## Trustees' Annual Report for the period

From **1<sup>st</sup> October 2024** To **30<sup>th</sup> September 2025**

Charity name: **Tech4all**

Charity registration number: **1054041**

### Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<b>Relief of poverty in any manner which is charitable according to the laws of England and Wales, including (but not limited to) through the use of technology</b>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<b>Tech4all currently runs the Innovation for All Award, an open annual competition for projects that use technology to reduce poverty. This is operated in partnership with the Worshipful Company of Engineers. In addition to a cash award to the winner or winners, Tech4all also provides mentoring support and can consider follow-on contributions. Alongside this, Tech4all is partnering with the charity Centre for Global Equality (CGE) to identify and support projects that use technology to reduce poverty.</b>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<b>The Trustees have had regard to the guidance issued by the Charity Commission on public benefit</b>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<b>Recent winners of the Innovation for All Award include the Chimneys for Africa project, which is successfully tackling smoke pollution, a major form of health poverty, in the Massai communities, and having a profound social impact on the culture by bringing men and women together. Another recent winner is working on a project to allow farmers in low-income communities to bring fresh produce to market using small, portable refrigerated units operated by solar power. Meanwhile the collaboration with the CGE has allowed masters students at a leading UK university to develop a project to reduce transport poverty in the UK through intensified use of shared vehicles.</b>

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Past achievements include the Voicemail for the Homeless service, which benefited over 2,000 UK homeless users through improved access to support networks and was recognised in a Dragon Award from the City of London; sponsoring programmes to establish small-scale local workshops using adaptive manufacturing technology in Kenya, linked with local schools, which have helped to lift the participants and their communities out of poverty. The project to reduce transport poverty for low-income users demonstrated theoretical potential for poverty reduction but had to be abandoned when our partner withdrew from the project during Covid.</b></p> <p><b>Currently being organised for 2023 and beyond: A new competition with the Worshipful Company of Engineers (WCE), aiming to identify innovations that can reduce poverty.</b></p>

### Additional information (optional)
