AYLESBURY WOMEN'S AID (A company limited by Guarantee)**DIRECTORS' REPORT and REPORT of the TRUSTEES (continued)**

CONSTITUTION AND PRINCIPAL ACTIVITIES

The company is limited by guarantee. The directors of the charitable company are its trustees for the purpose of the Charity Law. The company was incorporated and registered as a charity to take over the operations, assets and liabilities of the charity Aylesbury Women's Aid. The company's principal activities are to provide places of refuge, advice, support and advocacy for women and their children who are the victims of domestic violence and abuse, and to provide or assist in the provision of such medical, legal and other assistance as may be required.

GOVERNING DOCUMENT

Aylesbury Women's Aid is a company limited by guarantee, registration number 3155260, Charity number 1054308. The charity is governed by its Memorandum and Articles of Association dated 5th February 1996, as amended 1st October 2014.

The financial statements have been prepared in accordance with the Companies Act 2006; the Charities Acts 1993 and 2011, and Regulations; the company's Memorandum and Articles of Association and the Statement of Recommended Practice, Accounting and Reporting by Charities SORP FRS 102.

TRUSTEES

The board is made up of trustees who meet on a monthly basis. Trustees are drawn from a wide variety of backgrounds and we seek to recruit to the role those with a women centred perspective that have something positive to offer the service.

REVIEW OF ACTIVITIES

The Trustees have referred to the Charity Commission's Guidance on public benefit when reviewing the aims and objectives of the charity, and planning future activities. These aims and objectives are working towards and promoting the protection of women and children who have suffered from, or are exposed to, gender based violence by offering safe, temporary and emergency accommodation, as well as practical and emotional support within the refuge and through outreach in the local community. This is achieved using an equal opportunities approach incorporated in a women centred philosophy.

Our Aims:

- to meet the needs of women, young people and children affected by domestic violence
- to empower women who have been affected by domestic violence

Cont on page 4

AYLESBURY WOMEN'S AID (A company limited by Guarantee)**DIRECTORS' REPORT and REPORT of the TRUSTEES (continued)**

- to provide services run by women that are based on listening to survivors
- to make appropriate information available to those in need in an accessible way
- to encourage and enable women to make their own choices and support them in doing so
- to encourage women to take an active role in the development and management of their own projects
- to encourage self-help and to celebrate the success of each individual
- to challenge discrimination, prejudice and the disadvantages which result from domestic violence
- to support diversity, inclusion and equality of opportunity
- to promote cohesive inter-agency responses to domestic violence and develop partnerships
- to promote and provide research, public education and training on the prevention of violence and abuse

Services

Due to the COVID-19 pandemic, services were operating on a restricted basis, this meant that the refuge was unable to accommodate as many families as in previous years due to the refuges being shared accommodation. Staff were initially working from home at the beginning of the financial year however it was quickly decided that some staff needed to be on-site at the refuge. Outreach Services were able to operate almost at the same level as normal whilst working from home as they were using remote contact with clients.

In the year 1st April 2020 – 31st March 2021 38 women and 48 children were accommodated in the refuge. This year the figures were lower than previous years due to the pandemic and the unavailability of rooms as we needed to be cautious when taking new residents in because the buildings are shared accommodation. The average length of stay was 4.2 months, again due to the pandemic residents were not able to access move on accommodation which meant that they stayed longer at the refuge. Aylesbury Women's Aid found refuge in other areas for 23 families either because there was not space available but usually because they were not safe in Aylesbury. This figure is once again lower than previous years due to increased contact from agencies (e.g. Housing, Social Care) requesting direct contact numbers for refuges outside the Aylesbury Vale. This has resulted in a lower number of Space found full referrals.

73 families from other areas were refused refuge space in the refuge due to there being no availability. This figure is slightly lower than the previous year. We believe that although external services, such as Social Care and the Police do not have access to Routes to Support which is a live database of refuge spaces across the UK

cont on page 5

AYLESBURY WOMEN'S AID (A company limited by Guarantee)

DIRECTORS' REPORT and REPORT of the TRUSTEES (continued)

which can only be accessed by Domestic Violence Services, referrals were not made by those that do have access as they would have seen whether there was space available. 7 women were refused space due to their high needs and the lack of resources to support them.

Children who were resident in the refuge with their mothers or female carers received specialist interventions to allow them to work through their experience of domestic violence and abuse. The child development worker engaged the children in specialist play in structured groups, and in one-to-one sessions, monitoring their reactions, development and behaviour. Support was also available to access school and nursery places.

In the year ending 31st March 2021 the service was made available to 48 children. Aylesbury Women's Aid were rated by OFSTED as good in 2016.

Specialist groups using the WAFE national 'Helping Hands' model were provided for children ages 5 – 11 years who had witnessed or experienced domestic violence and abuse. The programme aims to increase children's understanding of feeling safe and to explore and promote behaviour which will contribute to a safe environment. During the year, and due to schools being closed or not allowing external visitors there were only 7 programmes run in primary schools. 39 children attended these.

Aylesbury Women's Aid were unable to provide awareness raising around healthy relationships to young people in the community and in schools as a result of the pandemic meaning that no workshops and programmes around this were available. The youth service however provided one to one work with 39 young people aged between 11 and 18 around issues of living with domestic violence or being in an abusive relationship. This work lasted for an average of six sessions per young person.

The emergency Out of Hours service that covers the whole of Buckinghamshire received 134 calls. The majority of calls were around support issues in the refuge and women seeking accommodation and/or advice.

During the last year 201 women used the Outreach service, the average length of time that a woman uses the Outreach service is 17.5 weeks. 62 women used the counselling service. The weekly Bucks dynamic Multi Agency Risk Assessment Conference (MARAC) was held remotely during the pandemic rather than in the large meeting room on site which is also used for training and awareness raising sessions.

The Independent Domestic Violence Advisors (IDVA) service saw an increase in the amount of clients to the previous year – 250 women and 10 men. An IDVA works from the DAIU (Domestic Abuse Investigation Unit) on a daily basis to enable swifter

Cont on page 6

AYLESBURY WOMEN'S AID (A company limited by Guarantee)

DIRECTORS' REPORT and REPORT of the TRUSTEES (continued)

intervention and referrals to the IDVA service. Due to this work the IDVA at the police station was able to offer support to a further 338 people who declined to be referred to the service as they felt that the support that they had received from the worker at the police station was sufficient. The support offered to IDVA clients that engage with Aylesbury Women's Aid IDVA service included telephone and face to face support and advocacy including supporting clients in family and criminal courts.

Due to the pandemic The Freedom Programme (a programme to help women understand their experiences of domestic violence) was not run in group settings however women were referred to the online version if they wanted to partake in the programme.

64% of all clients were white British with the remaining 36% coming from a wide variety of ethnicities.

All staff members undertook various online training throughout the year including Prevent, GDPR, Fire Awareness and Emergency First Aid at Work.

At the end of March 2018 the three year contract held by Aylesbury Women's Aid in collaboration with Wycombe Women's Aid, for domestic violence services in Buckinghamshire was completed and we were awarded an additional 2 years to this contract. The third year of a contract with Aylesbury Vale District Council for Outreach Work was carried out successfully and we were informed that funding for this had been extended until March 2022. Funding from the Lloyds Foundation for a three year period entered it's final year in July however this was extended to December 2020.

Funding was sought from a number of organisations offering financial support during the pandemic to cover loss of income as well as purchasing items to safeguard staff and clients against COVID. We were extremely fortunate to have been awarded these grants.

Financial Risk Management

These will primarily be achieved through nine types of activity:

- Business and Development Planning
- Establishing an annual budget – and reporting and monitoring income and expenditure
- Maintaining a Risk Register that covers financial and other risks

Cont on page 7

AYLESBURY WOMEN'S AID (A company limited by Guarantee)

DIRECTORS' REPORT and REPORT of the TRUSTEES (continued)

- A system of delegated authorities regarding financial management
- The process of an independent examination of the annual accounts and an audit when necessary
- Processes relating to risk assessment of financial matters
- Established office procedures
- A reserves policy
- Statement of Investment Powers

Risk assessment will be managed and monitored on three levels:

- Areas of financial risk which are known to the organisation and measures to address these will be presented to the Management Group annually. If any Management Group member feels that there is a pressing risk posed by one of the areas, she should request that that area appear on the agenda regularly until the risk subsides
- Any unforeseen areas of financial risk emerging, or any circumstances arising unexpectedly and presenting a potential risk to the Organisation, will be immediately reported to the Management Group as soon as the Head of Services or any Management Group member becomes aware of them. An example of this would be a grant being discontinued. Where this occurs a paper will be presented to the Management Group clearly setting out the details.
- Equally, where an unplanned, unforeseen service development opportunity arises because funding has been made available, this should be brought immediately to the attention of the Management Group.
- A Business Continuity Management Policy, procedure and guidelines are in place to cover loss of use of buildings and long term sickness of members of staff.

TRANSACTIONS AND FINANCIAL POSITION

There were total incoming resources of £933,402 (2020 : £859,823).
However the funding included £251,320 to be paid to our sub-contract colleagues at Wycombe Women's Aid.
Expenditure by ourselves on restricted activities was £405,637 (2020 : £414,342).
Direct charitable costs were £180,441 (2020 : £174,414).

Funds in hand as at 31st March 2021 stood at:

General Funds £312,397 (2020 : £277,145).

Restricted Funds £178,152 (2020 : £117,400).

RESERVES POLICY

The directors have established a policy whereby the unrestricted funds ("the free reserves") held by the company should be approximately 3-6 months of essential resources expended, which equates to £45,000 to £90,000. The unrestricted reserves at 31st March 2021 were more than this (see above), which the directors consider very satisfactory.

GOING CONCERN

The Directors are of the opinion that the company remains a Going Concern. The fact that there are Risks has been highlighted, and the company does receive significant government grants. However, the Directors are of the opinion that in the event that local authority funding may cease, the Refuges will continue to function, and the company will be able to continue to meet its objectives, and remain a Going Concern.

INVESTMENT POWERS

Under the memorandum and Articles of Association the company has the power to make any investment, which the directors feel fit.

SMALL COMPANY EXEMPTIONS

The above report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

Signed on behalf of the board of directors.

**CHARTERED ACCOUNTANT'S REPORT to the BOARD of DIRECTORS
On the Unaudited Financial Statements of
AYLESBURY WOMEN'S AID**

In order to assist you to fulfil your duties under the Companies Act 2006, I have prepared for your approval the financial statements of Aylesbury Women's Aid for the year ended 31st March 2021 which comprise the Income Statement, Balance Sheet and the related notes from the company's accounting records and from information and explanations you have given me. I have also carried out an Examination of the books and records and transactions of the charity.

As a practising member of the Institute of Chartered Accountants in England and Wales (ICAEW), I am subject to its ethical and other professional requirements which are detailed within the ICAEW's regulations and guidance at <http://www.icaew.com/en/membership/regulations-standards-and-guidance>.

This report is made solely to the Board of Directors of Aylesbury Women's Aid as a body, in accordance with my terms of engagement. My work has been undertaken solely to prepare for your approval the financial statements of Aylesbury Women's Aid and state those matters that I have agreed to state to the Board of Directors of Aylesbury Women's Aid as a body, in this report in accordance with ICAEW Technical Release 07/16AAF. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than Aylesbury Women's Aid Board of Directors, as a body, for my work or for this report.

It is your duty to ensure that Aylesbury Women's Aid has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of Aylesbury Women's Aid. You consider that Aylesbury Women's Aid is exempt from the statutory audit requirement for the year.

I have not been instructed to carry out an audit. For this reason my Report is abbreviated. I have examined the accuracy and completeness of the accounting records and information provided to me. I have also checked the accounting information and standing data in the Directors/Trustees Report is consistent with the financial statements, and records at Companies House and the Charity Commission, but I do not, however, express any opinion on the statutory financial statements.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED
31ST MARCH 2021**

1. ACCOUNTING POLICIES

Accounting convention

The financial statements are prepared under the Historical Cost Convention and in accordance with the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP FRS102). The principal accounting policies adopted in the preparation of the financial statements are as follows:

(a) Going Concern

The financial statements are prepared on the basis that the company is a Going concern. The Directors know of no present threat to this status. A Budget has been prepared to March 2022 which shows projected income should equal projected expenditure.

(b) Incoming resources

Incoming resources are mainly Grants, or Refuge Rent Income and relate wholly to the continuing principal activity in the United Kingdom.

Grants are recognised in full in the Statement of Financial Activities in the year in respect of which the company is entitled to them, and they match with the expenditure they contribute towards.

Other income is recognised on an accruals basis or in the case of the limited number of sales, on the date of sale and invoicing.

Donations are credited to the unrestricted funds when received or the receipt is without doubt.

(c) Reserves

The unrestricted funds are expendable at the discretion of the trustees in the furtherance of the objects of the charity.

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

1. ACCOUNTING POLICIES (continued)

(d) Resources expended

Resources expended are included in the statement of Financial Activities on an accruals basis. Certain expenditure is directly attributable to restricted activities and has been included in those cost categories.

(e) Tangible fixed assets and depreciation

Fixed assets are recorded at cost, less depreciation. Depreciation is provided at rates calculated to write off the cost, less estimated residual value over the expected useful life of each asset as follows:

Freehold Buildings	50 years straight line
Motor vehicles	25% straight line basis
Office equipment	25% straight line basis

Grants or donations specifically for the purchase of fixed assets are credited to the restricted fund reserve when received or the receipt is without doubt. Any depreciation is charged against the restricted fund.
