

Cylch Meithrin Maenclochog

Financial Report 2022/2023

Introduction

Cylch Meithrin Maenclochog was established in 1972 and is based in the village of Maenclochog, in the Community Village Hall. The Cylch is a voluntary organisation specialising in Welsh-medium early years care and education. Welsh is the main language used in the setting however, all children are welcome whether or not they speak Welsh.

The aim of the Cylch is to give children the opportunity to attend a safe, secure and fun early years setting, incorporating the Foundation Phase Curriculum in Wales. The staff understand the importance of learning through play, encouraging each child's physical, emotional, linguistic and social development whilst most importantly ensuring the happiness of the children.

Staff and Committee

The Cylch is run by two permanent members of staff who have undertaken DBS checks and attend frequent training. A bank of staff has been created to step in and support the permanent staff on occasions they are absent. The Cylch is managed by a committee of volunteers, three of which are trustees.

Financial Year

The finances ended the year 2022/2023 on a surplus. This was not as good as last years but with the impact of covid, less grants available and more fundraising needed. We still need to maintain the reserves in order to support the Cylch during harder times.

The number of children attending remains healthy with a steady waiting list. Unfortunately, the children receiving funding does not fully cover the cost of a session, meaning the need for fundraising remains our priority to cover the day to day costs of running the Cylch.

During 22/23 we received a number of grants which are to be used for staff training and resources to improve the learning experience for the children. We have also received a Winter wellbeing grant to help pay for days out or trip for the children, which we are looking to book for later this year.

We continue to check and review the finances each term and will keep on trying to maintain a healthy reserve.
