GREEK ORTHODOX COMMUNITY OF ST KATHERINE

Annual Report of The Charity Trustees for The Year Ending 31st December 2022

The Charity was originally established by way of a deed. The governing document is a constitution adopted on 2nd January 1984, subsequently amended on 26th December 1995.

Public Benefit

In shaping our objectives for the year and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit.

The principal object of the Charity is to:

- a) Preserve and propagate the Christian Orthodox faith and traditions;
- b) Establish Churches for the worship of the Triune God and schools for the Greek Orthodox education;
- c) The relief of poverty and those in need;
- d) Undertake charitable work for those who need protection;
- e) Assistance and medical care; and
- f) Provide for the welfare of the poor and elderly.

Plans for Future Periods

Utilising available financial resources, the Trustees plan to continue with the refurbishment of the Church premises and to continue encouraging and increasing Church attendance by organising various events.

Risk Management

The trustees regularly monitor and discuss the opportunities available to the Charity and the risks to which it is exposed.

As part of the process the Trustees have implemented a risk management strategy which includes:

- The establishment of systems and controls to mitigate the risks identified.
- The implementation of procedures designed to minimise any potential impact on the Charity should any of those risks materialise.
- An annual review of the risks which the charity may face and the implementation of any changes to the controls that might be deemed necessary.

Charity Management

The management of the Charity is the responsibility of the Trustees and community board, in line with the provisions of the constitution.

The Trustees present their annual report together with the accounts of the Greek Orthodox Community of St. Katherine (the Charity) for the year ended 31st December 2022. The Trustees confirm that the annual report and accounts of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

This report was approved by the Trustees on:

and signed on their behalf by:

C.P. Christou

Independent Examiner's Report to the Greek Orthodox Community of St Katherine

I report on the accounts of the Trust for the year ended 31 December 2022, which are set out on pages 4 to 14.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement.

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act;
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Section C

Notes to the accounts

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with Financial Reporting Standards for Smaller Enterprises (FRSSE);
- and with the Charities Act 2011.

1.2 Change in basis of accounting

There has been no change to the accounting policies (valuation rules and methods of accounting) since last year.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

1.4 Taxation

The Charity is a registered charity and accordingly is exempt from taxation on its income and gains where they are applied for charitable purposes.

Income tax recoverable in relation to donations received under Gift Aid or Deeds of Covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

1.5 Fund accounting

General funds are unrestricted funds which are available for use at the direction of the trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the accounts.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against a specific fund. The aim and use of each restricted fund is set out in the notes to the accounts.

Investment income, gains and losses are allocated to the appropriate fund.

Note 2

Accounting policies

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none">the charity becomes entitled to the resources;the trustees are virtually certain they will receive the resources; andthe monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.

EXPENDITURE AND LIABILITIES

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on the basis consistent with the use of the resources.

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Fundraising costs	Are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £100. They are valued at cost or a reasonable value on receipt.
Depreciation policy	These are valued at the lower of cost or market value. Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimate residual value, over their expected useful lives. Additional information on the depreciation rates are shown in note 7.

8.3 Net book value

Brought forward	371,717	-	1,519	247	1,771	3,729	378,983
Carried forward	371,717	-	-	-	1,771	3,729	377,217

All assets costing more than £100 are capitalised.

Depreciation is provided at rates calculated to write off the cost or valuation less residual value of each asset over its expected useful life, as follows:-

Land and buildings -	In the opinion of the trustees, the cost of the land and buildings is a fair reflection of its current market value and therefore no adjustment to revaluation is considered necessary.
Leasehold Improvements -	Over the term of the lease
Fixtures, fittings and furniture -	10% straight line
Office equipment -	25% straight line
Devine utensils -	Not depreciated
Works of Art/Icons -	Not depreciated
