Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Achievements and performance

a. Review of activities

The Charity has continued its activity of providing subsidised matinee performances with afternoon tea at the Brick Lane Music Hall as well as taking shows out to the community. The Charity has maintained and in some cases renewed its involvement in numerous community organisations from school projects to raising funds for local charities, particularly children with Special Education Needs, teenagers at risk and pensioner groups such as the new local stroke group.

Financial review

a. Going concern

The charity continue to meet all of its liabilities as they fall due and in the opinion of the Trustees the Charity will continue to remain financially viable for at least twelve months from the date of their approval of these financial statements and accordingly the financial statements have been prepared on a going concern basis.

b. Reserves policy

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at sufficient level to ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities for at least 6 months whilst consideration is given to ways in which additional funds may be raised. In the opinion of the trustees the minimum level of reserves to be maintained is £20,000.

Brick Lane Music Hall Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The Charity's activities, together with the factors likely to affect its future development, performance and position are set out in the Trustee's Report. The Trustee's forecasts, taking into account the Charity's cash holdings, indicate that the Charity will be able to continue in operation and meet its liabilities as they fall due for at least twelve months from the date of their approval of these financial statements and the foreseeable future. 2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Grants are accounted under the accruals model as permitted by FRS 102.

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Plant and machinery	- 15% reducing balance
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 15% reducing balance

2.8 Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

a. Policies and objectives

The principal objects of the Charity are to relieve the aged by the provision of recreational and social gatherings to improve their quality of life. There have been no changes in the objectives since the last annual report.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Review of activities

The Charity has completed its first full year of activity since the outbreak of the Covid-19 pandemic with Government restrictions and related safety concerns resulted in all of its activities ceasing completely between March 2020 and reopening on 17 November 2021. The Charity has fully resumed its activity of providing subsidised matinee performances with afternoon tea at the Brick Lane Music Hall as well as taking shows out to the community. The Charity has also renewed its involvement in numerous community ventures from school projects to raising funds for local charities, particularly children with Special Educational Needs, teenagers at risk and pensioner groups. The Charity has also renewed its involvement in numerous community ventures from school projects to raising funds for local charities, particularly children with Special Educational Needs, teenagers at risk and pensioner groups.

The Trustees once again gratefully acknowledge the Arts Council Culture Recovery Fund grant which enabled the Charity to survive the prolonged closure caused by the Covid pandemic. The Charity was able to retain key staff and ensure that its Grade II listed building was properly maintained in advance of the relaunch of activities.

The Trustees have once again been able to support primary schools in Newham with their end of term shows and resume performing at community celebrations arranged by the London Borough of Newham, local charities and churches. The travelling show includes three professional performers and a musician, together with associated equipment and a period set.

The Brick Lane Music Hall van, which was bought with designated funds, was unfortunately no longer considered suitable for current requirements and was sold during the year. With the approval of the principal donor, the funds from the sale of the van have been returned to general funds for the benefit of all of the Charity's activities.

Financial review

a. Going concern

Having benefited from the final tranche of financial support from the Culture Recovery Fund the charity is able to continue to meet all of its liabilities as they fall due and in the opinion of the Trustees the Charity will continue to remain financially viable for at least twelve months from the date of their approval of these financial statements and accordingly the financial statements have been prepared on a going concern basis.

b. Reserves policy

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at sufficient level to ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities for at least 6 months whilst consideration is given to ways in which additional funds may be raised. In the opinion of the trustees the minimum level of reserves to be maintained is £20,000.

c. Principal risks and uncertainties

The principal risks faced by the Charity are normal commercial operating risks and these are mitigated by a policy of only putting on shows and committing to directly related expenses once sufficient advanced bookings have been received and paid for.

The members of the company are the Trustees named on page 1. In the event of the company being wound up, the liability in respect of the guarantee is limited to £nil per member of the company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Brick Lane Music Hall Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

The Charity's activities, together with the factors likely to affect its future development, performance and position are set out in the Trustee's Report. Although the current economic conditions create uncertainty over future performances, the Trustee's forecasts, taking into account the Charity's cash holdings as a result of support from the Culture Recovery Fund, indicate that the Charity will be able to continue in operation and meet its liabilities as they fall due for at least twelve months from the date of their approval of these financial statements and the foreseeable future. Accordingly, they continues to adopt the going concern basis in preparing the annual financial statements.

2.3 Income

Income received for specific purposes but not expended during the period is shown in the relevant funds on the Statement of Financial Position.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 28 FEBRUARY 2023

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Grants are accounted under the accruals model as permitted by FRS 102.

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Plant and machinery	- 15% reducing balance
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 15% reducing balance

2.8 Debtors

Trade and other debtors are recognised at the settlement amount. Prepayments are valued at the amount prepaid.

TRUSTEES' REPORT
FOR THE YEAR ENDED 28 FEBRUARY 2022

The Trustees present their annual report together with the financial statements of the company for the year 1 March 2021 to 28 February 2022. The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The principal objects of the Charity are to relieve the aged by the provision of recreational and social gatherings to improve their quality of life. There have been no changes in the objectives since the last annual report.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Review of activities

Following the outbreak of the COVID-19 pandemic and the imposition of Government restrictions on 17 March 2020, all activities ceased completely until the Trustees finally considered it safe, in compliance with Government and public safety guidelines, to reopen on 17 November 2021 and resume its activity of providing subsidised matinee performances with afternoon tea at the Brick Lane Music Hall as well as taking shows out to the community.

The Trustees gratefully acknowledge the Arts Council Culture Recovery Fund grant which enabled the Charity to survive the prolonged closure caused by the Covid pandemic. This included maintaining the Grade II listed building, the retention of 2 staff on furlough and the ability to ultimately relaunch and play to reduced audiences once Covid risks were lessened.

Once all Covid restrictions are lifted we will resume our performances in hospices and care homes throughout the East End and beyond. Meanwhile wherever possible we have invited and facilitated residents from these establishments to come to the theatre for a meal and a show. We have also supported primary schools in Newham with their end of term shows and resumed performing at community celebrations arranged by the London Borough of Newham, local charities and churches. The travelling show includes three professional performers and a musician, together with associated equipment and a period set. The performers travel in the Brick Lane Music Hall van, which was bought with funds raised in specially organised charity events.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 28 FEBRUARY 2022

Financial review

a. Going concern

COVID-19 has had, and will continue to have, a material negative impact on the Charity's financial results and liquidity, and such negative impact may continue beyond the containment of the outbreak. Much welcomed financial support from the Culture Recovery Fund has enabled the charity to continue to meet all of its liabilities as they fall due and in the opinion of the Trustees the Charity will continue to remain financially viable for at least twelve months from the date of their approval of these financial statements and accordingly the financial statements have been prepared on a going concern basis.

b. Reserves policy

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at sufficient level to ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities for at least 6 months whilst consideration is given to ways in which additional funds may be raised. In the opinion of the trustees the minimum level of reserves to be maintained is £20,000.

Structure, governance and management

a. Constitution

Brick Lane Music Hall Charity is registered as a charitable company limited by guarantee and was set up by a Trust deed.

b. Methods of appointment or election of Trustees

When required, the Trustees look for suitable candidates to join the Board who can bring experience and expertise relevant to the charity's objectives.

c. Financial risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial . Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 Going concern

The Charity's activities, together with the factors likely to affect its future development, performance and position are set out in the Trustee's Report. Although the current economic conditions create uncertainty over future performances, the Trustee's forecasts, taking into account the Charity's cash holdings as a result of support from the Culture Recovery Fund, indicate that the Charity will be able to continue in operation and meet its liabilities as they fall due for at least twelve months from the date of their approval of these financial statements and the foreseeable future. 2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

Grants are accounted under the accruals model as permitted by FRS 102.

Grants of a revenue nature are recognised in the Statement of Comprehensive Income in the same period as the related expenditure.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Tangible fixed assets and depreciation

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, .

Depreciation is provided on the following bases:

Plant and machinery	- 15% reducing balance
Motor vehicles	- 25% reducing balance
Fixtures and fittings	- 15% reducing balance

TRUSTEES' REPORT
FOR THE YEAR ENDED 28 FEBRUARY 2021

The Trustees present their annual report together with the financial statements of the Brick Lane Music Hall Charity for the year 1 March 2020 to 28 February 2021. The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The principal objects of the Charity are to relieve the aged by the provision of recreational and social gatherings to improve their quality of life. There have been no changes in the objectives since the last annual report.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

a. Review of activities

Following the outbreak of the COVID-19 pandemic and the imposition of Government restrictions on 17 March 2020, all activities were ceased with immediate effect, continuing to the date of this report. However, the Trustees are delighted to report that finally, in compliance with Government and public safety guidelines, that the charity's will shortly be able to resume its activity of providing subsidised matinee performances with afternoon tea at the Brick Lane Music Hall as well as taking shows out to the community. Regular performances in hospices, care homes and long-stay hospital wards throughout the East End will be resumed shortly. The travelling show usually includes three professional performers and a musician, together with associated equipment and a period set. They perform in venues all over the East End and London, travelling in the Brick Lane Music Hall van, which was bought with funds raised in specially organised charity events. The Trustees also intend that Charity will be able to resume activity in the local community, once again appearing at major events for the Borough of Newham.

FOR THE YEAR ENDED 28 FEBRUARY 2021

Financial review

a. Going concern

COVID-19 has had, and will continue to have, a material negative impact on the Charity's financial results and liquidity, and such negative impact may continue beyond the containment of the outbreak. The Trustees are therefore delighted to report that in the most recent round of funding provided through the Government's Her for Culture initiative "in support of our fantastic cinemas, theatres, music venues, museums, galleries and heritage", Brick Lane Music Hall has been thrown a lifeline and has been granted much welcomed financial support from the Culture Recovery Fund. In the opinion of the Trustees this financial support will enable the charity to continue to meet all of its liabilities as they fall due for at least twelve months from the date of their approval of these financial statements and accordingly the financial statements have been prepared on a going concern basis.

b. Reserves policy

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at sufficient level to ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities for at least 6 months whilst consideration is given to ways in which additional funds may be raised. In the opinion of the trustees the minimum level of reserves to be maintained is £20,000.

Structure, governance and management

a. Constitution

Brick Lane Music Hall Charity is registered as a charitable company limited by guarantee and was set up by a Trust deed.

b. Methods of appointment or election of Trustees

When required, the Trustees look for suitable candidates to join the Board who can bring experience and expertise relevant to the charity's objectives.

c. Financial risk management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

Company law requires the Trustees to prepare financial statements for each financial . Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses.
