TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2022

The Trustees present their Report for the year ended 31 August 2022, which incorporates the Legal and Administrative Details on Page 2.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trust was established by Trust Deed and registered as a Charity with the Charity Commission in 1996. Under this Trust Deed the power to appoint Trustees is vested in the Trustees for the time being.

The Charity has a Board of Trustees who meet quarterly and are responsible for its strategic direction and policy. Senior management are appointed by the Trustees to manage the day to day operations of the charity.

OBJECTS, ORGANISATIONS AND ACTIVITIES

The Mission Statement of the Charity is stated on Page 2.

During 2021/22 the Charity continued to provide English Language teaching services at The Stoneyard Centre, 41B St Andrew's Street, Cambridge. The Trustees record with thanks the encouragement and

During the past year we have had 141 full time students studying for a total of 618 student weeks on various courses. Students independently passed FCE, CAE, KET, PET and IELTS exams. There have also been 65 part time students. The Trustees record their thanks to the staff for their dedication to the work of the school and pastoral care of the students.

The language school continues to be fully accredited by the British Council and registered by the UK Border Agency. We also have membership of the English UK which is a national association of accredited English language schools and centres. The Trustees record their thanks to Mrs Sian Serrano (Business Manager), Mr James Dennis (Director of Studies) and all the staff for maintaining high standards of teaching, management and welfare at the school especially with the additional challenges posed by the Covid pandemic.

Many of our students have been accommodated with host families and the Trustees are grateful to all host families for their support of the school.

RESERVES POLICY

The Trustees have conducted a risk assessment and considered the level of unrestricted funds not committed or invested in tangible fixed assets ("the free reserves") that should be maintained by the charity to meet its liabilities and to sustain the organisation in the event of any unforeseen shortfalls in income. The Trustees have assessed the reliability of the charity's main sources of income and taken into account seasonal and market trends. The Trustees have examined the requirement for free reserves, i.e. those unrestricted funds not invested in tangible fixed assets, designated for specific purposes or otherwise committed. The Trustees consider that, given the nature of the organisation's work, the level of free reserves should be approximately four month's expenditure on unrestricted funds. This would equate to £53,000 based on current year expenditure. The Trustees are of the opinion that this provides:

- sufficient flexibility to cover temporary shortfalls in incoming resources due to timing differences in income flows
- adequate working capital to cover core costs
- an allowance to enable the organisation to cope and respond to unforeseen emergencies whilst specific actions are implemented.

Current free reserves amount to £33,137 and we will be working towards improving this level during the current financial year.

RISK REVIEW

The Trustees have conducted their own review of the major risks to which the charity is exposed and have agreed a risk management strategy which comprises :

- (i) an annual review of the risks which the charity may face;
- (ii) the establishment of systems and procedures to mitigate those risks identified in the plan; and
- (iii) the implementation of procedures designed to minimise any potential impact on the charity should any of those risks materialise.

On behalf of the Trustees
David Farrer
