Public Benefit

REVIEW OF ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

EVC is a faith community of around 80 households. This covers a wide age range, backgrounds and life stages.

In 2022 we have been able to consolidate changes and adjustments we made coming out of the pandemic to allow the church to better serve its purpose.

Activities for the Benefit of our Church Community

At Exeter Vineyard Church we are trying to create a multi-generational and diverse community that encourages holistic well-being for both our members and people who come into contact with our activities.

As such, being highly relational is a strong value for us. We meet as a whole church community twice a month for a Sunday service. This is a meeting centred around the Christian faith, and while the vast majority of people there are Christians, we do have people who are curious and exploring these ideas.

We start our services with a shared breakfast, before the more traditional worship service. We have separate activities for children that allow them to play games and do crafts.

Alongside our fortnightly Sunday service, we have a number of smaller groups that meet for shared meals throughout the month. We call these Hubs and they can vary in number from 6 to 30 people. These are gatherings which we described as "church around the dinner table" and are led by a team of 22 volunteers.

These involve people of all ages, including families with children. We find that these more intimate and informal gatherings better suit the creation of strong and supportive relationships between members.

We also encourage even smaller groups to take part in a program we call Discipleship Groups that are geared towards members supporting each other in their everyday lives.

We have separate groups for young people. Messy Church, which is a very informal and creative expression of a church meeting for children up to 13 years old. Messy Church attracts a number of families for whom it is their only interaction with the church and provides support for them by bringing them together with similar families. For teenagers we have a monthly youth club session, where we have focused on establishing good relationships between our teenagers and encouraging positive mental well-being. There is also a specific discussion group for the older teenagers once a month, where they are able to think about the deeper and more philosophical aspects of life and faith.

In October 2022, for our second year running, we took 15 teenagers on a residential weekend away in North Devon and this was a really positive community building experience.

Being a multigenerational community there were numerous opportunities to support people at specific life stages in 2022.

For families that had babies we were able to provide practical support, such as meal rotas, babysitting and advice. We have also been able to help some of the older members of our congregation with things such as medical appointments, aid to get to our activities, liaising with statutory agencies and preventing loneliness.

REVIEW OF ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE (continued)

Activities for the Benefit of our Church Community (continued)

During the year sadly one family, with a newborn baby, experienced a traumatic breakdown and we were able to come alongside the mother and help her with food and emotional support during a difficult time.

We also sadly experienced a bereavement of a committed member of the church and were able to support the family through the funeral.

In 2022 we spent £510 from our Benevolence fund. This is money we spent to support church members in difficult times, and included items such as flowers, help him with emergencies, taxi journeys and some funeral costs.

Rachel Cock, our Operations Manager, actively ensures that those members of our church community who could be more isolated are contacted, included and looked after.

Activities for the Benefit of the Local Community

One of our key aims is that Exeter Vineyard is a benefit to the wider community. As previously detailed, a key organisational structure for us is Hubs. As these groups meet locally in and around Exeter they have had great opportunities to meet local needs, such as supporting vulnerable people or organising community events. Looking forward, this is an aspect of Hubs that we want to encourage and explore further.

The Crosslines team provides a weekly hot meal to homeless and vulnerably housed people, along with opportunities to befriend the guests, offering emotional and practical support and signposting where further help is needed. There are 20 people on the team and members buy and prepare food and then serve it at a location in central Exeter. Over the year, Sarah Vinall, who heads up this team, has been able to become more involved in a combined churches' response to the issue in Exeter. Stephen White, a member of our church and a trustee, has also become involved as a trustee of the building that hosts Crosslines along with a number of different church teams.

The Roundabout team, led by Sue, a member of our church, collects and distributes used clothes and equipment for families in need. This is distributed at pop-up sessions in health visitor clinics and community centres. Also, much of the connections are done over social media allowing help to go directly to people in need. As a church we have been able to provide storage for the clothing and equipment stock. Over 2022 Roundabout had helped over 120 families in need.

As a church we have supported Exeter Foodbank, by giving financial contributions of £360 across the year, as well as collecting food at our services. We have also highlighted food stock and volunteer needs to our congregation.

Through the Government's Community Sponsorship Scheme we have worked with two other Exeter churches, Exeter Network Church and Belmont Chapel, to house and support refugee families who had escaped from the war in Syria. During 2022 we were supporting our second family, helping them settle into Exeter and deal with numerous issues, such as education, health and work. This work is done as CHARIS Exeter. We have had a number of church members volunteer to help in this work, including practical expertise of setting up a home, second language support and in the steering group.

REVIEW OF ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE (continued)

Activities for International Benefit

We have maintained connections with churches in India, Switzerland and Southern Africa. As the pandemic hit these relationships have been mutually encouraging.

We have continued our support for Matt and Liz Wisbey in their work with Wycliff Bible Translators. While they are based in Gloucester, Matt is involved in Literacy work through the 'Language, Education and Development (LEAD) Asia-Pacific' team and through training in the UK as part of the Moorlands College School of Language and Scripture MA course. We gave £840 towards their living costs in 2022. They had a glowing report from Wycliff for their contribution in 2022.

We have a close connection with a Vineyard Church in northern India and supported them with friendship and prayers through the year.

Our connection with Vineyard churches in Olten and the Wiggertal valley in Switzerland continued and Dave Vinall and Adam Porter went out to visit in February. This was an opportunity to see the activities, organisation and culture of the churches there and it was really beneficial to be able to talk about Exeter Vineyard to someone with an external perspective and experience.

We support Daniel and Suzy Dugmore, and their family, and their work with YWAM in southern Africa. They have been based in Malawi for over a decade, with the aim of providing relief from poverty, medical assistance, community building and training young Malawians. Over the past decade they have been involved in establishing a number of other bases and are now starting to oversee YWAM's work in 5 nations of southern Africa. We gave £4,500 in 2022.

Staffing

Dave Vinall is employed full time as the church's Pastor. His role is to work with members of the church to develop the direction and activities of the church. He takes a pastoral role for the members of the church and especially for the volunteer leaders. He also organises and runs activities for our secondary school aged children.

Sarah Vinall is employed part-time in the role of Senior Pastor. She is also our Safeguarding Coordinator, runs the Crosslines team and our primary school children's activities, including Messy Church. Sarah is involved in establishing new projects in the church and supporting their development and ongoing work. Sarah works 2.5 days a week.

Adam Porter is working one day a week as Assistant Pastor and continues to help support Dave in different aspects of church activity. He has taken a lead with the college aged group and organises our team of musicians.

Rachel Cock is our Operations Manager and works 2 days a week. She coordinates pastoral care for isolated members, as well as bookings and communication.

Jacob Blackburn has been employed for 6 hours a week, organising our website and digital communication, including producing the videoed material that our Hubs use.

Ken Brown is our Finance Administrator 6 hours a week. He helps with the organisation's financial recording and reporting.

REVIEW OF ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE (continued)

Volunteers

Volunteers carry out the majority of activities in the church. These are members of the church who take responsibility to organise and run activities. There are about 40 people involved in setting up and running our Sunday services, as well as people helping with Crosslines, Roundabout, CHARIS Exeter and activities for young people.

Our Hub groups are lead by volunteers. These volunteer leaders work with Dave and Sarah Vinall to organise and oversee activities, including a significant role in organising activities and pastoral support for members of the church. Recognising their contribution as volunteers, Hub Leaders are supported as a priority by Dave and Sarah and the staff team. In October 2022 we hosted a weekend training retreat in North Devon for our Hub Leaders and this was attended by 24 people.

Property

Coming out of the Covid-19 pandemic our staff had adjusted to working from home and ended our tenancy on our office at the end of 2021. We continue to use homes for a lot of our activities, including Hub meetings, staff meetings, leaders meetings and our older teenage group.

During 2022 we were able to move our Sunday services back to our pre-Covid-19 venue of St Leonard's Church of England Primary School. This was an excellent result as prior to this we had been moving between venues. Having a permanent and regular venue has helped with consistency and allowed us to expand our activities for young people. We hire a local community centre for Messy Church and our youth club.

We have equipment stored on the farm of a church member and we hire a shipping container, which is largely used for Roundabout stock.

Networking and Wider Involvement

We play an active role in the Vineyard denomination in the UK. Dave and Sarah have attended several meetings for Vineyard pastors in the South West and Wales region and we provide financial support to Vineyard Churches UK and Ireland on a monthly basis, totalling just over £6,223 this year. This money is used by VCUKI for supporting church-plants, training leaders and community initiatives.

We also have good relationships with local churches through city-wide networks and are involved with cross-church initiatives, most notably the churches' response to housing in the city. Nationally, we are members of the Evangelical Alliance.

Activities for Generating Funds

The vast majority of our funds are raised through donations and Gift-Aid claims. Everything donated is used to support the associated activities in line with the charitable aims and objectives of EVC.

Plans for the Future

Having had our normal activities so disrupted by the pandemic, we now feel we have achieved a good balance between the large and small gathered environments. The Sunday service requires a higher level of resources to organise, but is a great opportunity to get everyone together in a large group. Hubs require less central resources and offer better opportunities for people to contribute and develop friendships.

As we move forward with this model we are aware of the need to support and train Hub leaders. We want to look at ways Hubs can have a positive effect on their local area.

REPORT OF THE TRUSTEES (INCLUDING REPORT OF THE DIRECTORS)
FOR THE YEAR TO 31ST DECEMBER 2022**

FINANCIAL REVIEW

The charitable company made a deficit in the year of £11,267 (2021 – surplus £14,758). Total income decreased by 12.6% compared to 2021 with offerings and donations and the resultant gift aid decreasing by 16%.

Total expenditure increased by 5.3% with varying increases/decreases in the various expenditure categories.

The charitable company's funds totalled £182,509 at 31st December 2022 of which £125,237 is restricted for a building.

RESERVES POLICY

EVC seeks to retain cash reserves equivalent to three months of operating costs. Unrestricted reserves (not including the designated fund) totalled £52,472 at the year-end of which £49,743 constitutes net current assets. This covers between 4-5 months unrestricted expenditure. This is more than sufficient to cover current commitments but is under regular review by the trustees.

STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees (who are also the directors of Exeter Vineyard Church) are responsible for preparing the annual report and the accounts in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report, which have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies, was approved by the trustees on 20/07/2023 and signed on their behalf by:

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).
