STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Charity's governing document is the Constitution adopted on 15th February 1996.

Method adopted for the recruitment and appointment of new Trustees

The Trust recruits and appoints new trustees when suitable people appear. There are also a number of other volunteers involved in the Trust who are not Trustees but who help with the running of the Trust, the projects and fund raising.

Organisational structure

Juniper Trust is an independent charity.

The general control of the charity is in the hands of the Trustees

Major risks to which the charity is exposed

The Trust has been involved in a number of projects over the years and worked with as appropriate. In the last few years it has been mainly involved with the effect of the earthquake in Nepal in April 2015. This gave additional problems with fund raising and logistics of control with projects. In the last year the Trust has been involved with helping communities in Pakistan with food aid to alleviate problems caused by the Covid 19 pandemic. These however have been well managed with the personnel, volunteers and members of Trust in the United Kingdom and overseas, particularly in Nepal and Pakistan, with all projects having local, reliable contacts.

OBJECTIVES AND ACTIVITIES

Objects of the Charity

The objects of the Charity are -

The relief of persons in the Himalayan region of Asia and other areas who are in conditions of need, hardship and distress

How our activities achieve public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

THE JUNIPER TRUST

REPORT OF THE OFFICERS FOR THE YEAR ENDED 28 FEBRUARY 2022

ACHIEVEMENTS AND PERFORMANCE

REVIEW OF ACTIVITIES

The year has continued with fund raising and work to rebuild further schools in Nepal following the earthquake in April 2015. The Covid 19 pandemic has restricted activities but the Trust was able to progress the rebuilding of the Kindergarden School at Bampti and start with the rebuilding of the primary school at Maili.

As part of the Quality Education Project the Trust purchased 1000 books to be available at the schools near Kinja as well as starting the teacher training project for the teachers in that area.

It was possible to continue the tree planting project looking at the planning of 10000 trees in the Kinja area of Nepal. The Trust is now looking to plant a similar number in 2022. The trees planted are fruit trees and the planting has been aided by the local population and the fact that the trees will yield fruit available for the locals to eat as well as the benefits to the environment.

The Trust has helped with schools in Pakistan at Askole with salary for teachers and television system for videos; teacher training at Hushe Valley schools and also at Shadri School at Ishkamen.

Fund raising and expenditure continues on other ongoing projects, indicated in the accounts, with the school at Ichar in India and the orphanage at Karama in Tanzania.

FINANCIAL REVIEW

The charity still has a positive income balance from the activities undertaken during the year. However, it is heavily reliant on donations from various organisations and the general public and the importance of this remains pivotal to the future operations of the charity.

Reserves policy

The charity held £9,348 (£100 in unrestricted funds and £9,248 in restricted funds) in reserves at the start of the year which increased at the end of the year to £24,542 (£760 in unrestricted and £23,782 in restricted funds).

Investment Powers and Restrictions

The Officers and Trustees have the power to invest in such assets as they see fit.

PLANS FOR FUTURE PERIODS

The Trust is focused on rebuilding its 19th school at Maili; developing the Quality Teaching Programme around the schools near Kinja and planting of trees in that area. It is also looking at continuing with the schools in Pakistan, India and Tanzania.

RESPONSIBILITIES OF THE TRUSTEES

The trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;

THE JUNIPER TRUST

- state whether applicable Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

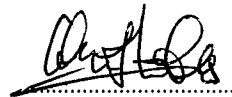

THE JUNIPER TRUST

REPORT OF THE OFFICERS FOR THE YEAR ENDED 28 FEBRUARY 2022

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

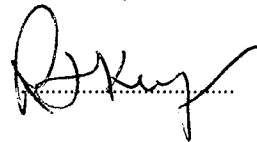

Approved by the trustees on 8/10/2022 and signed on their behalf by us to sign it on their behalf.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE JUNIPER TRUST FOR THE YEAR ENDED 28 FEBRUARY 2022

I report on the accounts of the charity for the year ended 28th February 2022 which are set out on pages 8 to 14.

RESPONSIBILITIES AND BASIS OF REPORT

The trustees are responsible for the preparation of the financial statements.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Statement of compliance

These financial statements have been prepared in compliance with FRS102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

The charity meets the definition of a public benefit entity under FRS102.

Going concern

There are no material uncertainties about the charity's ability to continue.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

There are no judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies that have a significant effect on the amounts recognised in the financial statements.

Key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. There are no key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
