### Structure, governance and management

Trustees are appointed under mechanisms that allow both Regent High School (RHS) and UCL, as members, to influence the strategy, policies and management of the Sports Centre. Regent High School can appoint up to four trustees. UCL can appoint up to five trustees.

The trustees are not paid for their work as trustees.

**Structure, governance and management** (continued)

***Equal opportunities policy***

The Somers Town Community Sports Centre embraces a diverse society, welcomes all people and values their differences. The Somers Town Community Sports Centre recognises that discrimination occurs at all levels in our society. The Somers Town Community Sports Centre is an equal opportunities organisation. No person that comes into contact with the Centre should receive less favourable treatment, be disadvantaged or disadvantage others on the ground of their ethnic group, nationality, sex, gender, sexual orientation or identity, age, disability, marital status, family commitments, political or religious views, spent or irrelevant criminal convictions, trade union activity, or HIV status. The Somers Town Community Sports Centre regards such discrimination as unacceptable and promotes equal opportunities both as an employer and a provider of services.

***Objectives and activities***

The Centre was created with the support of the London Borough of Camden, UCL, Students' Union UCL and South Camden Community School (now Regent High School) to build and operate a sports centre in Somers Town, London NW1, for the benefit of the local community and the students of local schools and University College London (UCL).

The objectives of the Centre are to provide affordable high quality activities and sport and recreation space for training, competition and physical activity for the benefit of the wider community and the students of local schools and UCL.

From 1 April 2011, responsibility for day-to-day centre management and employment of the staff was transferred to Regent High School. Somers Town Community Sports Centre Limited now operates as a landlord and a signed rental agreement is in place with the London Borough of Camden alongside a management agreement with Regent High School. This provides a guaranteed future income stream for the charity with almost matching costs.

***Public benefit***

In furtherance of these aims, the Somers Town Community Sports Centre Limited trustees have complied with their duty in s.4 of the Charities Act 2006 to have due regard to the Charity Commission's published general guidance concerning the operation of the public benefit requirement under that Act.

***Achievements and performance***

In order to ensure the continuing charitable objects of the Charity, the trustees have sub-let the Sports Centre back to the London Borough of Camden subject to variations to the original lease and operating agreement, so that there is a continuing availability for use by the School, UCL and the wider community.

## **Trustees' report** Year to 31 July 2022

The Operating Agreement introduced new arrangements for operating the Sports Hall and adjoining school premises for so long as the sub-lease exists, and during which time the original operating agreement shall be suspended. The trustees continue to have overarching responsibility for charitable use of the Sports Hall, and each year agree the annual and future budgets for on-going and anticipated maintenance prepared by RHS, and to keep under review the operation of the Sports Hall.

### **Achievements and performance** (continued)

The Centre continues to provide an invaluable resource to Students' Union UCL Clubs and Societies and all of UCL's time slots are allocated through the Student Activities team within Students' Union UCL.

The continuing success of the Centre is based on the excellent work of its full-time staff supported by the London Borough of Camden, RHS and UCL resources.

### **Financial results**

The Centre has been funded by rental income and direct financial support from Regent High School who manage the facility on a day-to-day basis. Total income has increased only slightly from £57,907 to £60,306. Total expenditure has decreased from £107,813 to £96,667.

### **Reserves policy**

As the operational management of the Sports Centre was transferred to RHS on 1 April 2011, the Board considers their reserve policy to be a depreciation renewals sinking fund in case the day to day management responsibility for the Centre passes back if there was to be a failure of the current management arrangements with Regent High School. The Board consider a sufficient level of reserve fund to be £100,000. At the year end the reserves stood at £131,087 (2021: £128,864) and we consider this to be sufficient.

### **Future plans**

The future objectives of the Centre are to continue providing affordable high-quality activities and sport and recreation space for training, competition and physical activity for the benefit of the wider community and the students of local schools and UCL. The trustees are charged with ensuring that day to day management by Regent High School achieves these objectives.

**Statement of trustees' responsibilities**

The trustees (who are also directors of Somers Town Community Sports Centre Limited for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- ◆ select suitable accounting policies and then apply them consistently;
- ◆ observe the methods and principles in the Charities SORP;
- ◆ make judgments and estimates that are reasonable and prudent;
- ◆ state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- ◆ prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions, disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

Approved by the trustees and signed on their behalf by:

John Dubber  
Trustee

Approved by the trustees on: 21 November 2022

## **Independent examiner's report** Year to 31 July 2022

I report to the charity trustees on my examination of the financial statements of the charitable company for the year ended 31 July 2022.

### **Responsibilities and basis of report**

As the trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the financial statements of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's financial statements as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with my examination giving me cause to believe:

- ♦ accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- ♦ the financial statements do not accord with those records; or
- ♦ the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the financial statements give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- ♦ the financial statements have not been prepared in accordance with the methods and principles of the for "Accounting and Reporting by Charities: the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)."

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

For the year ended 31 July 2022, the company was entitled to exemption from audit under Section 477 of the Companies Act 2006 relating to small companies. The members have not required the company to obtain an audit of its accounts for the year in question in accordance with Section 476.

The trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

These financial statements were approved by the members of the committee and are signed on their behalf by:

## **Principal accounting policies** Year to 31 July 2022

### **Company information**

The principal activity of the charity is the provision of sport and recreation facilities in Somers Town, London NW1. The incorporated charity (registered number 3157703 and charity number 1057305) is incorporated and domiciled in the UK. The address of the registered office is University College London Union, 25 Gordon Street, London, WC1H 0AH.

### **Basis of preparation**

The financial statements have been prepared in accordance with the Charities SORP (FRS102) applicable to charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

### **Going concern**

The Trustees consider that there is a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future and, for this reason, they continue to adopt the going concern basis in preparing the annual financial statements. The Trustees have made this assessment in respect to a period of at least one year from the date of approval of these financial statements.

### **Critical accounting judgements and key sources of estimation uncertainty**

In the application of the charity's accounting policies, trustees are required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimation and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects the current and future periods.

### **Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

### **Income**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income, the income is probable, and the amount can be quantified with reasonable accuracy.

## **Principal accounting policies Year to 31 July 2022**

### **Expenditure**

Expenditure is recognised on an accrual basis as each liability is incurred.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

### **Fund accounting**

Unrestricted funds held by the charity are those which can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds are where specific conditions are imposed by the donor which restricts the use of unspent funds. The income is taken directly to the relevant restricted funds.

### **Restricted funds**

The initial capital grants received to enable construction of the Centre were included as restricted funds within the Charity's reserves. The depreciation on the Centre is debited to the restricted fund.

### **Depreciation**

Capital expenditure in excess of £1,000 is capitalised at cost within fixed assets. Expenditure less than this amount is charged to the statement of financial activities in the year it is incurred.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and machinery	4%
Fixtures, fittings and equipment	20% to 33% per annum
Leasehold buildings	2.5% per annum

### **Taxation**

No provision is made in these accounts for corporation tax as the charity is exempt from such taxes as a result of its charitable status.

### **Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

### **Creditors and provisions**

Creditors and provisions are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably.
