## **WORLD MIRACLE OUTREACH**

### **For the Year Ended 31 December 2023**

#### **REGISTERED CHARITABLE OBJECT**

To advance the Christian religion and education by establishing and maintaining a pastoral bible training college, to relieve poverty and sickness and for such other charitable purposes as the trustees shall from time to time determine.

#### **INTRODUCTION**

LTWMO'S 2023 report is the Fourth year of the updated version 2019 – 2023. The founding president and the board of trustees worked in collaboration with the strategy group to attain the 2019-2023 strategic Agenda.

#### **ADMINISTRATION**

LTWMO's administration performs a central support role for the entire organisation as well as servicing the office of the founding president. As a vital nerve-wire of LTWMO, it provides the core administrative functions to the leadership and the entire organisation. It is a busy office with an open door policy, this characterises the leadership approach of the founding president, and often hosts a whirlpool of activities.

#### **PEOPLE MANAGEMENT**

People management remains central to the corporate ethos of LTWMO as a client facing organisation, LTWMO channels most of its investments into human resource pool, which in turn positively and immeasurably impacts the lives of beneficiaries, their families, dependants, extended families and communities. In a sense therefore, LTWMO'S people management strategy, policy and plan provokes virtual quality cycles that result in quantifiable, verifiable and significantly positive difference impacting live experiences, to both staff and clientele, which is anchored on holistic development of the individual and his/her persona.

#### **ORGANISATIONAL STRUCTURE/ DEVELOPMENT**

The year entailed monthly reviews in strategy group meetings, involving constant detailed review and evaluation of distance travelled since the launch of the plan 5 years prior. From an overarching organisational development perspective, the following were looked at – strategic forward planning, organisational structures, leadership, governance and legislative compliance, policies and procedures, project management, sustainable fundraising, international development, capacity building, community development and outreach, premises and facilities management.

The combination of this process with the sustenance of a high-quality delivery of existing services, interventions with growth and taking on new streams of work, made for a busy year.

#### **COMMUNITY OUTREACH**

From January to December 2023, LTWMO delivered services that dealt with a range of issues among others the biblical doctrine of spiritual empowerment, health education, career development, Christian principles of helping and fellowshiping with one another, drugs and alcohol abuse. These were undertaken through the following forum;

### **i] Christian counselling & and multination**

There was an increase in the demand for face to face and telephone counselling in a variety of matters.

### **ii] Career advice service**

The career advice service experienced significant activity, given the continued deterioration in labour market conditions. LTWMO is alert to the reality that people are at their most vulnerable when caught up in career crisis and is keen to assist through teachings and empowerment.

### **iv] Spiritual development & growth**

One of the central pillars of LTWMO, spiritual development and Christian growth, consistently experienced high interest and this was met by a pastoral expertise and experiences.

### **v] Youth fellowship**

The youth group remained active and enthused about their continuous development and empowerment through their sessions with the founder. This was geared to preparing them for the future as leaders and teaching them to value their lives enough to say NO to drugs gang crimes etc.

### **vi] Children's Sunday school & fellowship**

Inspired by a qualified lead, assisted by dedicated personnel, unique services were delivered to children, which allowed their parents to fully participate in regular adult programmes.

### **vi] Home & hospital outreach service**

Home & hospital outreach services were delivered through mainstream media as well as maintaining a follow up component of the ministry.

### **v] Women's fellowship working group**

LTWMO is conscious of its equality responsibilities and as such run several empowerment programs for the ministry. These topics ranged from the biblical perspective to the modern-day woman. Other programs also dealt with health issues that are common to woman. These programs were a sell -out.

### **vi] Council of elders**

The council of elders continued in their provision of counsel and inspiration to the ministry. This department of the church is consulted on an ongoing basis especially in strategic decisions on future developments of the ministry. They offer advice on a wide-ranging of matters of importance to the ministry and its membership, they work hand in hand with the Trustees to advance the work of the ministry to reach a wider community

### **vii] Prayer warrior working group**

From a biblical perspective, the prayer departments were readily available to offer support to the entire church and to open their meetings to those seeking spiritual guidance from God on different matters, they are keen about the welfare of the membership.

### **viii] Music Ministry**

LTWMO worked with the Choir in developing bible principles on worship. This very important to the ministry, this team were trained to understand the biblical requirement when it comes to ministrations and they developed through these teachings to a highly capable and talented group, whose performances positively uplifted and encouraged many downcast.

## **LAWRENCE TETTEH TV MINISTRY & STUDIOS/PUBLICATIONS**

**WORLD MIRACLE OUTREACH**

**For the Year Ended 31 December 2023**

## **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 43 of the 1993 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

## **Basis of independent examiner's statement**

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such

matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

## **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements:
  - to keep accounting records in accordance with section 41 of the 1993 Act; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 1993 Act; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
