The Charity's Object

Advanced and promote the healthy lifestyle choices and behavioural changes amongst marginalised, disadvantaged minority communities.

Support individuals who have been affected by health issues that disproportionately affect people from marginalised, disadvantaged, minority communities and their families through the provision of advice, counselling and other support services.

Objectives and activities

The charity's main activities

BHI is a community Engagement Organisation which works to supply equality of access to health and social care provisions within Leeds, the Yorkshire Region and nationally for disadvantaged and marginalised and marginalised communities.

BHI currently runs five projects under the umbrella of Health and Wellbeing:

Teenage Health and Wellbeing – is a project that aims to keep young people up to date with information about their health. We engage and motivate our service users regarding education and work with them to develop healthy lifestyle choices. These programmes are broken down into four main areas which are social, emotional, educational and physical health.

Men's Health and Wellbeing is addressed through the Brothers in Life (BiL) project which provides physiological, psychological and practical support to predominantly African, Caribbean and Dual-Heritage men who suffer from the effects of social, cultural or African environment factors that have a specific impact on men's emotional and physical well-being.

Women's Health and Well-being encourages women to communicate with each other about health issues that affect them, support the development of health focussed activities with the aim to raise self esteem, encourage participation in making informed decisions about their health treatments and improve women's health and well being citywide.

Counselling and Mental Health Wellbeing which works with UKCP and BACP counsellor/psychotherapy specialists trained specifically to work with the African, African Caribbean and Dual Heritage client group. We strongly believe that early intervention addresses the psychological and emotional difficulties peoples are experiencing and may reduce the risk of later mental health issues/crises occurring.

Independent examiners report to the trustee of Black Health Initiative

I report to the charity trustees on my examination of the accounts of the charitable company for the year ended 31 March 2022, which are set out in the attached report

Responsibilities and basis of report

As the charity's trustees of the charitable company (and also the directors for the purpose of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination. I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters of concern have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
