Message from the Chair

Christine Spooner

Our Board of Trustees did a lot of planning over 2024-2025. At the end of the year we signed off our Big Strategic Plan for 2025-2028.

The tough decisions we made in the previous year paid off and we have been in a stronger position. Although we had less grant money and had to reduce staff hours, we brought in more income through project work and easy read translation and training work.

The Trustees and staff team worked together to produce an accessible Management Committee training pack. This is being piloted with our own Board of Trustees and is being made available to other self advocacy organisations.

I want to thank our fantastic staff team. They have done a great job delivering on a big programme of work over the last year. I hope you enjoy reading about it in this report.

Thank you to all of our members, supporters and funders for making all of this possible.

Message from the Director

Andrew Lee

2024-2025 was full of exciting projects and opportunities.

We finished and launched the resources for the Co-producing Accessible Legal Information research project with the University of Birmingham.

We also completed the Health Check Matters and the Lambeth 'Living Our Best Lives' projects.

Our work with Transport for London and the Bringing People Home from Psychiatric Hospital Network continued over the year.

We also had some new projects. The London Campaign Network was launched in September 2024, and in October 2024, I was asked to co-chair the Covid Inquiry 'How we survive and thrive' with Dame Phillippa Russell.

I'm really proud of what we achieved with limited resources. A big thank you to everyone who made it possible.

We have a team of fantastic supporters who help us do our work. We fund this support through Access to Work.

Vision

A UK which is free of barriers faced by people with learning difficulties.

Where people with learning difficulties have:

- Real choice, control and independence
- Access to user-led self-advocacy organisations, accessible information and the advocacy and support that they need to have real equality of opportunity and inclusion in society

Mission

To promote the user-led voice of people with learning difficulties as equal and valued citizens. We do this by supporting people with learning difficulties and their user-led organisations to grow and have a voice both at a local and a national level.

We also support decision makers and services to understand the barriers we face at all levels of society and the support we need to break down these barriers.

Values

- People with learning difficulties are always the first point of contact within the organization
- People with learning difficulties should have the support to speak up, speak out and get heard
- Local self-advocacy organisations should be 100% user-led
- Society should be inclusive; with people with a learning difficulty having equal access to community life, employment and relationships
- People with learning difficulties should know and be able to exercise their rights
- People with learning difficulties can make decisions and have control of their lives with the right support

During this year we finalised our Big Plan for 2025 - 2028.

We are now working hard to raise the funds and increase our capacity to be able to achieve the goals we have set for the next 3 years.

See Us, Hear Us, Value Us

In June 2024 we produced our Manifesto in advance of the general election.

We asked the Government to:

1. **See us** - we are the experts in our own lives, we need to be recognised for the things we can do and know.
2. **Hear us** - speak to us directly, listen to our voices, not just our supporters (PA's, carers, staff).
3. **Value us** – treat us all fairly, make sure people from Black and ethnic minorities do not face additional discrimination or criminalisation.
4. **Include us** – we have the right to be involved in all aspects of civil society, make sure we can understand and use all types of communications and technology.
5. **Free us** - do not lock us up away from our families and communities in hospitals and residential homes, keep to your promises to move people out of them and do not keep sending us into these places.
6. **Support us** - reinvest in independent community and self advocacy, provide the social care support so we can live as independently as possible.

We deserve better – we have a right to live in a world where we are not locked away or written off!

Our Campaign Priorities

Accessible Information and Easy Read

Supporting access to information through more accessible information, processes, communication, and wider use of Easy Read, so that people have the information they need to make decisions and have control of their lives.

Information is power!

Self-advocacy and speaking up

Supporting the growth of user-led speaking up and self-advocacy groups so that people with learning difficulties have the support to speak up, build confidence and break down barriers together.

Nothing about us without us!

Community Advocacy and Support

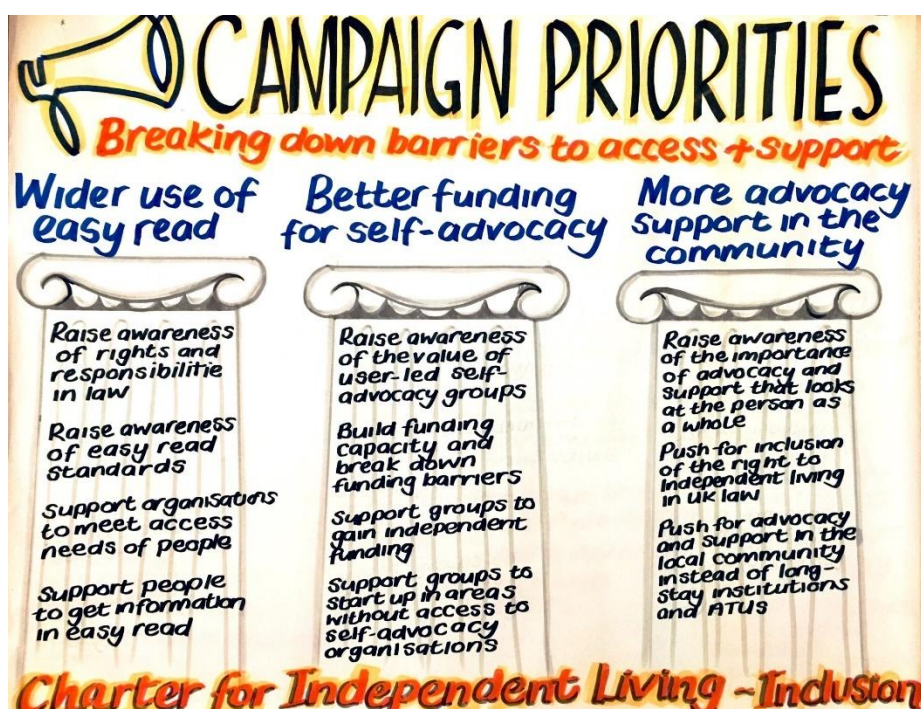

Supporting access to good, flexible independent local advocacy and support that treats each person as a whole. Having the support to do what they want in life and full access to independent living, choice, and control.

Don't break my life up into pieces!

Everything we do is to promote what is important to people with learning difficulties across the UK.

All our activity takes forward our campaign priorities set by our members. These will be reviewed in 2026.

Our Activities and Achievements

The Empower Enterprise

Our Empower service includes Easy Read Translation, Easy Read Training and the Easy Read Picture Bank.

We have translated 57 easy documents for a wide range of organisations over the last year.

We were able to update our Easy Read training package and have delivered 8 training sessions.

We are updating the Picture Bank and exploring new ways of creating images so we can continue to provide a high quality service.

We produced an Easy Read video to explain how important accessible information is. You can watch the video [here](#).

We also produced a short video about Digital Exclusion to support the case study we wrote for the HEAR Equality Network. You can watch the video [here](#).

Visit our YouTube Channel

<https://www.youtube.com/@peoplefirstltd1329>

The Advocacy Plus service includes 'Advocacy, Signposting and Advice service', and our 'Advocacy Matters' work, providing support to over 100 individuals.

We finished our 'Living Our Best Lives' project in May 2025 with local people with learning difficulties in Lambeth. Our final workshops included:

- Eye Care with SightAbility
- Online Safety with Breaking Out Of The Bubble

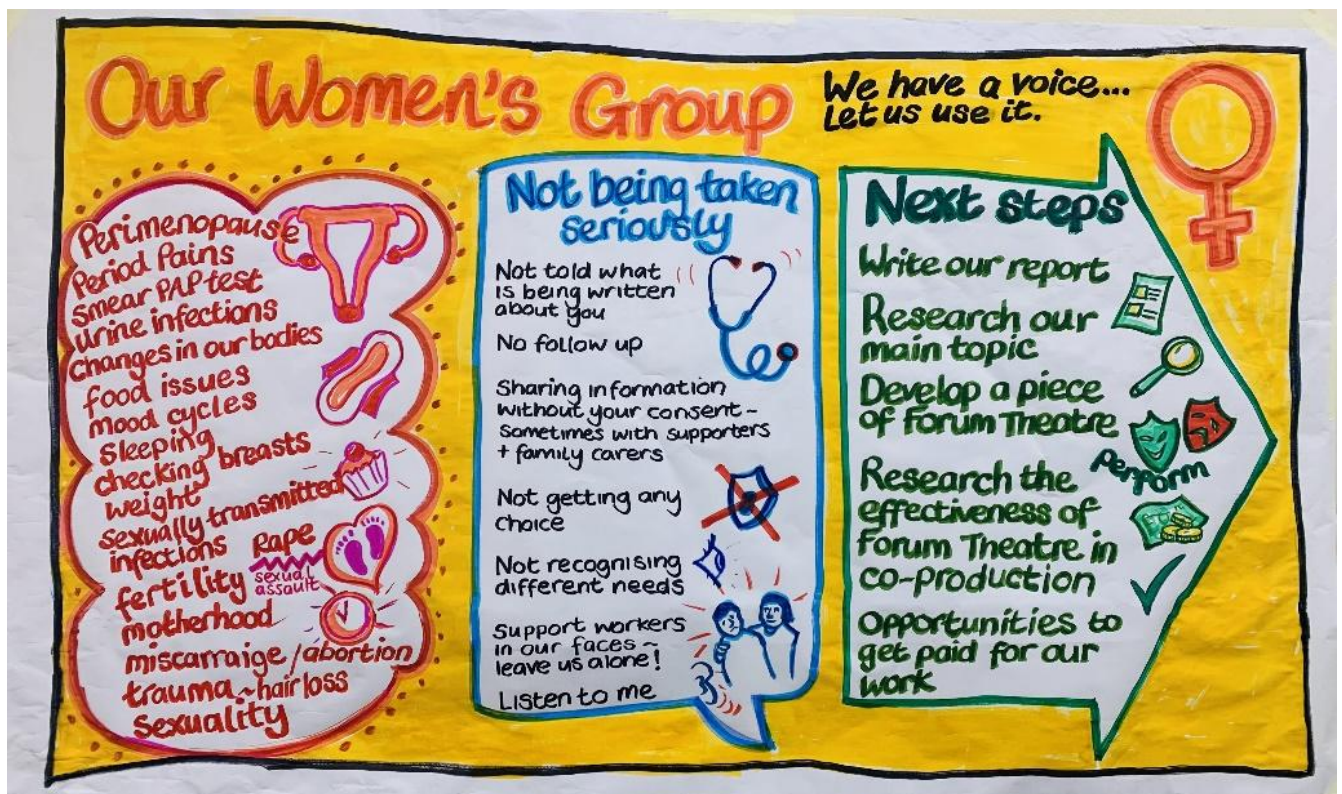

Women's Group Research Project

We worked in partnership with the University of Salford.
We ran 2 online sessions and 2 in-person sessions.

Women were able to think about what issues and subjects they would like to talk about more.

We produced a report to tell researchers what the most important issues are for women with learning difficulties.
We produced a graphic which listed the issues and what the women wanted to focus on.

Co-producing Accessible Legal Information

We worked with the University of Birmingham on this research project for over a year.

The easy read legal information templates and report were launched at an online event in July 2024.

We also presented the resources to the Law Works free advice clinics network in October.

The Accessible Legal Toolkit is available [here](#).

Health Check Matters

We delivered workshops for BHR CEPN (Barking & Dagenham, Havering and Redbridge Community Education Provider Network), using Forum theatre. They were for health professionals who are involved in Annual Health Checks for people with learning difficulties across 3 boroughs.

Our Policy work

Strategic Advocacy

To take forward our campaign priorities and influence policy and decision makers we do the following things.

- Run our own campaigns
- Attend local, regional and national policy meetings
- Join networks

We continued to attend:

- NHS England Learning Disability and Autism Partners webinar.
- NHS Learning Disability and Autism Advisory Group
- All Party Parliamentary Group on Learning Disability.
- National (Disabled People's Organisations) DPO Forum.

Making policy accessible

We have had the opportunity to make many policy and campaign documents accessible.

Here are some of them:

We continued our work on transforming and modernising our digital operations and systems. All staff received individual digital coaching and training to use the new systems.

We reviewed and updated our Job Descriptions and started reviewing our organisational policies.

During this year we received mentoring support from Equally Ours for marketing our Empower service.

We also received support from Inclusion London to work through an organisational health check.

Part 2: Report of the Management Committee

2.1 Risk Management

Risk management: this means when an organisation looks at things that might go wrong and thinks of ways to stop them from becoming a reality.

The Management Committee has spent time looking at what things can go wrong. We often look at ways to make sure the charity faces less risks.

For example:

- We have rules for checking things, such as paying bills
- We follow rules to make sure there is good health and safety for staff, volunteers and visitors
- We make sure that Privacy and **Safeguarding** are reviewed often and put into practice.

Safeguarding: this means putting rules into place to make sure that people who could be at risk, can live safely.

- We look at the way we do things often, to make sure that we are still doing them right and that they carry on meeting our needs.

Fundraising continues to be our main concern. We have had success in getting small grants and have increased income from our Easy Read work. We need to increase core funding and unrestricted income.

2.2 Structure of the Organisation

People First has a Management Committee of up to 8 members who meet four times a year.

They are the Trustees and are responsible for agreeing on the aims and policies of the charity.

People First (Self Advocacy) is a charity and a company limited by guarantee. People First is governed by Articles of Association; incorporated on 6th December 1995, Articles amended 23rd March 2020.

2.3 Day to day Management

The Director of People First, Andrew Lee, does the day-to-day work and manages the team.

Responsibilities of the Management Committee

The Management Committee, who are also the Trustees, are responsible for keeping proper accounting records. These records must show clearly how we are doing with our money at any point in time.

The Management Committee have to make sure that the financial statements follow the rules of the Companies Act 2006.

The Management Committee is also responsible for looking after the assets of the charitable company, such as computers and furniture, and for taking reasonable steps to stop or prevent anyone from stealing or cheating.

The names of the Members of the Management Committee who served during the year and up to the date of this report are set out on page 7.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently.
- observe the methods and principles in the Charities SORP.
- make judgements and estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the examiner is aware of that information.

Dick Maule FCA will continue as independent examiner

This report has been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) 2nd edition, the Charities Act 2011, and the Companies Act 2006.

Approved by the Management Committee

Date: 28th October 2025 and signed on its behalf by:

C. P. Spooner

Christine Spooner

The People First Management Committee submits its statutory Report and Accounts for the year ended **31 March 2025**.

The Trustee's Report and Financial Statements have been prepared in accordance with the Companies Act 2006, the Charities Act 2016 and comply with UK Generally Accepted Accounting Practice (GAAP). They also comply with the Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) in accordance with the Financial Reporting Standard, also known as the Charities (FRS 102) SORP.

Public benefit statement

In reviewing our aims, objectives and activities, the Trustees have taken into account the Charity Commission's general guidance on public benefit. The Trustees ensure that the activities undertaken are always in line with the charitable aims and objectives as set out in People First's governing document. This annual report does not include exemptions from disclosure.

Part 4: Independent Examiner's Report

Respective responsibilities of trustees and examiner

Report to the trustees of People First (Self Advocacy) Ltd

On accounts for the year ended 31st March 2025 as set out on pages 35 to 46.

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

The charity's trustees consider that an audit is not required for this year under Part 16 of the 2006 Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and to
- state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures

undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements for the year ended 31st March 2025

1 Statutory information

People First (Self Advocacy) is a charitable company, limited by guarantee, registered in England and Wales number 03134827, charity number 1057354. The charitable company's registered office address is 336 Brixton Road, London, SW9 7AA. The registered office is the principle place of business. The accounts are prepared in sterling, which is the functional currency.

2 Accounting policies

2.1 Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), (Charities SORP FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

2.2 Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS102.

2.3 Going concern

The trustees consider that there are no material doubts about the charity's ability to continue as a going concern. Funding confirmed for the next 12 to 18 months is sufficient to enable the charity to continue operating.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

2.4 Income

Donations and grants receivable are included when receivable, unless conditions are attached which specify their application to later periods. Such income would then be carried forward as income received in advance (deferred income). Government grants likewise receivable are included when receivable, unless conditions are attached which specify their application to later periods. Donated goods and services are included at the value to the charity where this can be quantified.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

2.6 Fund accounting

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund.

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

People First (Self Advocacy) (Limited by Guarantee)

Notes to the financial statements for the year ended 31st March 2025: *continued*

2.7 Expenditure and basis of apportioning costs

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis with the irrecoverable element of VAT included with the item to which it relates and has been classified under headings that aggregate all costs related to the category. Expenditure is classified under the following activity headings:

Raising funds: Costs of raising funds relate to the costs incurred by the charitable company in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose, including trading.

Charitable activities: Expenditure on charitable activities includes conducting research, publishing analyses and recommendations, convening meetings and conferences, offering consultancy and expert advice and other activities undertaken to further the purposes of the charity and their associated support costs. Resources expended are allocated directly to the activity to which the cost relates. Salaries are allocated according to time spent, other shared costs are apportioned on an equal basis with central overhead costs apportioned on the basis of total expenditure on each activity.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments.

The trustees seek to use short term deposits to maximise the return on monies held at the bank and to manage cash flow.

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments. The Charity only has financial assets and liabilities of a kind that qualify as basic financial subsequently measured at their settlement value.

2.9 Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Creditors and provisions

Creditors and provisions are recognised where the charitable company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2.11 Fixed assets

Fixed assets are accounted for over their expected useful life. Items of equipment are capitalised when their purchase price exceeds £500.

Depreciation is provided on the following basis:

Equipment: 25% on straight line basis

Previous accounts erroneously stated depreciation was provided on reducing line basis.

2.12 Fundraising
