

The Chain Breakers House Church for the year ended 31st of March 2025

Annual report of the Chain Breakers House Church

The Church has continued to make a positive impact in the local community during 2024 and has helped individuals of all ages.

In addition the Church has established a weekly online presence and now ministers weekly to people locally and across Somerset.

In addition a new small weekly group meeting in Bridgwater has been launched, giving an excellent opportunity for community support and Christian Fellowship, it is open to the general public.

The Church continues to provide financial assistance in situations of hardship and has not denied any request for help during the last financial year.

In addition to the Bridgwater area, the Church provides weekly counselling support for people across Somerset including Minehead, Exmoor, Bridgwater, Taunton, North Devon as well as internationally.

In light of the financial pressures that so many are facing, The Charity Trustees continue to act with prudence financially, this includes careful control of expenditure. As Church Minister and Chair of the Church Council, I have also proposed and willingly forfeited any salary to benefit the Charity during these times.

We remain confident that the Church will continue to increase its presence provision and benefit to those it serves and the wider community.

Steven Maloney

Chairman of the Church Council

On behalf of the Trustees
