Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The relief of poverty and sickness (whether physical or mental), the advancement of education and the preservation of good health, primarily but not exclusively amongst those persons residing in and around the village of Mettupalayam and the District of Chengalpattu, South India

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Financing and supporting the provision of primary school education, with open access to all children living in our catchment areas. We particularly encourage children from tribal communities who are not generally encouraged into the state education system.

Provision of bursaries to enable disadvantaged pupils to continue to higher education. This includes both tribal children and those whose parents cannot afford school expenses.

Initiating, organising and supporting primarily women's self-help groups for social and economic development.

Promoting healthcare through education, facilitation and the organisation of health camps and providing financial support to individuals for medical purposes. This is particularly aimed at illiterate and/or socially disadvantaged villagers and tribal communities.

Supporting, organising and facilitating disability services including help to gain access to Government grants, pensions and entitlements.

Providing services to the elderly, including a daily food programme and clothing provision.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

We are entirely run by volunteers and all UK expenses are covered by Trustees' donations, so that every penny donated is received in India.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Provision of a high standard of primary school education to around 88 children at the Crakehall School at Mettupalayam and 25 children at the Nambikki School at Palayanadukuppam. An increasing number of the children at Mettupalayam are from the local Tribal community. Five years ago only 20% of these children attended school – this has now increased to 90%. We continue to support three of our former pupils from the Tribal community who have successfully gained entry to Further Education Colleges to study Engineering and Arts degrees.

High standard of nutritional school meals, provided daily, using local produce, some grown on our own farm employing local labour.

Ongoing support for healthcare and the disabled, working with a local doctor, local Lions and Rotary clubs to supply weekly health clinics, eye clinics and the provision of therapy and wheelchairs for local disabled people.

Continued support to women's groups to promote small business development and to local farmer by gaining preferential loans.

Support for health and nutrition to people from neighbouring villages.

Ongoing support for the elderly, including mid-day meals, healthcare and clothing.

Section E

Financial review

Brief statement of the charity's policy on reserves

We do not plan to build up reserves of funds in the UK as we wish to expedite the use of all donations excepting that, from time to time, we do build up funds for planned capital expenditure, and also keep a general reserve to meet fluctuations in both the level of donations and also the level of running costs. We have no specially allocated reserves.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We target regular monthly donations of between $\frac{1}{2}$ and $\frac{2}{3}$ of the total monthly running costs at any one time. The majority of funding comes from personal donors with a small percentage from UK schools.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records

I have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
