('the School').

3. Activities

During the year the Trust has made various contributions towards the School's capital and revenue expenditure, amounting to £81,887 (2020: £123,492).

Independent Examiner's Report to the Trustees of St. Philomena's Carshalton Charitable Trust (the 'company')

I report to the charity Trustees on my examination of the accounts of the company for the year ended 31 March 2021.

This report is made solely to the company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustees as a body, for my work or for this report.

Responsibilities and Basis of Report

As the Trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I can confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements (continued) For the year ended 31 March 2021

1 Charitable status and taxation

The company (herein referred to as 'the Trust') is a registered charity, limited by guarantee and does not have a share capital. The company is incorporated within England and Wales.

2 Accounting policies

The financial statements are prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) the Charities Act 2011, and the Companies Act 2016.

They are drawn up on the historical accounting basis. The charity meets the definition of a public benefit entity under FRS 102.

2.1 Income

Donations are credited to income when received. Recoverable income tax is included with the donation to which it relates. Any income tax which has still to be recovered at the period end is recognised as a debtor. Interest is recognised when receivable.

2.2 Capitalisation of tangible fixed assets and depreciation

Purchases of tangible fixed assets are capitalised where their useful life extends over more than one year. Depreciation is calculated to write off the cost less estimated residual value of fixed assets on a straight-line basis over their estimated useful lives.

The only tangible fixed assets carried on the Balance sheet relate to improvements to leasehold property.

A lease was granted to the Trust in February 1998 by the Congregation of the Daughters of the Cross of Liege for classrooms on the first and second floors of the main school buildings, and this is due to end in 2047. The costs capitalised as improvement to leasehold property are depreciated over their estimated useful lives, deemed to be the unexpired term of the lease, ending in 2047.

2.3 Expenditure

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Grants payable are recognised when the grant has been awarded, and any conditions attached have been satisfied or fall outside the charity's control.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the Statement of Financial Activities on a basis designed to reflect the use of the resource.

All expenditure is inclusive of irrecoverable VAT.
