Sayers Croft Environmental Educational Trust
Strategic Report for the Year Ended 31 May 2022

The trustees, who are directors for the purposes of company law, present their strategic report for the year ended 31 May 2022, in compliance with s414C of the Companies Act 2006.

Financial review

Policy on reserves

We aim to keep an unrestricted general reserve of at least six-months reduced running costs (£30,000).

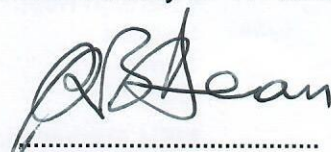

Principal risks and uncertainties

Risk

The Trustees continue to keep the Trust's activities under review, particularly with regard to any major physical or financial risks that may arise from time to time, and to monitor the effectiveness of the system of internal controls and other viable means, including insurance cover where appropriate, by which those risks already identified by the Trustees can be best mitigated.

The strategic report was approved by the trustees of the charity on 11 February 2023 and signed on its behalf by:

.....
Robert Squirrell
Company Secretary

.....
Roger Bruce Dean
Chairman and Trustee

Sayers Croft Environmental Educational Trust

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 May 2022.

Objectives and activities

Objects and aims

The Trust's Objectives are to advance the environmental education of the public, in particular children and young people, by the provision of outdoor study, facilities and activities.

The aims of the Trust are as follows:

- To provide opportunities for people to enjoy, appreciate, understand and care for their natural environment
- To encourage use of our facilities and expertise by individuals, families, local schools and other groups, particularly those who would otherwise not have access due to physical, mental, financial, cultural or social circumstances
- To run a comprehensive youth and community activity programme for children and young people providing fun adventurous activities that build self-confidence, self-esteem, teamwork and leadership and social skills
- To take an active part in the Sayers Croft site and in environmental aspects of the local Community as a whole and to encourage participation in training and volunteering opportunities and experiences
- Offer the free use of our activity base, The Burrow, originally funded by a grant from the National Lottery, as a well-resourced amenity to local organised groups
- To manage our land to provide an additional resource in the form of a Designated Local Nature Reserve with ancient woodland and observation hides, walkways and bridges enhanced for those with physical disabilities and to secure the long-term future of the site in the ownership of the Trust and which now accounts for over half of the overall site.

Our activities generally fall into the following categories:

- After-school and out-of-school holiday, half term and weekend programmes
- Youth clubs covering age groups from 0-11 years
- Themed birthday parties
- Corporate teambuilding and volunteer days
- Lifelong learning adult activities
- Work experience for teenagers and young adults
- Conservation activities

The Trust receives no statutory income and funds its activities from national and local grant-giving trusts, self-generated income through its subsidised fee structure, discretionary small grants from local authorities, private and corporate sources and by competing for environmental and educational awards.

Sayers Croft Environmental Educational Trust

Trustees' Report

Objectives, strategies and activities

This year was again dominated by impacts of the covid coronavirus pandemic. Restrictions changed multiple times during this period. School groups did not get clarity regarding school trips, especially residential, for a long time. This had a big impact on the centre who couldn't host residential groups and also impacted staffing.

This did mean the capacity and demand for day visits went up massively and resulted in the busiest July and August the Trust has ever had. Visitors were able to enjoy subsidised visits thanks to grants received last year. Every child who qualified for pupil premium was able to attend with their school for free.

One highlight of the summer period was the participation in the Holiday Activity and Food programme – a government funded scheme for children who receive free school meals. Over 850 children attended this programme who enjoyed a full day of activities, a cooked meal and a vegetable box to take home.

After the busy summer, uncertainty, restrictions and staff shortages did limit our ability to host groups. The Trust did have to assist the centre with management and delivery more than should typically happen which also impacted our capacity. We did receive some government grants over this period

We continued our 1:1 programmes to help children with disabilities and who weren't in mainstream education. These have proved popular and will continue indefinitely.

We were successful in a number of grant applications for a new coding activity which utilises the Lego Education system. This has been a great bridge builder to encourage users who wouldn't typically access the outdoors, visit Sayers croft.

Overall, the Trust welcomed 7092 visitors over the financial year compared with 2613 in 2020/2021 and 7939 during 2019/2020. We have demonstrated our resilience over the past couple of years and have come through in a relatively healthy financial position. We look forward to resolving the staffing pressures and returning to normality.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Use of volunteers

The Trust receives the very welcome assistance of a number of volunteers, usually in respect of either the supervision of the groups of very small children or when local corporate team-building management training teams carry out practical projects on our behalf.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Sayers Croft Environmental Educational Trust

Trustees' Report

Trustees:

Annika Rice
Roger Bruce Dean
Carol Franklin-Adams
Linda Mary Mason
Victoria Helstrip
Penelope Morris
Chris Wright (appointed 10 November 2021)
Edward Breeveld (appointed 17 March 2022)

Secretary: Robert Squirrell

Structure, governance and management

Nature of governing document

The Trust was constituted as a charitable company limited by guarantee in June 1996 and is therefore governed by its memorandum and Articles of Association. Its company registration number is 03196433 and its charity number is 1055946.

Recruitment and appointment of trustees

The Directors review from time to time any names brought forward for their consideration of those who play a role in the local community in respect of children, youth or environment matters or who have a skill or qualification that will help them to effectively address other relevant issues faced by the Trust. If there is a unanimous wish that they be appointed, the role is discussed with the nominee and if relevant, this is made at the next possible Meeting of the Trustees followed by appropriate induction procedures.

Organisational structure

Organisation of our Work

The Trust operates as a separate entity from, but alongside, the Sayers Croft Outdoor Learning Centre on a 60 acre site amongst the Surrey Hills in Ewhurst near Cranleigh.

The Charity is organised so that the Trustees meet regularly to manage its affairs. The Sayers Croft Outdoor Learning Centre charges the Trust for the services of one full time Community Education Officer who manages the day to day administration of the charity, organises fundraising initiatives and supervises the principal activities of the Trust and one full time Assistant Instructor who runs birthday parties, assists with youth clubs, educational day visits and any other duties as necessary.

Whilst the Centre has as its primary purpose the provision of non-statutory environmental education and outdoor activity opportunities for young children, particularly those from inner city schools, the Trust seeks to maximise the potential of the site and its resources by meeting the needs of local out-of-school groups, our local youth and adult community, local schools and groups with special needs.

Sayers Croft Environmental Educational Trust

Trustees' Report

Employee involvement

Other Staffing

The system of using assistant instructors to deliver Trust organised events continues to prove very effective. Alongside freelance staff and instructors from Sayers Croft this has enabled group delivery to continue with little interruption.

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Sayers Croft Environmental Educational Trust for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 11 February 2023 and signed on its behalf by:

Robert Squirrell
Company Secretary

Roger Bruce Dean
Chairman and Trustee

Sayers Croft Environmental Educational Trust

Independent Examiner's Report to the trustees of Sayers Croft Environmental Educational Trust ("the Company")

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 May 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Sayers Croft Environmental Educational Trust are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Sayers Croft Environmental Educational Trust as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 May 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 8 to 20 were approved by the trustees, and authorised for issue on 11 February 2023 and signed on their behalf by:

The notes on pages 10 to 20 form an integral part of these financial statements.

Sayers Croft Environmental Educational Trust

Notes to the Financial Statements for the Year Ended 31 May 2022

1 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Sayers Croft Field Centre
Cranleigh Road
Ewhurst
Surrey
GU6 7SS

These financial statements were authorised for issue by the trustees on 11 February 2023.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Sayers Croft Environmental Educational Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Sayers Croft Environmental Educational Trust

Notes to the Financial Statements for the Year Ended 31 May 2022

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Sayers Croft Environmental Educational Trust

Notes to the Financial Statements for the Year Ended 31 May 2022

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £ 500 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Buildings	10% straight line
Equipment	10% straight line

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Sayers Croft Environmental Educational Trust

Notes to the Financial Statements for the Year Ended 31 May 2022

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
