New Life Christian Fellowship, Fleckney

Report of the Trustees

For the year ended December 31st 2024

The Trustees have pleasure in submitting the Report and Accounts for the year to December 31st 2024.

OBJECTS OF THE CHARITY

The Trust was established in 1996 to fulfil the role of a Christian Church in Fleckney and the surrounding area. The objects listed in the Trust Deed are:

1. The promotion and encouragement of Christianity in any part of the world, and in particular by way of the following activities: Meetings for worship, fellowship and prayer, the teaching of the Bible and the doctrines and principles of the Christian religion, the evangelisation of non-Christians, education of young people in accordance with Christian principles.
2. The relief of poverty, hardship and distress
3. To further such other charitable purposes as the Trustees from time to time in their absolute discretion determine.

New Life Christian Fellowship is a member of the Evangelical Alliance and is an Ichthus Link Church. During the year, grants have been made to other charitable organisations and individuals to enable NLCF achieve the above-mentioned objects which can best be done on a larger scale than NLCF could do independently.

GOVERNANCE

The policy and operating decisions of the Charity, including the appointment or removal of trustees, rest with the Trustees who meet regularly to monitor the activities of the Trust. Decisions relating to the Charitable Trust are made by the Trustees in consultation with the Elders, who are responsible for governing the spiritual life and teaching of the church. The Trustees and Elders are jointly known as the Leadership Team, for mutual support for each other through care and service. Our Trust Deed reflects the role of the Elders in decision making. The Leadership Team are encouraged that members of the congregation give of their time, talents and money to enable the trust to effectively fulfil its role both in practical outworking and in its financial support of its local, national and international partners.

Steve Robson continues as Leader of NLCF and is employed on a part-time basis, having been in position from Easter 2012. Steve is part time self-employed and continues to be employed three days a week for NLCF.

The Trustees, John Beynon (Chair), Pat Binczak (Treasurer), Helen Watson, Katie Robertson and Robert Brown (resigned), held meetings as necessary throughout the year to ensure that the Trust affairs were conducted within the guidelines set out by the Charity Commission and to fulfil the trust objectives. As a church, the Health and Safety, and the Safeguarding of children and vulnerable adults, is of great importance. Training is offered to members and DBS checks relevant to positions held are carried out and kept up to date as necessary. A record is kept of children attending church services. The Trustees endeavour to keep New Life's Safeguarding policy up to date and enforced. Our GDPR responsibilities are kept under review by the Trustees and records are only kept as necessary for legal and essential communication purposes and with relevant permission granted.

In addition, the Trustees met with the Elders in joint meetings as the Leadership Team to maintain a working relationship, to pray together and to support the work of the Elders. The teaching and spiritual life of the church has remained the responsibility of the Elders which is comprised of two church members, Steve as Leader and Linda Beynon who also has oversight of the worship team. The Elders plan to meet regularly to pray and discuss church affairs in conjunction with others as necessary.

During the year to December 31st 2024, the charity sought to fulfil its purpose as a Christian Church in the community of Fleckney in the following ways:

WORK IN THE LOCAL COMMUNITY

Having an awareness of the needs our local community has been at the centre of New Life's existence and in wishing to fulfil that aim, New Life has continued to build bridges through its charitable work. CommuniCare, an arm of the charity, maintained its aim to support the elderly and vulnerable of our community in practical ways such as providing transport to doctor and hospital appointments, gardening, shopping etc. CommuniCare also provided a regular hot meal and warm space at Fleckney Community Library on a Monday lunchtime for the elderly and vulnerable. Staffed by volunteers, it was much appreciated and provided a meeting place serving the community. An additional CommuniCare event was a Christmas meal.

Communication with the local community was maintained through articles in the monthly local free newspaper "Communicata", through our website (www.fleckneynlcf.org), and through our Facebook page that is regularly updated with events that New Life produces, or takes part in. As part of the Churches Together in Fleckney we participated in a joint Quiz Night and Auction as charity fundraising in support of "Hope 4" which works with refugees and the poor in Moldova. Carols were sung as participation at Fleckney Fest at Christmas and a prayer tent was staffed at the summer Fleckney Festival.

PRAYER and EVANGELISM

The church meets each Sunday morning for prayer and worship and during the week throughout the year Life Groups met for prayer and study. An open invitation was extended to everyone in the local community to attend a joint churches' event at the Baptist Church which was open for prayer and reflection for "Thy Kingdom Come" and Harvest Prayer at the Parish Church. Information and displays were provided by New Life to offer inspiration for topics of prayer. The Leadership team also took the opportunity to meet specifically for prayer together. The Baptist Church hosted a meeting one Wednesday per month, entitled "The Gathering". We were committed to support it, as it was an open invitation to any Christians locally to meet together for prayer for the community, the world in general and for specific topics as led.

During the summer and during school holidays, a New Life initiative – "Fleckney Fridays" invited local folk to the Village Hall for fun activities such as Lego building, Glass Fusion workshop, and Messy (Noisy) Church. At Easter, the church met with the Baptist Church on the Green to present an outreach for the village, giving out Easter Eggs and a goodie bag to those attending. Another joint outreach with the Baptist Church was to run a "Freedom In Christ" course at the Toast Office. A long-standing annual event "Carols on the Green" was held inside the Baptist Church due to heavy rain but still saw hundreds of village folk gather to sing carols and hear the Christmas story followed by refreshments.

NATIONAL and INTERNATIONAL

New Life has continued to subscribe to Ichthus Christian Fellowship and The Evangelical Alliance, both of which are available for support and guidance should it be needed. New Life is fortunate to be supported financially by a generous congregation and in turn is able to support charitable organisations of similar objectives who work both in this country and abroad such as Neighbourhood Prayer, CMJ, Open Hands, Evangelical Alliance, Wall of Eternal Prayer, Good News for Everyone and Compassion UK through whom we sponsor a child. We continued interest and support for "Hope4", a charity operating in Moldova and the Ukraine, sending a donation towards their Kilimanjaro fundraising venture and their work with the poor and refugees.

TRAINING and EDUCATION

The Leadership have continued to oversee the teaching within the church, encouraging personal prayer, study and participation in "Life Groups" and prayer groups. Visiting speakers at our morning services included Matt McDermid, Henry George, Dan Harrison, Brian Niblock and Okatu Odeh. As a gift, in conjunction with the other village churches, Bibles were purchased and distributed to those children at the end of their time at Junior school prior to moving up to secondary school.

WORSHIP

As the Village Hall was flooded due to Storm Henk, the church was unable to meet there for three months whilst repairs were undertaken. In order to continue meeting, the church hired a room at Fleckney Community Library. These meetings were more intimate and enabled a focus on prayer and sharing. Following the return to the Village Hall, our services of worship and live streaming of the service over the YouTube platform were led by our Church Leader, Steve, with our worship group leading the music. The digital piano used to lead worship that belonged to a church member was becoming unreliable, so a new instrument was purchased by the trustees.

FINANCE

The generosity of the members of New Life Christian Fellowship along with the claim through the Gift Aid scheme has enabled the trust to continue to meet its financial obligations and maintain its support of various charitable causes throughout the year. The regular donations from members ensured that the trust had no need to make appeals for funds to cover its expenses and continues to honour commitments made in support of our national and overseas mission partners.

The church tithed its income and gave in excess of the tithe in support of charitable organisations involved in evangelism, teaching and the relief of poverty, locally, nationally and internationally. In making donations, the Leadership considered prayerfully those needs known to them, those brought by the congregation to their attention, and requests received by the church.

The trust continues to receive rent from the property that it owns, less running costs which this year have included the annual Gas Safety check, insurance, and gutter cleaning. Prior to a new tenant moving in, doors and windows were replaced with energy efficient units and painting and decorating was refreshed. The hire of halls, wages, administration costs, insurances, licences and catering, were the main costs in the total overall expenditure for the year of £44,653 which was covered by donations, Gift Aid claims, rental income and interest received in the total sum of £38,719.

TRUSTEES' RESPONSIBILITIES

During the year, the Trustees held five meetings to discuss matters relating to the running of the charity and the upkeep of the property owned. Also, the trustees met with the Elders as a Leadership Team meeting.

Charity law requires us as Trustees to prepare financial statements for each accounting year which record the receipts and payments of the charity. The annual report and accounts were submitted to our auditors for inspection prior to being submitted to the Charity Commission. We are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable us to ensure that the financial statements comply with the Charities Act. We also have a responsibility to safeguard the assets of the charity and to take reasonable steps to prevent fraud or any other irregularities.
