THE CHARLTON BEQUEST AND DISPENSARY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their annual report and financial statements of the charity for the year ended 31 March 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities Act 2011, the second edition of the Charities Statement of Recommended Practice issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

PURPOSES AND AIMS

The objects of the Charity are the provision of accommodation for letting to poor and sick persons and to apply income of the Charity applicable for relief in relieving sick and needy persons resident in the area of the former County Borough of Tynemouth.

ENSURING OUR WORK DELIVERS OUR AIMS

We review our aims, objectives and activities each year. This review looks at what we have achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits that they have brought to those groups of people we are set up to help.

The review also helps us to ensure that our aims, objectives and activities have remained focussed on our stated purposes. We have referred to guidance contained in the Charity's Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

THE FOCUS OF OUR WORK

Our main objectives for the year continued to be to provide accommodation to the sick and needy. The strategies we used to meet these objectives included:

- Providing apartments to the sick, needy and elderly.
- Providing or paying for items, services or facilities that alleviate the suffering of the sick, needy and elderly.

HOW OUR ACTIVITIES DELIVER PUBLIC BENEFIT

Our main activities and who we try to help are described below. All our charitable objectives focus on helping the sick and elderly and are undertaken to further our charitable purposes for the public benefit.

WHO USED AND BENEFITED FROM OUR SERVICES?

There have been no changes in the Charity's objects or policies during the year. The Charity attempts to achieve its objectives by means of providing accommodation in the form of two large properties divided into apartments. The Trustees also listen sympathetically to requests for help from sick and needy persons.

ACHIEVEMENT AND PERFORMANCE

As a result of continuing investment the Charity's two properties are extremely well presented and provide very comfortable accommodation for their tenants after considerable upgrading over the last 10 years. The properties continue to achieve extremely high levels of occupancy.

THE CHARLTON BEQUEST AND DISPENSARY TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

ACHIEVEMENT AND PERFORMANCE (CONTINUED)

Funding is provided from the Charity's own resources. The properties were valued at 14 June 2023 at £1,535,000 (up from £1,280,000) and the Trustees have recognised this valuation in the 2023 financial statements. The Trustees consider that the valuation remains appropriate for the 2024 financial statements.

The Trust will continue to consider and make Grants available to the sick and needy in 2024/25 in accordance with the terms of the Trust Deed.

The Trustees completed an extensive ongoing refurbishment of the Trust properties and had the revaluation when the work was completed.

PRINCIPAL FUNDING SOURCES

The Charity continues to be self-funding and does not rely on funding from external sources.

The value of investments increased from £714,738 to £775,713 over the year. Around 14% of investments are held in Fixed Interest Securities and dated stock as well as all of the investments treated as Restricted Funds which increased by £64,362 to £593,167.

All cash belonging to the Charity and not needed for immediate working capital purposes is invested under the power of the Trustees.

RESERVES POLICY AND GOING CONCERN

The Trustees ensure that there are sufficient reserves to meet the working capital and cash flow requirements of the Charity.

PLANS FOR FUTURE YEARS

The Charity's future plan is to continue to maintain its properties to a standard that they provide first class accommodation. The Trust will continue in appropriate cases to award grants to the sick and needy.

STRUCTURE, GOVERNANCE AND MANAGEMENT

GOVERNING DOCUMENT

The Charity's objects and regulations are regulated by a revised Trust Deed dated 21 October 1994 and under that Deed is constituted as an unincorporated association. The original Deed was dated 13 August 1957.

RECRUITMENT AND APPOINTMENT OF TRUSTEES

There are eight Trustees constituting the body of the Trust. Each Trustee is appointed for a five year term and subject to re-appointment after that time. The Trust endeavours to hold four meetings a year. Contact and consultation with Trustees has been maintained by telephone and email to ensure that they are involved in decision making and kept informed of Trust matters. Three Trustees constitute a quorum. Declaration and willingness to act as a Trustee are signed in the minute book. Most traditional skills (business, financial, educational and management) are represented on the Board. Efforts are made to recruit Trustees who possess the skills which the organisation requires and membership is kept under review by the Board.

TRUSTEE INDUCTION AND TRAINING

Most Board members are already familiar with the practical work of the charity having received a members' handbook and an opportunity to spend time in the organisation.

The induction and training process for new Board members covers:

- the obligations of the Trustees
- the main documents which set out the operational framework for the charity
- resourcing and the current financial position
- future plans and objectives

The two properties owned by the Trust are run as Almshouses. They are operated by the Trustees under the Standards of Almshouses Management which is a guide to good practice for Trustees and Clerks to Trustees of Almshouse Charities. All Trustees have a copy of this guide and are also taught by precept and example. Regular welfare visits to residents are in force.

ORGANISATION

The Charlton Bequest and Dispensary Trust is managed by a Board of Trustees which meet at least 4 times a year. They are legally responsible for the organisation and for the strategic direction of the organisation. Under the direction and supervision of the Chairman individual Trustees are delegated tasks and responsibilities and this ensures a smooth day to day running of the organisation. The Chairman, I Hay, is responsible for the day to day management of the Charity.

RELATED PARTIES

Nichol Goodwill Brown Ltd provide accountancy and administrative services to the Trust. D Nichol, Honorary Treasurer of the Trust, is a director of that company.

RISK MANAGEMENT

The Trustees have conducted a review of the major risks to which the organisation is exposed. This assessment of risk is reviewed and updated annually. Where appropriate, systems and procedures have been established to mitigate risks. External risks are limited by means of a cautious investment policy and the use of Brewin Dolphin as investment advisors. Internal control risks are minimised by the implementation of robust policies and procedures which safeguard the resources and reputation of the organisation.

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing a Trustees Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Charity Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the Charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make sound judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Constitution. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- The Charlton Bequest and Dispensary Trust is operating efficiently and effectively;
- All assets are safeguarded against unauthorised use or disposition and are properly applied;
- Proper accounting records are maintained, and financial information used within The Charlton Bequest and Dispensary Trust is reliable; and
- The Charlton Bequest and Dispensary Trust complies with relevant laws and regulations.

THE CHARLTON BEQUEST AND DISPENSARY TRUST

REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE CHARLTON BEQUEST AND DISPENSARY TRUST

I report on the financial statements for the year ended 31 March 2024 which are set out on pages 8 to 14.

Respective responsibilities of the Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the financial statements. The Charity's Trustees consider that an audit is not required for this year under Section 144 (2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charities Commission under section 145(5) (b) of the 2011 Act, and:
- state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Trust and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and the seeking of explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and, consequently no opinion is given as to whether the financial statements present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
 - a) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) to prepare financial statements which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met, or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

THE CHARLTON BEQUEST AND DISPENSARY TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. ACCOUNTING POLICIES

1.1 Basis of Preparation

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of fixed assets, with items recognised at cost or transaction value unless otherwise stated in the relevant notes to the financial statements. The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

1.2 Preparation of the Financial Statements on a Going Concern Basis

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern. There are no significant judgements or key sources of estimation uncertainty that affect the financial statements.

1.3 Cash Flow Statement

The Trustees have taken advantage of the exemption from including a cash flow statement in the financial statements on the grounds that the charity is small.

1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

- Donations and grants are recognised when the charity has been notified in writing of both the amount and the settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within control of the charity and it is probable that those conditions will be fulfilled in the reporting period.
- Investment income is included when receivable.
- Incoming resources from charitable activities are accounted for when receivable.
- Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

1.5 Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on charitable activities includes the costs of performances, events and other activities undertaken to further the purpose of the charity and their associated support costs.
- Governance costs includes those costs associated with meeting the constitutional and statutory requirements of the charity and include the independent examination fees and costs linked to the strategic management of the Charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

THE CHARLTON BEQUEST AND DISPENSARY TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024 (continued)

1. ACCOUNTING POLICIES (continued)

1.6 Support Costs

Support costs are those functions that assist in the work of the charity but do not directly undertake charitable activities. Support costs include office costs, finance and governance costs which support the charity's activities. These costs have been included within expenditure on charitable activities.

1.7 Fund Accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general Objectives of the Charity and are funds which have not been designated for other purposes.

Restricted funds are to be used in accordance with specific restrictions imposed by their donors.

1.8 Tangible Fixed Assets

Individual fixed assets are capitalised at cost, where acquired, or fair value as determined by the Trustees and are depreciated over their estimated useful economic lives.

1.9 Listed Investments

Listed investments are shown at market value.

1.10 Fixed Asset Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation throughout the year.

1.11 Debtors

Prepayments are valued at the amount prepaid net of any trade discounts due. Accrued income is recognised at the settlement amount due after any trade discount offered.

1.12 Cash at bank and in hand

Cash at bank and in hand comprises a bank current account and a small petty cash balance.

1.13 Creditors and Provisions

Creditors are recognised where the charity has a present obligation as a result of a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

1.14 Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement date, with the exception of fixed asset investments which are subsequently measured at their fair value as at the balance sheet date using the closing quoted market price.
