BULGARIAN SUPPORT FUND

Trustees' Report for the year ended 30th April 2025

Structure, Governance and Management

The Bulgarian Support Fund was established on the 14th day of April 1996 by Declaration of Trust, and is registered with the Charity Commissioners. The continuing Trustees have the power of appointment of Trustees when vacancies arise, and under the terms of the Trust Deed there is to be a minimum of three Trustees at any one time. The Trustees currently serving are as listed in the Trust's Financial Statements. All the Trustees are fully conversant with the aims and modus operandi of the Trust, and consequently no induction has been undertaken. The Trustees meet annually to review the activities of the Trust and its accounts, and to approve grants, as well as determining the policy of the Trust, and confer regularly during the year. There were no policy changes during the year under review. The Trustees undertake the management of the Trust. During the year, the Chairman Allan Simmons resigned due to ill-health, and Benjamin Griffiths was elected Chairman.

Objects

The objects of the Trust are to hold the Trust fund and its income upon trust to apply them for the relief of poverty and protection of health among the children of Bulgaria, but without limiting the generality of the foregoing by providing support to orphanages, and to advance the Christian religion by establishing and maintaining a church. The Trustees have given due regard to the guidance on Public Benefit provided by the Charity Commission, and are satisfied that the aims of the Charity are for the Public Benefit and that such benefit has been achieved through the grants made during the year.

Activities

Grants have been made during the year towards the cost of repairs to the church building, electricity, technical equipment, a piano, and transport. Grants have been made for supplying food for the soup kitchen/restaurant area on the ground floor of the building which has been fully fitted out with appropriate food storage, cooking and preparation equipment, and is in regular use with properly trained staff providing food for the poor and the elderly. The building is also being used for regular church services, children and young people's work, and cultural events, lectures, classes and health clinics.

Grants have also been made towards refugee relief, towards seminars and help for foster care families, for teenage camps, for training of ministers, and for mission work to students.

Risk Assessment

The Trustees periodically review the risks to which the Trust is subject and have taken all necessary steps to mitigate the risks identified.

Financial Review

Donations and other funds received amounted to £32,343 during the year (2023-2- £31,970). Grants made during the year amounted to £30,000 (2023-24 - £40,000), leaving undistributed funds on the general account of £92,151 at the end of the year.

Restricted Fund

This represents donations received specifically for support of care homes and foster care for children. No such donations were received during the year.

Investment policy

The trustees' policy is to retain funds on deposit account so as to have them available for needs as they arise.

Statement of Trustees' responsibilities

The Trustees are required under the Charities Act 2006 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- * select suitable accounting policies and then apply them consistently;
- * make judgments and estimates that are reasonable and prudent;
- * state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements;
- * prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, and signed on their behalf.

BULGARIAN SUPPORT FUND

Trustees' Report for the year ended 30th April 2022

Structure, Governance and Management

The Bulgarian Support Fund was established on the 14th day of April 1996 by Declaration of Trust, and is registered with the Charity Commissioners. The continuing Trustees have the power of appointment of Trustees when vacancies arise, and under the terms of the Trust Deed there is to be a minimum of three Trustees at any one time. The Trustees currently serving are as listed in the Trust's Financial Statements. All the Trustees are fully conversant with the aims and modus operandi of the Trust, and consequently no induction has been undertaken. The Trustees meet annually to review the activities of the Trust and its accounts, and to approve grants, as well as determining the policy of the Trust, and confer regularly during the year. There were no policy changes during the year under review. The Trustees undertake the management of the Trust.

Objects

The objects of the Trust are to hold the Trust fund and its income upon trust to apply them for the relief of poverty and protection of health among the children of Bulgaria, but without limiting the generality of the foregoing by providing support to orphanages, and to advance the Christian religion by establishing and maintaining a church. The Trustees have given due regard to the guidance on Public Benefit provided by the Charity Commission, and are satisfied that the aims of the Charity are for the Public Benefit and that such benefit has been achieved through the grants made during the year.

Activities

Grants have been made during the year towards the cost of improvements to the church building, including audio and video equipment, and replacement of the heating and cooling systems.. Contributions have been made towards the cost of food for the soup kitchen/restaurant area on the ground floor of the building which has been fully fitted out with appropriate food storage, cooking and preparation equipment, and is in regular use with properly trained staff providing food for the poor and the elderly. The building is also being used for regular church services, children and young people's work, and cultural events, lectures, classes and health clinics.

Grants have also been made towards refugee relief, towards seminars and help for foster care families, and for mission work to students.

Risk Assessment

The Trustees periodically review the risks to which the Trust is subject and have taken all necessary steps to mitigate the risks identified.

Financial Review

Donations and other funds received amounted to £86,847 during the year (2020/21- £24,522). Grants made during the year amounted to £55,000 (2020/21 - £11,000), leaving undistributed funds on the general account of £77,428 at the end of the year.

Restricted Fund

This represents donations received specifically for support of care homes and foster care for children.

Investment policy

The trustees' policy is to retain funds on deposit account so as to have them available for needs as they arise.

Statement of Trustees' responsibilities

The Trustees are required under the Charities Act 2006 to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payments basis). In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- * select suitable accounting policies and then apply them consistently;
- * make judgments and estimates that are reasonable and prudent;
- * state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements;
- * prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to ensure that the financial statements comply with applicable law and regulations. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the Trustees, and signed on their behalf.
