Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 June 2024.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustees' Annual Report for the period 1 July 2022 to 30 June 2023

ROTARY CLUB OF FARNHAM WEYSIDE TRUST FUND
Charity no 1053391

Objectives and Activities

The object of the charity is the relief of poverty.

The charity raises funds from the public by organising fundraising events, and street collections, the proceeds of which are then dispersed to individuals or other charities to support relieve hardship or need.

The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

The charity made grants to individuals and to other charities for the benefit of the public by the relief of poverty totalling £24,537.67 during the period of these accounts.

Financial Review

The accounts of the charity are prepared on a receipts and payments basis. As such, they represent a snap shot of the charity's activity over a period of time because events do not all fit into the accounting period.

The charity has no staff, and the only financial commitments are certain grants which are planned every year. The charity maintains a minimum reserve of £2000 towards forward commitments and towards events costs incurred before the income from the event.

The charity only makes grants once generated funds are in the account, so there is never a risk of not having enough money to meet commitments.

Structure, Governance and Management

The charity is an unincorporated association, governed by a Trust Deed.

Trustees are all members of the Rotary Club of Farnham Weyside, appointed by the members of the Rotary Club of Farnham Weyside.

Achievements and Performance

The charity made grants to individuals and to other charities for the benefit of the public by the relief of poverty totalling £21,515.20 during the period of these accounts.

Financial Review

The accounts of the charity are prepared on a receipts and payments basis. As such, they represent a snap shot of the charity's activity over a period of time. During the period of these accounts, events organised by the charity were still recovering from the Covid pandemic, the charity changed bank accounts, accounting software, and the Treasurer. Because of these complications some grants were paid some time after the events from which funds had been raised. Even taking this into account, the charity clearly generated a surplus from the proceeds of fundraising and events in excess of £20,000 towards its charitable purposes.

The charity has no staff, and the only financial commitments are certain grants which are planned every year. The charity maintains a minimum reserve of £2000 towards forward commitments and towards events costs incurred before the income from the event.

The charity only makes grants once generated funds are in the account, so there is never a risk of not having enough money to meet commitments.
