

Charity's Commission 2024 Annual Report

A Brief Report on the activities of Tumaini Kwa Watoto (TKW) for the year ended 31st December 2024

The Charity has been running since 1996, working with the children on the streets of Nairobi, Kenya. Focusing on the individual child and individual families after rescue and reintegration of the children with their families. We also relate to and assist other children at risk.

TKW operations' strategy:

- Relating to children who live and work on the streets.
- Rescuing them from the streets
- Reuniting them with their families.
- Restoring children and their families to God's order by equipping parents to better nurture their children. We connect reintegrated children to support systems in their community including school, the local church, government social workers and the local administration.

Our activities included Outreach to:

- Working with Gender Desks in police stations; taking up referrals from Government Children Officers, local administration within the capital city Nairobi, street walks/drives
- Streets bases in 6 counties of Kenya – Nakuru, Nyeri, Embu, Kiambu, Naivasha and Meru

Through this initiative, **6** team members working with **320** community volunteers rescued **1080** children. We also visited different counties in Kenya to follow-up children who were rescued previously. We made **987 family follow-up visits** in 2024. We were encouraged by reports given out by teachers, Pastors, Parents, and volunteers in the community.

- We have impacted a total of **8,409** people. Some of these have been impacted directly in the households, in churches and schools as we envisioned, bringing them on board to continue supporting the families in their communities. Others impacted indirectly are motorbike riders and neighbors as they witness the transformation process beginning with a child rescued and brought home, then families strengthened over time.
