The Royal Tunbridge Wells Round Table Charitable Trust ("the Trust") is established to effect the charitable business and activities of the Royal Tunbridge Wells Round Table (Number 195) of the National Association of Round Tables of Great Britain and Ireland ("the Table"). In particular, the Trust regulates the use of the Charity Bank account ("the Account") set up in the name of the Table; monitoring that the Account is used for such charitable purposes as defined by the Table and in accordance with the laws of England & Wales.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Table (on behalf of the Trust) coordinates the annual Royal Tunbridge Wells Fireworks display at Dunorlan Park ("the Display") and performs other ad hoc charitable activities. Net proceeds generated from the sale of tickets for the Display (after the deduction of costs required to run the event) are donated to local charitable causes.

The Account is used to collect proceeds from ticket sales (and other revenue streams), pay administrative costs associated with operating the event and make donations to local charities.

In this respect, in monitoring the activities of the Trust, the trustees have had regard for the Charity Commission guidance regarding operations being to the public benefit.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The Display held in November 2023 generated Net Proceeds of approximately £14,000. The proceeds arising from the Display are expected to be donated to local charities during the financial year to April 2024.

The Trust also distributed approximately £24,000 to local charities during the year to 31 March 2024 (with these donations made from the Net Proceeds arising from the Display held in November 2022).

The Trust continued to maintain a surplus cash position on the Account, which will enable it to finance the costs associated with operating the Display to be held in November 2024.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Trust holds liquid cash resources at bank with the objective of retaining sufficient liquid resources to meet all operating expenses for the next financial year.
