Structure, governance and management

a. CONSTITUTION

The company is registered as a charitable company limited by guarantee incorporated on 12 April 1991 and was set up by a Memorandum of Association, which was last updated on 5 December 2022.

Governing Documents

The Memorandum and Articles of Association and Byelaws are under continuous review by the National Board. This is part of an ongoing process to ensure that these documents give a wholly accurate and suitable description of the Society to the various legislative bodies and safeguard the teachings of Master Moy Lin Shin for future generations.

b. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The members of the National Board (NB), who are also the directors for the purposes of company law, who served during the year were:

N Bustin (resigned 13 December 2024)
P J Jones
S Masters (resigned 13 December 2024)
C M Mitchell
P Pretsell
M P Jackson
K J MacLachlan
S M Calvert (co-opted 13 December 2024)

The Society is run predominantly by volunteers as a way of training to develop selflessness and harmony through working together.

The Society is managed by the National Board (NB). Directors are appointed by a resolution of the members of the NB (either in their capacity as company members or directors)

Trustees are selected from long serving members of the Society who have a good understanding of the nature of Master Moy's teachings, and are committed to developing through the training path he left us and the helping of others follow the same path.

In 2024 the Society was organised into 9 branches reporting to the National Board through three regions; Eastern region coordinating 4 branches, Northern region coordinating 2 branches and the Western region, comprised of the remaining 3 branches.

The TTCS of GB benefits from the guidance and support of the Fung Loy Kok Institute of Taoism (FLK) and the European Regional Council (ERC), as well as all the other organisations around the world that follow similar objects and work in affiliation with FLK.

c. RISK MANAGEMENT

The Society follows an annual accreditation procedure for leaders in training to ensure that all members receive appropriate opportunities to improve themselves and help others.

The Society has substantial insurance cover including public liability.

The NB continues to review policies and procedures on a regular basis. Support is also provided via chartered accountants Larking Gowen, and consultants for health and safety and employment, NatWest Mentor. Professional legal advice is sought from solicitors as and when needed.

The Trustees continue to assess potential risks to which the Society is exposed using Charities Commission guidance. A Risk Register is kept to record and assess the risks and the actions taken to minimise them, where appropriate.

Objectives and Activities

a. POLICIES AND OBJECTIVES

(a) The protection and preservation of good health within the community throughout Great Britain and internationally through the promotion and practice of all levels of Taoist Tai Chi™ arts.

(b) To advance education and training in Taoist Religion, Philosophy, Traditions and Arts as promoted by the Society's founder Master Moy Lin Shin.

b. ACTIVITIES FOR ACHIEVING OBJECTIVES

The objects were met this year by offering opportunities to learn more about Master Moy's teachings through video conference calls, and in-person sessions.

There were regular national, regional and branch meetings and training sessions, led by National and Regional leaders.

There were celebrations of Taoist and Confucian festivals throughout the year, open to all Society members.

c. PUBLIC BENEFIT

By making Mr Moy's teachings available to all who want to learn, in 2024, the Taoist Tai Chi Society of Great Britain complied with the duty in section 17(5) of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission. Following this path is an opportunity to better oneself.

Our Homes in Great Britain

The Society in GB currently owns one property located in Colchester. In October 2023 the Board resolved to put this property up-for-sale. To this end, the TTCS GB aims to have an approximate minimum of three months outgoings in free reserve, to cover operating costs. No limit has been placed on the amount of reserves that may be held and the level is kept under regular review to ensure that there are sufficient reserves to fulfil the running of the Society in GB and to fully support International Projects.

INDEPENDENT EXAMINER'S REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024

Independent examiner's report to the Trustees of Taoist Tai Chi Society of Great Britain ('the company')

I report to the charity Trustees on my examination of the accounts of the company for the year ended 31 December 2024.

Responsibilities and basis of report

As the Trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 ('the 2005 Act'), the Charities Accounts (Scotland) Regulations 2006 (as amended) ('the 2006 Accounts Regulations') and the Companies Act 2006 ('the 2006 Act'). You are satisfied that the accounts of the company are not required by charity or company law to be audited and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 44(1)(c) of the 2005 Act and section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the requirements of Regulation 11 of the 2006 Accounts Regulations and the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the company is required by company law to prepare its accounts on an accruals basis and is registered as a charity in Scotland your examiner must be a member of a body listed in Regulation 11(2) of the 2006 Accounts Regulations. I can confirm that I am qualified to undertake the examination because I am a registered member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act and Regulation 4 of the 2006 Accounts Regulations; or
2. the accounts do not accord with those records and with the accounting requirements of Regulation 8 of the 2006 Accounts Regulations; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008 and Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. 2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Taoist Tai Chi Society of Great Britain meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.3 Going concern

The Trustees have considered the company's position at the time of signing the financial statements including cash available, and projections for the ongoing running costs.

Based on this, the Trustees have concluded that they have a reasonable expectation that the company will have adequate resources to continue in operational existence for the foreseeable future being no less than twelve months from the date of approving these accounts. They continue to adopt the going concern basis of accounting in preparing the financial statements

FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.4 Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the company has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the company, can be reliably measured.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

2.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £NIL or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

TAOIST TAI CHI SOCIETY OF GREAT BRITAIN
(A company limited by guarantee)

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024**

2. Accounting policies (continued)

2.6 Tangible fixed assets and depreciation (continued)

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives.

Depreciation is provided on the following bases:

Freehold and other property	- 2% straight line
Fixtures and fittings	- 25% reducing balance
Computer equipment	- 25% straight line

2.7 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the bank.

2.8 Operating leases

Rentals paid under operating leases are charged to the Statement of financial activities on a straight line basis over the lease term.

2.9 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

TAOIST TAI CHI SOCIETY OF GREAT BRITAIN
(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.13 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.14 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into sterling at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of financial activities incorporating income and expenditure account.

2.15 Pensions

The company operates a defined contribution pension scheme and the pension charge represents the amounts payable by the company to the fund in respect of the year.

2.16 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.
