The fundraising activities undertaken included:

- Christmas Cards
- Christmas Fair
- Christmas Raffle
- School Lottery
- Disco
- Summer Fair
- Quiz Night
- Second Hand Uniform Sales
- Fun Run
- 60th Anniversary Ball

Achievements and Performance

2024-25 was another fantastic year with over £59k additional funds raised for the school, these funds will be released to the school in support of the outdoor transformation project.

Money was also provided for each class to enrich their learning. This included the provision of history workshops, an author visit and a mobile farm visit.

Financial Review

Reserves

The Committee has considered the level of reserves required by the charity. As the overheads and contractual liabilities at any one time are minimal, it is the Committee's opinion that the charity should hold unrestricted reserves of £5,000. As the Association has no certainty of income, but relies entirely on income from events held during the year and donations, the Committee will only commit the Association to expenditure if sufficient funds are held. Year end reserves of £64,100, less £6,798 committed funds (2024: £20,008) were not considered excessive, as the Committee anticipates supporting expenditure in the coming school year.

Fund Allocation

No funds held have been designated by the Committee, and neither was any funds held in deficit either during the year, nor at the Balance Sheet Date.

Approved by the Committee on 11th November 2025 and signed on their behalf by

3.	<p>Chairperson’s Report for the year</p> <p>Introduction</p> <p>This past year has seen the Committee truly settle into the groove. We’ve learned a lot, listened more, reflected more, and worked to strike the right balance between our activities, fundraising efforts, and how we influence the use of the funds raised. It’s been a year of growth, learning, and a real sense of momentum across the FoWE community.</p> <p>Autumn Term Highlights</p> <p>November was as busy as ever, with a flurry of FoWE and school activity. While each event was successful in its own right, we also recognised signs of community fatigue, a learning we’ve carried into this year to help keep engagement high without overloading families.</p> <ul style="list-style-type: none"> • Year 4 Disco: Another fantastic event, last year’s new allergy management system was a great trial but hard work, meaning we tested a new way this year, that whilst it worked, can be refined further; proof of how we’re learning and improving with every event. • Festive Friday: Year 1 kicked off the Christmas season in record-breaking style. Increased games, reduced queues, and a brilliant selection of treats and handmade crafts drove incredible turnout and fundraising. Elfridges: While smaller, remains a much-loved tradition for the children. • Christmas Cards, Mugs & Tea Towels (Year 6): Still a meaningful event. We’ve tweaked timelines this year to make it easier on volunteers and ensure smoother delivery. • Christmas Jumper Day: This was purposefully non-fundraising, focusing instead on school spirit and festive fun—a decision we’ll continue this year. <p>Spring Term Activities</p>

	<ul style="list-style-type: none"> • Parents’ Pub Quiz: A sell-out once again, hosted brilliantly by Mr. Matteus and his team. It’s become a firm favourite on the calendar. • World Book Day: Now in its second year, it brought great excitement especially for KS1. However, given the heavy workload and modest returns, we’ve agreed not to repeat it this year. • Break the Rules Day: A lively and well-loved close to the term, as always! <p>Summer Term Events</p> <ul style="list-style-type: none"> • Fun Run (Year 2): A brave and successful refresh swapping colour for foam! Despite cooler weather, the children loved the new twist, and it’s great to see events getting a fresh feel. • Scoot to School: Once again led by Kate, this event remains a fun and easy way to promote active travel. We noticed that without a specific fundraising goal this year, donations dropped, a helpful insight for future planning. • Summer Fair: The showstopper of the year! Despite clashing with the rescheduled Harpenden Carnival, Year 3’s team delivered another brilliant event, with new attractions like live music, drums, and the ever-popular slushie machine adding a real festival feel. • New Starter Meetings: FoWE, represented by Vix and supported by Hollie, provided refreshments and a warm welcome to new families, an important touchpoint for encouraging involvement early on. <p>Ongoing and New Initiatives</p> <ul style="list-style-type: none"> • Sensory Garden: Despite Hollie’s passion and best efforts we have acknowledged the difficulty in renovating this space purely on the power of volunteers. It’s agreed that school will support the renovation of the space using FoWE funds, with FoWE hoping to then take on the finishing, personal touches and maintenance. The new Paint a Pebble event was a beautiful, free, inclusive way to bring families together. • Second-Hand Uniform Sales: Strong as ever, now including costumes for themed school events, a sustainable and inclusive addition. • Sports Day Refreshments: Once again, we balanced volunteering and spectating perfectly, ensuring all parents could enjoy the day. <p>Tools, Systems and Learnings</p> <ul style="list-style-type: none"> • Silicone FoWE: Now well established, with high engagement across the school. It’s proving invaluable for communication and reminders, and we’re exploring ways to extend its use, potentially beyond Wood End. • SignUpGenie & PTA Events Platform: Both systems serve us well but have limitations. We’ll continue exploring ways to streamline and integrate these, possibly through Silicone FoWE. <p>Team Reflections and Thanks</p> <p>This year, we truly hit our stride as a team. It’s been a genuine pleasure to work alongside such dedicated, thoughtful, and collaborative people. On behalf of all of us, and to all of us, a heartfelt thank you for your commitment, creativity, and community spirit.</p> <p>A special note of thanks to Hollie, who steps down tonight. Your energy, warmth, and contributions, especially to the sensory garden and the fabulous October ball, have left a lasting mark. You’ll be greatly missed.</p>

1.	<p>Apologies for Absence</p> <p>Please see list above.</p>
2.	<p>Review of Minutes of previous AGM held on 9th November 2023 - Reviewed and approved.</p>
3.	<p>Chairperson's Report for the year</p> <p>A review of the events and achievements of this academic year from the last AGM on 9th November 2023 up to today.</p> <p>Our new committee took over from the excellent team headed up by Kirsty with big shoes to fill and reflecting back it has been another successful year.</p> <p>We kick started our tenure with an excellent Festive Friday organised by co communications Vix Felgate, despite being a very cold evening delivered £2,133 profit. Elfridges continues to be a huge hit especially with the pre organisation of gift bags instead of wrapping and a clear one-way system, with the additional fun of face glitter and crafting adding further magic to a popular event.</p> <p>The annual Christmas cards remain a huge hit among the children and parents raising £1,364 In the New year January saw the ever popular Break the Rules Day bringing in £880.</p> <p>A new small event was trialled with the brilliant Braid Maidens, this proved to be very popular especially with ks1 mums raising £277. Hopefully this event continues as it was a great social event for parents to connect over a mannequin and a glass of wine.</p> <p>The annual quiz in February led by Katie Elliott was a huge success. Despite lower attendance the ever popular night brought in £1,352.</p> <p>This event is always popular among teachers and parents and brings a big community spirit to the school. The huge efforts of Katie and team made sure everyone was well fed with Godfreys (a traditional favourite) and well watered with cellar door wines (thank you penny). As always the famous Mr Mateus was our quiz speaker and the night was enjoyed by many.</p> <p>In March co-chairs Kat and Hollie added a new feature to our events with a World Book Day mystery shop for KS1 and due to popular demand will be back for the whole school in 2025. Children were able</p>

to purchase a wrapped book for £1 with a chance to win a £5 voucher for the local St Albans book store which they received personally from Mr Bolton in the celebration assembly. Money raised was £104.

A new donation boot bin was installed which has been very popular, this charitable idea was introduced by Kat. It's been very popular and helps under privileged children have access to football boots!

The Year 2 Fun Run team hosted an excellent event in May adding water to the mayhem of messy paint plus a bouncy castle, bacon butties and crepes to ensure everyone had a great time. Again thanks for Davis Fitness for sponsoring the event. A whopping £2,611 raised. This event was brilliantly organised with an amazing dedicated team!

In June, Kate spear-headed our first ever Scoot To School event with Mr Boulton giving out a Golden Bell within each year group and raised £1,046 to re-furb the bike sheds & scooter stations. This was a very well organised event that left many smiles on children's faces. The refreshments stall at Sports Day did a roaring trade and kept our spectators in fine spirits £471 raised.

The sun shone for our Summer Fair with our amazing co-chair Kat taking the lead with help from other co-chair Hollie ensuring a fantastic event ending the year on a high. This highly organised event introduced a new layout which allowed more space for everyone to enjoy all the activities available. Each year group were given clipboards for easy directions and everyone pulled together to make it great fun for the kids. The raffle was full of goodies for the lucky winners and the bar was in full flow! We again struggled with the external food vendors and found ourselves in a position of over booking food vendors in order to try and guarantee coverage when actually the dads BBQ was a huge success – picture bake off but with meat and fire! Definitely something to consider for 2025 and great way for dads to socialise and join in! (A very big positive to come out of that). A phenomenal £8,772 was raised which helped top up the fund for the KS1 Trim Trail which was completed over the summer ready to enjoy in the new school year. A huge round of applause to Kat for taking on this huge event.

Vix represented FoWE with help from Hollie at the new starter meetings to help new parents navigate how they can get involved. FoWE put on refreshments led by Kate to create a warm welcoming atmosphere.

Other money raised:

Second hand uniform sales £1,001 (thank you yr 4)

This event was very popular and could be extended to all year groups as a great way to create social connections for parents.</p> <p>Mark was also responsible for a very popular 5 a side football tournament, the players got very wet and muddy but with a competitive spirit raised£226! This was a very dad popular event and it would be fantastic to see more of these social events for all year groups.</p> <p>A small group of volunteers kindly got their hands dirty on 4th October in a sensory garden tidy up, the first of many to create a wonderful space for the children. Sensory garden to be completed for spring 2025. Structure, Governance and Management

Governing Document

The Association is governed by its Constitution as adopted on 24 September 1992.

Committee

The Committee is sought and appointed from the parents or carers of children attending the school, for a period of two years, at which point they are eligible to seek re-appointment, with the exception of the treasurer who is not re-electable for one year thereafter. The officers include:

Chairpersons Kirsty Clark (appointed 11 November 2021)
Claire Dubarbier (appointed 11 November 2021)
Laura Pert (appointed 11 November 2021)
Kristopher Nathan Smith (appointed 11 November 2021)
Alexandra Sasha E Dunn (appointed 11 November 2021)
Katherine Louise Elliott (appointed 11 November 2021)
Joanna Lindsey Lord (appointed 7 November 2019)

No payment for any services were made to any member of the Committee.

Objectives and Activities

Objects

The object of the association is to advance the education of the children at the school through the improvement of their educational environment. The school being Wood End School, Yeoman's Avenue, Harpenden, Hertfordshire, AL5 3EF.

Activities for the Public Benefit

The Committee confirms that it complied with its duty to have regard to the guidance on public benefit as published by the Charities Act 2011 and published by the Charity Commission in exercising its powers and duties.

The fundraising activities undertaken included:

- Christmas Cards and Tea Towels
- Christmas Event
- Christmas Jumper Day
- Christmas Raffle
- School Lottery
- Movie Night
- Disco
- Summer Fair
- Quiz Night
- Second Hand Uniform Sales
- Fun Run

The PTA fundraising activities undertaken have been modified from those run in previous years to adapt to the challenges of fundraising safely during the Covid Pandemic.

Achievements and Performance

2022-23 was another fantastic year with over £66k additional funds raised for the school, these funds were released to the school in support of building an amazing learning hub for the children, housing a library and a brand new and well equipped computer room.

Money was also provided for each class to enrich their learning. This included the provision of history workshops, a virtual author visit and duckling hatching.

Financial Review

Reserves

The Committee has considered the level of reserves required by the charity. As the overheads and contractual liabilities at any one time are negligible, it is the Committee's opinion that all reserves should be passed to the development of the school as soon as an appropriate project arises. As the Association has no certainty of income, but relies entirely on income from events held during the year and donations, the Committee will only commit the Association to expenditure if sufficient funds are held. Year end reserves of £75,579 (2022: £68,819) were not considered excessive, as the Committee anticipates supporting expenditure in the coming school year.

Fund Allocation

No funds held have been designated by the Committee, and neither was any funds held in deficit either during the year, nor at the Balance Sheet Date.
