#### Structure, governance and management

The Friends of Maaseh Tsedokoh is a charitable trust constituted by a Deed of Trust dated 31 January 1996 and is a registered charity, number 1060090.

Both trustees have held office since the Trust was established. A new trustee would receive copies of the previous years' Annual Report and Accounts and a copy of the Charity Commission leaflet 'The Essential Trustee : What you need to know'.

#### Objectives and activities

The objectives of the charity are to benefit charitable purposes and charitable institutions, and in particular to support and further the objects of the Registered Charity in Israel, known as "Maase Tsedokoh", a charity set up for the relief of poverty.

The policy of the charity continues to be to seek donations from companies and individuals to be transferred to the above charity. The trustees meet regularly to consider such issues as grant making and reserves and to review feedback.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

#### Grant Making Policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

## **Trustees' Annual Report** *(continued)*

**Year ended 31 March 2024**

---

### **Achievements and performance**

During the year the charity made grants totalling £169,000 to institutions in accordance with its objects.

### **Financial review**

As at 31 March 2024 The charity held free reserves of (£30,032) (2023: -£37,498).

### **Risk Management**

The trustees regularly review any risks the charity faces and maintain a cash reserve at a level sufficient to meet short-term adverse conditions. The charity has borrowed monies to enable the charity to continue to make grants (see note 17 to the accounts).

The trustees' annual report was approved on 21 January 2025 and signed on behalf of the board of trustees by:

## **Independent Examiner's Report to the Trustees of The Friends of Maase Tsedokoh**

**Year ended 31 March 2024**

---

I report to the trustees on my examination of the financial statements of The Friends of Maase Tsedokoh ('the charity') for the year ended 31 March 2024.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

### 3. Accounting policies *(continued)*

#### Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure.

Charitable activities are made up of grants to individuals.

Expenditure also includes any VAT which cannot be fully recovered and is reported as part of the expenditure to which it relates.

Governance costs are included on an accruals basis and are recognised when there is a legal or constructive obligation to pay for expenditure.

#### Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.
