## Foreword by the Trust Chair

Welcome to our Raising Health Charity Annual Report for 2022-23. Leicestershire Partnership NHS Trust ('LPT') is the corporate trustee of our Raising Health Charity which has a clear mission:

***“To support excellent care initiatives, equipment and innovations which go above and beyond core NHS provision to enhance the experience of our patients, service users and staff.”***

We exist to provide resources and facilities to our patients, service users and staff across our many different services. We are there to make life better, by providing the extra things that the NHS isn't obligated to provide, but which can make a big difference to patients, service users and staff. This year through donations, legacies, fundraising appeals and investments, we have raised a total of £335,000. Some of the projects that we have supported are:

### For our patients:

- Environmental improvements to our buildings and gardens
- The Let's Get Gardening competition for our inpatient mental health wards
- Veterans swimming with rescue dogs
- On-ward activities including music sessions, games, arts and crafts
- Visits to wards from therapy pets
- Patient activities including a hiking trip for young people
- Cultural festivities and celebrations
- Sensory equipment

### For our staff:

- Staff room upgrades, enhancements and reflection gardens
- Support for our inclusive staff networks to host events
- Staff wellbeing including The NHS 75TH birthday Big Tea
- Providing support for research projects to address health inequalities in LLR

Your donations make this work possible, and your future donations are the key to our continued success. I hope that like me, you will be inspired by our projects to help enhance the care

provided by Leicestershire Partnership NHS Trust and want to be a part of our story. If you would like to read more about our current appeals or donate you can do so at [www.raisinghealth.org.uk](http://www.raisinghealth.org.uk) . Please support us, every pound counts. Thank you.

*CWJ*

## Who We Are

LPT's registered charity 'Raising Health' (registered number 1057361) exists to raise funds and receive donations for the benefit of the patients and service users of Leicestershire Partnership NHS Trust (LPT). LPT provides physical and mental health care to people of all ages in their own homes, in community settings, and in our inpatient units and hospitals.

Donations received by Raising Health can fund equipment, projects and innovations which go above and beyond NHS core provision to make a real difference to the people cared for by LPT in Leicester, Leicestershire and Rutland, and the staff who look after them.

We would like you to support us in our crucial work so please read on and let us tell you more about ourselves, what we do, what we have achieved and how we go about spending the money given to us.

## Our Vision

Through fundraising and careful management of our existing funds, Raising Health is able to make grants to LPT's services in order:

*"To support excellent care initiatives, equipment and innovations which go above and beyond core NHS provision to enhance the experience of our patients, service users and staff."*

Grants are made in accordance with charity legislation, our constitution and the wishes and directions of donors. During the year grants totalling £265,000 were made and a further £379,000 committed as at 31<sup>st</sup> March 2023.

## Our Aims

Our key aim is to serve the NHS patients and service users of LPT for the public benefit. We put this aim into practice by helping patients, service users, their families and carers by:

- Enhancing the care LPT services can offer through the purchase of new equipment and building improvements to deliver better care facilities
- Funding innovations in practice and therapeutic activities which enhance the care given to our patients and service users
- Funding medical research to understand better the diseases affecting our population today so that we can develop the treatments and therapies of tomorrow
- Improving staff facilities, services that promote staff well-being, and education of staff over and above what would normally be provided by the NHS.

## How we are funded

The following figures are taken from the full accounts (included at the back of this report). An independent examination of the accounts has been undertaken by the Trust's internal auditors. The full accounts, titled Raising Health Charity Accounts 2022-23, have also been lodged with the Charity Commission. This section of the Trustees' annual report comments on key features of those accounts. In this section we firstly explain how we raised the money and then how we spent it.

## Sources of Funds

Raising Health Charitable Funds can only continue to support the work of Leicestershire Partnership NHS Trust for as long as we receive money to do so. Almost all of our income comes from the voluntary efforts of both our staff and the general public. This year we have received a significant donation from Carlton Hayes Charity (£55,000) and Coalville League of Friends (£50,000). We were also successful in being awarded £30,000 from NHS Charities Together to support fundraising activities. Overall we ended the year having received £255,000, which is an increase of £76,000 (42%) compared to the previous year's income of £179,000.

## Breakdown of our income

Voluntary Income Received - £255,000

## What we spent our Funds on

All of our funds are spent through grants to Leicestershire Partnership NHS Trust. The graph below highlights the main areas of spends.

Expenditure - £394,000

- **Raising Funds**

We spent a total of £87,000 (2021-22: £92,000) on raising funds. This largely relates to spend on our fundraising team and investment management fees. The reduction is due to a part-year vacancy in our fundraising team. We continuously monitor and benchmark the costs of running the charity and reduce them where we can.

- **Patient Wellbeing and Amenities**

Patients' wellbeing grants totalled £144,000 (2021-22: £113,000) and included sports equipment for the Beacon Unit; pottery workshops; PIER team hiking activities and sailing trip; weighted blankets; veterans swimming with dogs; furniture, furnishings and gardening improvements to enhance the patient and staff environment; cultural celebrations; and a dementia garden at the Evington Centre.

- **Staff Education, Training and Development**

Staff education, training and development spending of £17,000 (2021-22: £25,000) mainly supported research projects.

- **Staff Wellbeing and Amenities**

Staff wellbeing grants totalled £145,000 (2021-22: £285,000) which enabled support to be provided to Trust employees. This included the 'golden ticket' staff voucher scheme; staff pottery workshops, and staffroom upgrades. As in previous years, the costs of lottery prizes for staff are also included.

- **Other Costs**

Other grants totalled £1,000 (2021-22: £1,000).

## Structure, Governance and Management of Our Funds

The Charity was created by Trust Deed on the 10<sup>th</sup> of July 1996 and was named as the Leicestershire Health Authority Charitable Fund.

On the 8<sup>th</sup> of April 2004 the Charity was renamed as the Melton, Rutland Harborough PCT Umbrella Fund.

On 8<sup>th</sup> May 2007 the name of the Charity was formally changed in the governing document by a Supplemental Deed of Declaration to Leicestershire County and Rutland PCT Umbrella Fund.

On 22<sup>nd</sup> December 2011 the name of the Charity was formally changed via a Statutory Instrument 'Transfer of Trust Property' Order, from Leicestershire County and Rutland Primary Care Trust Charitable Fund to Leicestershire Partnership NHS Trust Charitable Fund.

Due to Transforming Community Services (TCS) community hospitals transfer from 1<sup>st</sup> April 2011 and the demise of the Primary Care Trust on 31<sup>st</sup> March 2013, Trustee arrangements transferred from Leicestershire County and Rutland Primary Care Trust (LCR PCT) to Leicestershire Partnership NHS Trust (LPT).

During 2016-17 to increase the profile of the charity and to generate more funds, the Charity changed its name to Raising Health.

## Corporate Trustee

LPT is the corporate trustee of our Raising Health Charity funds. The oversight of these funds has been delegated by our Trust Board to the Charitable Funds Committee which has responsibility for ensuring that funds are for the direct benefit of our staff, patients, and service users from across Leicester, Leicestershire and Rutland (LLR).

Corporate Trustee details, including the full list of Board members, can be found in LPT's 2022/23 Annual Report at <https://www.leicspart.nhs.uk/wp-content/uploads/2023/06/2022-23-LPT-Annual-report-and-accounts-combined.pdf>

## Charitable Funds Committee

As the corporate trustee of the Charity, LPT has nominated appropriate representation from the Board to act on its behalf on the Charitable Funds Committee. The Committee is a formal sub-committee of the Board and has a remit for reviewing the performance of the external investment managers and monitors the consistency of the investment of funds with its policy on ethical investment, for example by avoiding investments in industries detrimental to the objective of improving health and healthcare. The Committee approves the appointment and terms of the investment managers and approves items of expenditure which exceed the delegated limits of Fund Managers.

The membership of Raising Health Charitable Funds Committee as at 31<sup>st</sup> March 2023 was as follows:

### Members

- Cathy Ellis, Chair \*
- Ruth Marchington, Non-Executive Director (until 06/06/2022)

- Faisal Hussain, Non-Executive Director (from 07/06/2022)
- Sharon Murphy, Director of Finance & Performance
- David Williams, Director of Business Strategy & Business Development
- Carolyn Pascoe, Fundraising Manager
- Lorraine Newstead, Assistant Finance Manager (until 11/09/2022)
- Amy Crayfourd – Assistant Finance Manager (from 12/09/2022)

#### Attendees

- Jackie Moore, Financial Controller
- Kamy Basra, Associate Director of Communications

\* Crishni Waring replaced Cathy Ellis as Chair of the Charitable Funds Committee during the 2023/24 financial year.

The terms of reference for the Committee, including remit and membership is reviewed annually alongside a review of Committee effectiveness. The Committee provides a highlight report for Trust Board following each meeting, to give a level of assurance over key items received.

### **Fund Management**

The Charity holds designated (earmarked) funds relating to particular wards and departments. We manage spending through local fund managers who are allocated part of or the entire total fund to spend in accordance with agreed authorisation limits. Fund managers for each of the designated funds manage these funds on a day-to-day basis within the standing financial instructions and standing orders, and powers of delegated authority, set by the Corporate Trustee. The Committee oversees the work of the fund managers and has the power to revoke a fund manager's remit or, subject to any specific donor restriction, direct the use to which funds are put.

The Director of Finance & Performance is responsible for the day-to-day management and control of the administration of the charitable funds. The Director of Finance & Performance has responsibility to ensure that the spending is in accordance with the objectives and priorities agreed by the Charitable Funds Committee and the Board; that the criteria for spending charitable monies are fully met; that full accounting records are maintained; and that devolved decision making or delegated arrangements are in accordance with the policies and procedures set out by the Board.

### **Public Benefit**

All charities must demonstrate how funds are used for the public benefit. We use our funds to purchase equipment, enhance patient and staff well-being and support staff development. All of these activities directly or indirectly benefit members of the public, and the fund expenditure falls within its charitable purposes.

When considering where to focus our attention, our corporate trustee's board, and particularly the members of the charitable funds committee, have regard to the Charity Commission for England and Wales's guidance on public benefit and what this means for Raising Health.

## **Risk Management**

Any major risks that we are exposed to have been identified and considered by the Committee and systems have been established to mitigate these risks. The Charitable Funds Risk Register is reviewed at the start and close of each Charitable Funds Committee meeting. Controls and actions are in place to manage all identified risks.

We have appointed specialist investment managers who are responsible for generating a return on our capital investments. We have instructed them to invest in relatively low risk items for a moderate return. While there is still the potential for losses on our investment, this is greatly mitigated by the types of funds our investments are exposed to. The investments are held as long-term investments and the experience of our investment managers helps to reduce the risk of losses in the long term.

## **Related Parties**

Raising Health works closely with, and provides the entirety of its grants to Leicestershire Partnership NHS Trust. Although Committee members are careful to consult with representatives of LPT's services through their committee meetings and other, less formal contacts, they retain their independence to act in the best interests of Raising Health and the charity's beneficiaries.

## **Our Relationship with the Wider Community**

Our ability to continue vital support for Leicestershire Partnership NHS Trust is dependent on our ability to maintain and increase donations from the general public and corporate partners. We continue to forge strong relationships with members of LPT staff, without whose co-operation the ability to make an effective contribution would be much diminished. Close links are maintained with individual community hospital Leagues of Friends and associated voluntary organisations. We work closely with the Carlton Hayes Charity. This is an established local Charity that makes grant to support mental health service users in Leicester, Leicestershire and Rutland. We are also working towards building stronger links with corporate partners. We are pleased to work with these organisations and value their support.

## **Financial Review**

We utilise both our existing funds and income raised during the year to support our grant costs. During the year our overall fund value reduced by £183,000. This movement comprised of income received of £335,000 offset by expenditure of £394,000. In addition, there was an unrealised investment loss of £124,000. The closing fund value was £2,241,000, as shown in the Financial Position table. Prior year balances are shown for comparison purposes:

	Unrestricted Funds £000	Restricted Funds £000	Total 2022-23 £000	Total 2021-22 £000
<b>Incoming Resources</b>				
Voluntary income	225	30	255	179
Investment income	80	0	80	76
	<b>305</b>	<b>30</b>	<b>335</b>	<b>255</b>
<b>Expenditure</b>				
Charity expenditure	(394)	0	(394)	(516)
	<b>(394)</b>	<b>0</b>	<b>(394)</b>	<b>(516)</b>
<b>Other Movements</b>				
Net Gains / (Losses) on Investments	(124)	0	(124)	104
<b>Net Expenditure</b>	<b>(518)</b>	<b>0</b>	<b>(518)</b>	<b>(412)</b>
<b>Gross transfers between funds</b>	0	0	0	0
<b>Net Movement in Funds</b>	<b>(213)</b>	<b>30</b>	<b>(183)</b>	<b>(157)</b>
<b>Funds brought forward</b>	<b>2,423</b>	<b>1</b>	<b>2,424</b>	<b>2,581</b>
<b>Total Funds Carried Forward</b>	<b>2,210</b>	<b>31</b>	<b>2,241</b>	<b>2,424</b>

We are indebted to the generosity of patients, their families and carers, well-wishers, staff and friends who have all donated so generously to the work of the Charity.

## How we Manage Money

### Grant Making Policy

Raising Health fulfils its charitable objectives through making grants to services within Leicestershire Partnership NHS Trust.

With the exception of two restricted funds (with combined fund value of £31,000), all of our funds are unrestricted. Unrestricted Funds are sub-analysed between Designated Funds, where the Charity has set aside amounts to be used for specific purposes often reflecting the non-binding wishes of the donors, and Unrestricted Funds, which are applicable for any purpose at the Trustees discretion.

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified either as an endowment fund; where the donor has expressly provided that only the income of the fund may be spent on charitable activities, or as a restricted income fund; where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Endowment funds, where the capital is held to generate income for charitable purposes, are sub-analysed between those where the Charity has the discretion to spend the capital, known as an expendable endowment, and those where there is no discretion to expend the capital, known as a permanent endowment. We currently have no endowment funds.

This year we made grants of £307,000 (excluding any fundraising costs) representing 78% of total charitable expenditure (in 2021-22 we awarded grants of £424,000 or 82% of charitable expenditure). In making grants, the Committee requires that the activity falls within the objects of the Charity, that the grant request is supported by Leicestershire Partnership NHS Trust, and

that the funds are available to meet the request. Where funds are under the day-to-day management of a fund holder, the fund holder may incur approved expenditure, subject to the authorised expenditure limits, provided the expenditure falls within the objects of the fund. Expenditure should also be a reasonable charge to charitable funds and be in furtherance of the objects of the Charity.

### Reserves Policy

Reserves are part of the charity's income fund that is freely available to spend e.g. unrestricted funds. They do not form part of the unrestricted funds that are classed as designated (i.e. funds that reflect non-binding donor preferences), or the restricted funds.

As a charity we need to think about uncertainties we may face in the future and the need to hold some reserves to meet unexpected calls on funds or opportunities that may present themselves. With this in mind, the Charity has reserves of £120,000.

### Our Investments

The Charity has invested the majority of funds with the objective of maximising return while being exposed to only low levels of risk. The Charity does not have an active input into the structure of their investments, leaving this to our professional fund managers. However, we have specified that funds must not be invested in companies that have more than 10% of their turnover from: Alcohol Manufacture, Armaments, Gambling, Pornography and Tobacco.

The Trustees view investments into these areas listed above as being contradictory to the aims of Leicestershire Partnership NHS Trust. Our investment manager Cazenove Capital & Schroders Wealth provides quarterly reports to the Committee, which monitors their performance.

Going forward, to maximise investment gains on the charity's working capital, surplus cash will be deposited in a separate savings account, attracting higher interest rate returns than the current bank account's rate.

### Fundraising Activities & Future Plans

In order to progress further as a charity, Raising Health needs to attract greater levels of support and donations. We have a three-year rolling business plan for income and expenditure and have 4 key priorities for 2023-24:

- **VISIBILITY:** Increase the charity brand awareness and profile to all relevant audiences
- **INCOME:** Increase the level of donations to the charity using the appropriate fundraising mix
- **GRANTS:** Invest in initiatives that support the vision of the charity
- **PARTNERSHIPS:** Develop partnerships which increase the reach and impact of the charity

Our fundraising mix incorporates community and individual giving, corporate donations and partnerships, applications to trusts and foundations, events and challenges, staff lottery, in-memory giving, legacies and collection tins. We value every single donation no matter the amount.

The charity is supporting a number of fundraising appeals in 2023-24, and in particular will be prioritising schemes for our services users, including:

- Outdoor gyms on several sites
- Indoor gym at Stewart House rehabilitation wards
- A sensory room at the Beacon mental health ward for young people
- Dementia friendly wards in our community hospitals
- Veterans appeal, helping with therapeutic recovery
- Road to recovery appeal, supporting physical activity for our patients at Stewart House
- Let's get gardening appeal, supporting the therapy garden at the Bradgate Mental Health Unit

Details of all of our appeals can be found at <https://www.raisinghealth.org.uk/appeals/appeals>

## A Formal Vote of Thanks

The Corporate Trustee would like to thank all patients, relatives and staff who have given legacies and made charitable donations to Raising Health this year. These donations have enriched the care provided by LPT and improved the working lives of LPT staff. Special thanks to our fundraisers who do so much to encourage others to support our appeals and the work of LPT.

## Having read all about us, please consider supporting the work of Raising Health

The challenge facing Raising Health in the future is to maintain and grow support so we can continue to make a difference to local people being cared for by Leicestershire Partnership NHS Trust.

## What could your donation buy?

£1	could buy	Play therapy art materials for terminally ill children
£10	could buy	A reminiscent CD or DVD for our dementia patients
£30	could buy	A Play Station game for our adult mental health wards
£100	could send	Arts materials for a ward
£1,000	could buy	Sensory equipment for patients
£5,000	could adapt	A vehicle for patient transport
£10,000	could refurbish	A non-clinical patient area, such as a patient gym
£30,000	could support	A researcher for a year

If you would like to make a donation or support any of our fundraising activities, please visit our website [www.raisinghealth.org.uk](http://www.raisinghealth.org.uk)

**Signed:**

**Name:** Crishni Waring, Chair

**Date:** 6th December 2023

## Statement of Charity Responsibilities

Under the trust deed of the charity and charity law, the Corporate Trustee is responsible for providing the Committee with an Annual Report and associated financial statements in accordance with applicable law and regulations. The Corporate Trustee has elected to prepare the financial statements in accordance with UK Accounting Standards, including FRS 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland.

The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the excess of expenditure over income for that period. In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- State whether the financial statements comply with the trust deed [and rules], subject to any material departures disclosed and explained in the financial statements;] and
- Assess the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- Use the going concern basis of accounting unless they either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

The Corporate Trustee is required to act in accordance with the trust deed [and the rules] of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable the trustees to ensure that, where any statements of accounts are prepared by them under section 132(1) of the Charities Act 2011, those statements of accounts comply with the requirements of regulations under that provision. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

The Corporate Trustee is responsible for the maintenance and integrity of the financial and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

By Order of the Corporate Trustee

Signed:

**Name:** Crishni Waring, Chair

**Date:** 6<sup>th</sup> December 2023

## **Independent Examiners' Report to the Corporate Trustee of the 'Raising Health' charity -Leicestershire Partnership NHS Trust (Charity Reference number 1057361)**

I report on the financial statements of Leicestershire Partnership NHS Trust Charity 'Raising Health' (the Charity) for the year ended 31 March 2023, which are set out on pages 18 to 32.

### **Respective responsibilities of trustees and examiners**

The Charity's corporate trustee is responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act"). The Charity's corporate trustee considers that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

Having satisfied myself that the Charity is not subject to audit and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the Charities Act 2011
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011
- to state whether particular matters have come to our attention.

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

This report has been prepared for and only for the corporate trustee as a body in accordance with section 145 of the Charities Act 2011 and the regulations made under section 154 of the Charities Act 2011 (Regulation 31 of The Charities (Accounts and Reports) Regulations 2008) and for no other purpose. I do not, in making this report, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Chartered Institute of Public Finance Accountants.

### **Basis of independent examiners' report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### **Independent examiners' statement**

In connection with our examination, no material matters have come to our attention which gives us cause to believe that, in any material respect:

- the accounts were not kept in accordance with section 130 of the Charities Act 2011
- the accounts did not accord with the accounting records
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

We have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Accounts

### 1. Accounting Policies

#### a) Basis of Preparation

The financial statements have been prepared on a going concern basis, under the historic cost convention, with the exception of investments, which are included at market value.

The accounts (financial statements) have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16th July 2014, the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1st January 2015.

The Trustees consider that there are no material uncertainties about the Charities' ability to continue as a going concern. As a grant making charity with few on-going commitments, the loss of income from reduced fundraising appeals will impact on any new grants that can be made in the short term rather than affecting the charity's ability to continue as a going concern. There are no material uncertainties affecting the current year's accounts.

#### b) Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the Trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 that a restatement of comparative items was needed. No restatements have been applied to these accounts.

#### c) Funds Structure

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified either as an endowment fund; where the donor has expressly provided that only the income of the fund may be spent on charitable activities, or as a restricted income fund; where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Endowment funds, where the capital is held to generate income for charitable purposes, are sub-analysed between those where the Trustees have the discretion to spend the capital; expendable endowment, and those where there is no discretion to expend the capital; permanent endowment. The charity currently has no endowment funds.

Unrestricted Funds are sub analysed between Designated Funds, where the Trustees have set aside amounts to be used for specific purposes often reflecting the non-binding wishes of the donors, and Non-Designated Funds, which are applicable for any purpose at the Trustees discretion.

## Balance of Funds as at 31<sup>st</sup> March 2023

Analysis of Funds	2022-23 £'000	2021-22 £'000
<b>Restricted</b>	<b>31</b>	<b>1</b>
<b>Unrestricted</b>		
Designated	1,763	1,837
Non - Designated	447	586
<b>Unrestricted total</b>	<b>2,210</b>	<b>2,423</b>
<b>Total Funds</b>	<b>2,241</b>	<b>2,424</b>

Previously, up until this financial year, all funds have been unrestricted except for the Amanda Pickett Memorial Fund (fund number: 10001) with a value of £1,207 as at 31<sup>st</sup> March 2023. The restricted fund has increased this year following the receipt of a £30k development grant from NHS Charities Together, which is aimed at improving and developing the charity. This funding will be used to create a resource which will generate additional income for Raising Health through fundraising applications.

The following funds are those unrestricted designated funds that exceed £100k in value. They are classified as designated based on the conditions of the donation, i.e., to be used for staff and patients at specific locations or sites. The Charitable Funds Committee will be reviewing their planned use during 2023/24.

Fund	Fund Name	£000
68030	The Edward J Toon Rutland Fund	204
23055	Bradgate General Purposes	155
48001	Ashby/Coalville General Purposes	130
01039	Palliative Care Services	114
01011	Foxes Fund	106
68001	Rutland General Purposes	100

### d) Incoming Resources

All incoming resources are recognised once the charity has entitlement to the resources, it is certain that the resources will be received, and the monetary value of incoming resources can be measured with sufficient reliability.

### e) Incoming Resources from Legacies

Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is probable; this will be once confirmation has been received from the representatives of the estate(s) that payment of the legacy will be made or property transferred, once all conditions attached to the legacy have been fulfilled, and if there are sufficient assets remaining once all liabilities have been settled, and when it is probable that the amount of incoming resources is known.

Any material legacies, including those that have been notified but not recognised as incoming resources in the Statement of Financial Activities are disclosed in the contingent assets note (note 13) with an estimate of the amount receivable.

**f) Incoming Resources from Endowment Funds**

The charity currently has no endowment funds.

**g) Resources Expended and Irrecoverable VAT**

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to each category of expense shown in the Statement of Financial Activities. Expenditure is recognised when the following criteria are met:

- There is a present legal or constructive obligation resulting from a past event
- It is more likely than not that a transfer of benefits (usually a cash payment) will be required in settlement
- The amount of the obligation can be measured or estimated reliably

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**h) Recognition of expenditure and associated liabilities as a result of grant**

Grants payable are payments made to linked, related party or third-party NHS bodies and non-NHS bodies, in furtherance of the charitable objectives of the funds held on trust, primarily relief of those who are sick.

Grant payments are recognised as expenditure when the conditions for their payment have been met or where there is a constructive obligation to make a payment.

A constructive obligation arises when:

- We have communicated our intention to award a grant to a recipient who then has a reasonable expectation that they will receive a grant
- We have made a public announcement about a commitment which is specific enough for the recipient to have a reasonable expectation that they will receive a grant
- There is an established pattern of practice which indicates to the recipient that we will honour our commitment.

The Trustees have control over the amount and timing of grant payments and consequently where approval has been given by the Trustees and any of the above criteria have been met then a liability is recognised. Grants are not usually awarded with conditions attached. However, when they are then those conditions have to be met before the liability is recognised.

**i) Allocation of Overhead and Support Costs**

Overheads and support costs are those costs which do not relate directly to a single activity. These include some staff costs, costs of administration, internal audit costs and IT support. Support costs have been apportioned between fundraising costs and charitable activities on an appropriate basis. The analysis of support costs and the bases of apportionment applied are shown in note 4. The charity regularly benchmarks its costs against similar charities.

**j) Fundraising Costs**

The costs of generating funds are those costs attributable to generating income for the charity, other than those costs incurred in undertaking charitable activities or the costs incurred in undertaking trading activities in furtherance of the charity's objects. The costs of generating funds represent staff costs, fundraising costs and investment management fees.

**k) Charitable Activities**

Costs of charitable activities comprise of all costs incurred in the pursuit of the charitable objects of the charity. These costs, where not wholly attributable, are apportioned between the categories of charitable expenditure in addition to the direct costs. The total costs of each category of charitable expenditure therefore include support costs and an apportionment of overheads, as shown in note 4.

**l) Fixed Asset Investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments. The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**m) Debtors**

Debtors are amounts owed to the Charity. They are measured on the basis of their recoverable amount. Information on the Charity's debtors can be found in note 11.

**n) Cash and Cash Equivalents**

Cash at bank and in hand is held to meet the day to day running costs of the charity as they fall due. Cash equivalents are short term, highly liquid investments, usually in 90-day notice interest bearing savings accounts. These are shown in note 14.

**o) Creditors**

Creditors are amounts owed by the charity. They are measured at the amount the charity expects to have to pay to settle the debt. The Charity's current liabilities are shown in note 14. Amounts which are owed in more than a year are shown as long-term creditors.

**p) Realised Gains and Losses**

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and market value at the beginning of the quarter the disposal takes place (or purchase date, if later). Unrealised gains and losses are calculated as the difference between the carrying value at the year end and opening market value (or purchase date if later). Investment gains and losses are detailed in note 3.3.

#### q) Pensions

The Charity does not directly employ any staff and therefore does not have any salary or pension costs. The staffing costs included in the charity's support costs and overheads, are recharged from the Corporate Trustee, Leicestershire Partnership NHS Trust.

#### r) Critical Accounting Judgements

The Charity has made no critical accounting judgements in the reported financial period.

### 2. Related Party Transactions

The charity has made revenue and capital payments grants to Leicestershire Partnership NHS Trust to the value of £394,000 as detailed in note 5. Other than these payments, there have been no transactions between the charity and the Trust.

Board members of the Corporate Trustee and members of the Charitable Funds Committee ensure that the business of the charity is dealt with separately from that associated with exchequer funds for which they are also responsible. Declarations of personal interest are made, where appropriate, and those declarations pertaining to the funds held on trust are available for public inspection by application through the relevant Trusts.

The Trust did not pay expenses to any member of the Board or Charitable Funds Committee, and members did not receive any honoraria or emoluments from charitable funds in the year.

### 3. Income

#### 3.1. Voluntary income

	2022-23			2021-22
	Unrestricted Funds £'000	Restricted Funds £'000	Total Funds £'000	Total Funds £'000
<b>Voluntary Income</b>

### 3.3. Realised & Unrealised Investment Gains – Losses

	2022-23			2021-22
	Unrestricted Funds £'000	Restricted Funds £'000	Total Funds £'000	Total Funds £'000
<b>Gains/(losses) on Investments</b>				
Realised	0	0	0	0
Unrealised	(124)	0	(124)	104
<b>Total</b>	<b>(124)</b>	<b>0</b>	<b>(124)</b>	<b>104</b>

## 4. Analysis and allocation of Support Costs and Costs of Raising Funds

Support and overhead costs are allocated between fundraising activities and charitable activities. Governance costs are those support costs which relate to the strategic and day to day management of a charity.

The bases of allocation used are as follows:

- Time: based on the time spent on a specific task by staff
- Direct allocation: where a cost is wholly attributable to a particular activity
- Expenditure: this is a proportion based spend on a particular activity

Costs of raising funds are those expenses concerned with the charities ability to generate new funds.

#### 4.1 Support Costs and Costs of Raising Funds

	2022-23			2021-22		
	Raising Funds £'000	Support Costs £'000	Total £'000	Raising Funds £'000	Support Costs £'000	Total £'000
<b>Governance Costs</b>						
Internal Audit Fees	3	3	6	3	3	6
Finance Staff	1	3	4	1	3	4
<b>Overheads</b>						
Investment Management	5	0	5	5	0	5
System license & Support	1	2	3	1	2	3
Finance Staff Costs	3	34	37	2	23	25
Fundraising Staff Costs	68	0	68	66	0	66
Fundraising (inc Marketing)	6	0	6	14	0	14
<b>Total</b>	<b>87</b>	<b>42</b>	<b>129</b>	<b>92</b>	<b>31</b>	<b>123</b>

#### 4.2 Allocation to Charitable Activities

	Unrestricted Funds £'000	Restricted Funds £'000	Total 2022-23 £'000	Total 2021-22 £'000
Raising Funds	86	1	87	92
Support Costs	41	1	42	31
<b>Total</b>	<b>127</b>	<b>2</b>	<b>129</b>	<b>123</b>

Allocation of cost is made on the basis of activity for each fund. There was no activity relating to restricted funds in the previous financial year.

### 5. Analysis of Charitable Expenditure

The charity did not undertake any direct charitable activities on its own account during the year. All of the charitable expenditure was in the form of grant funding.

In 2022-23 all grants were made to Leicestershire Partnership NHS Trust. The Corporate Trustee operates a scheme of delegation, through which all grant funded activity is managed by fund managers responsible for the day-to-day disbursements on their projects, in accordance with directions set out by the Trust's standing orders and financial instructions. The charity does not make grants to individuals. The total cost of making grants is disclosed on the face of the Statement of Financial Activities and the actual disbursement for each category of charitable activity is disclosed in note 5.

Expenditure commitments of £379,000 as at 31<sup>st</sup> March 2023 have not been recognised as a liability or provision. These commitments mainly relate to next year's fundraising, governance and support running costs, outdoor spaces and garden projects, staff enrichment, medical equipment and Research and Development projects. Expenditure linked to these commitments will be incurred in 2023-24. There are no performance related

conditions attached and all commitments are funded from donations, legacies or investment gains already recognised in the accounts.

### Charitable Activities

	Grant Funded Activity £000	Support Costs £000	Raising Funds Costs £000	2022-23 Total £000	2021-22 Total £000
Patients wellbeing and amenities	114	30	59	203	176
Staff wellbeing and amenities	136	9	20	165	307
Staff education, training & development	14	3	7	24	32
Other (inc building maintenance)	1	0	1	2	1
<b>Total</b>	<b>265</b>	<b>42</b>	<b>87</b>	<b>394</b>	<b>516</b>

### 6. Charity Remuneration, benefits and expenses

Members of the Charity give their time freely and receive no remuneration from the Charity for the work that they undertake

### 7. Analysis of staff costs and remuneration of key management personnel

	2022-23 £'000	2021-22 £'000
Salaries	97	84
Social Security Costs	11	9
Employers Pension Contributions	14	12
<b>Total</b>	<b>122</b>	<b>105</b>

The average number of full-time equivalent employees during the year was 2.77 (2021-22: 2.58) with all employees involved in providing support services to charitable activities or the governance of the charity. The increase relates to the recognition of the finance resource that supports the charity. The Charity considers its key management personnel to be the Charitable Funds Finance Manager and the Fundraising Manager. The total employment benefits including employer pension contributions of the key management personnel was £122,000 (2021-22: £105,000). No employees received employee benefits (excluding employer pension costs) of more than £60,000.

### 8. Role of Volunteers

As with most charities we rely on a group of committed volunteers to ensure we continue to meet our objectives. Our volunteers perform two main roles for the charity:

- **Fund Managers** – these are members of LPT staff who manage and monitor spend against the charity's designated funds. Each fund manager has delegated powers to spend against the designated funds which they manage. The managers determine what each fund can be spent on and allow fund holders to spend up to a limit of £500 without

additional approval from members of the Committee who hold increased authorisation limits. .

- **Fundraisers** – the charity has an ever-increasing number of fundraisers who freely give their time to raise funds for their chosen cause.

In accordance with the SORP, due to the absence of any reliable measurement basis, the contribution of these volunteers is not recognised in the accounts.

## 9. Auditors Remuneration

The accounts examination fee, undertaken by Internal Audit was £2,888 (2021-22: £2,750).

## 10. Fixed Asset Investments

	2022-23 £'000	2021-22 £'000
Market value brought forward	2,005	1,901
Add: additions to investments at cost	0	0
Less: disposals at carrying value	0	0
Add net gain (loss) on revaluation	(124)	104
<b>Market value as at 31 March 2023</b>	<b>1,881</b>	<b>2,005</b>

The following individual shareholdings or investments are considered individually to be material with the market values and proportion of the portfolio shown as at 31<sup>st</sup> March 2023:

	2022-23 £'000	2021-22 £'000
Equities	1,225	1,415
Bonds	235	161
Multi-Asset Funds	0	0
Alternatives	281	367
Cash	140	61
<b>Market value as at 31 March 2023</b>	<b>1,881</b>	<b>2,005</b>

## 11. Analysis of Current Debtors

The charity did not have any debtors in either 2022-23 or 2021-22.

## 12. Analysis of Current Assets: Short Term Investments and Deposits

The charity did not hold any short term investments and deposits in either 2022-23 or 2021-22.

## 13. Analysis of Contingent Assets

The charity has a contingent asset of £383,000, relating to the receipt of a legacy from the proceeds of a house sale, for St Luke's hospital. The Charity received income of £383,034 in June 2023.

#### 14. Analysis of Cash and Cash Equivalents

Cash	2022-23 £'000	2021-22 £'000
Cash in hand	0	0
Notice deposits (less than 3 months)*	367	437
Overdraft facility repayable on demand	(0)	(0)
<b>Total</b>	<b>367</b>	<b>437</b>

\* Relates to cash held in the Charity's current bank account and represents funds held to facilitate cash flow and the fulfilment of obligations to make grant payments.

#### 15. Analysis of Current Liabilities

Creditors under 1 year	2022-23 £'000	2021-22 £'000
Accruals	7	18
<b>Total</b>	<b>7</b>	<b>18</b>

The accruals of £7,000 mainly represent the sum owed by the charity at the end of the year to a related party – Leicestershire Partnership NHS Trust, for costs incurred by the Trust on behalf of the charity for the furtherance of its aims and objectives.

#### 16. Provisions for Liabilities and Charges

There were no provisions made in the current or previous year and all the grants payable have been paid or accrued.

#### 17. Legacies

One legacy is included in this year's accounts totalling £8,000; it has been classed as unrestricted. Details of the receipt of a future legacy is disclosed in the contingent asset note (note 13).

#### 18. Reconciliation of Net Income - (Expenditure) to Net Cash Flow from Operating Activities

	Total Funds 2022-23 £'000	Total Funds 2021-22 £'000
<b>Net income/(expenditure) as per the Statement of Financial Activities</b>	<b>(183)</b>	<b>(157)</b>
<b>Adjustments for:</b>		
(Gains)/losses on investments	124	(104)
Dividends, interest and rents from investments	(80)	(76)
(Increase)/decrease in debtors	0	0
Increase/(decrease) in creditors	(11)	4
<b>Net cash provided by (used in) operating activities</b>	<b>(150)</b>	<b>(333)</b>

## 19. Transfers between Funds

During the period there were no transfers between fund categories.

## 20. Analysis of Charitable Funds

	Fund Group/ Charity No	Balance b/f £'000	Incoming Resources £'000	Resources Expended £'000	Transfers £'000	Realised Gains / Losses £'000	Unrealised Gains / Losses £'000	Balance c/f £'000	2022-23 Unrestricted £'000	2022-23 Restricted £'000	2022-23 Total £'000

## 21. Connected Organisation

The Charity's Corporate Trustee is Leicestershire Partnership NHS Trust, which had the following results in the year under review and preceding year:

	2022-23 Operating Expenditure £'000	2023-23 * Surplus/ (Deficit) £'000	2021-22 Operating Expenditure £'000	2021-22 * Surplus/ (Deficit) £'000
Leicestershire Partnership NHS Trust	392,712	(2,860)	348,302	19
<b>Total</b>	<b>392,712</b>	<b>(2,860)</b>	<b>348,302</b>	<b>19</b>

\* This is the adjusted surplus/(deficit), excluding impairments and other technical adjustments

## 22. Events after the Reporting Period

The draft accounts were issued for review on 13<sup>th</sup> of October 2023. Between this date and the 6<sup>th</sup> of December 2023 there were no events after the reporting period.
