Structure, governance and management

The Memorandum of Association and the Articles of Association (10/05/1996) govern South Liverpool Vineyard. The Senior Pastor (Mr. A C Larkin) along with the other trustees have the general management and control of the administration of the charity.

Trustees are appointed in line with the Memorandum and Articles of Association. Trustees are chosen both for their understanding of the objects of the charity and their professional expertise and experience.

Day to day management of the Charity is delegated to Mr. A.C and Mrs S Larkin the staff and the senior leaders of South Liverpool Vineyard to implement the objectives of the Charity. The trustees are kept informed through regular reports and informal involvement.

Structure, governance and management *(continued)*

The Charity is a member of Vineyard Churches UK, a charity that functions as a resource for similar churches. They specifically provide resources, training and pastoral oversight. The membership allows Reverend A C Larkin to be an accredited pastor and the right for him to use the Trademark, "Vineyard" name in association with South Liverpool Vineyard Church.

Objectives and activities

1. The furtherance of religious or secular public education.
2. The advancement of the Christian Faith including missionary activities in the United Kingdom and overseas and also including but not limited to the planting of new churches and organisations of congregations.
3. The relief of the poor and needy.
4. The relief of the sick and elderly.
5. Such other charitable objects and for the benefit of such other charitable bodies and institutions as the Committee shall in their absolute discretion see fit.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

Condensed Report for 2021

Our work in the L8 area of Liverpool has been different again during 2021 due to the Pandemic but we have managed to continue to interact with the public in a socially distanced way and all in accordance with the Government guidelines although a little of our work has had to cease due to the pandemic, but we are hoping this will be resumed in the very near future.

Even though our Growbaby has not been able to function as it was, we managed to begin visiting some asylum seekers in their homes. The visits were carried out by some of our volunteers in Growbaby and were felt to be important to maintain the contact. We have also managed to get together for a coffee and a chat outside of the lockdowns. This has been a lifeline for our asylum seekers as they have said how much they have missed the interaction with others. They are quite isolated as they have no families here and so this has helped them still feel a part of the community. Also, one or two have very little English and so this will help them improve as we have chatted.

Our allotment has continued helping people access fresh grown fruit and vegetables during this difficult time. We have sought to keep social distance etc and this has meant that we have been able to work on there outside of the lockdowns, still blessing people by enabling them to get out in the fresh air and use the produce.

The meals for those having babies and suffering traumatic times have continued to be cooked and delivered to mums within the church and outside the Church. The lady who has had major surgery, enduring many months in hospital, is now progressing well but has still been supported by meals. This service has been a great help to many during times which have been more difficult than usual.

Our relationship with Maray and the Agencies continues and we are looking to work together serving the community in future.

Our coffee times have continued to keep contact with people through Zoom. Again this has been a lifeline for many who are very isolated and see no-one at all. Individuals who live alone have been very grateful to us for continuing to keep this going online. This is also encouraging others to pick up the phone, video or even visit when able to.

Financial review

It is the policy of South Liverpool Vineyard to maintain reserves at a level that would cover six months of the regular expenses of the Charity and steps are regularly being taken to build up reserves levels. The charity had a surplus of £17,982 in the 2021 fiscal year.

The primary source of income for South Liverpool Vineyard is the money donated by members of the church in either restricted or unrestricted offerings. This is aided by the system of being able to reclaim tax paid under the gift aid system.

The main application of the funds of the charity have been in the areas of Salaries, Venue hire, Administrative support and expenses and giving to charitable causes identified as supporting the charity's objectives.

It is expected that income to expenditure ratios should increase slightly in 2022 in comparison to those seen in 2021.

Plans for future periods

The Charity plans to maintain its pursuit of its objectives as set out above. This will continue to be facilitated by the ministry of small groups meeting the needs of specific groups of people, continuation of Sunday meetings and courses to support marriage and the family.

Public Benefit

As a Church we aim for the majority of our work to be of benefit to the public.

We have continued to interact with the public but in a very different way through 2021 due to the pandemic.

Work continues to be done working with the vulnerable, in particular those suffering from domestic abuse, asylum seekers, refugees, sex trafficked women and those financially challenged. Details are expanded upon in the Achievements and Performance section of the report.

Independent Examiner's Report to the Trustees of South Liverpool Vineyard Christian Fellowship

Year ended 31 December 2021

I report to the trustees on my examination of the financial statements of South Liverpool Vineyard Christian Fellowship ('the charity') for the year ended 31 December 2021.

Responsibilities and basis of report

The trustees are also the directors of the company for the purposes of company law are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. I am qualified to undertake the examination by being a qualified member of 'Accounting body'.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 December 2021

1. General Information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is 2 Cardwell Road, Garston, Liverpool, L19.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The entity satisfies the criteria of being a qualifying entity as defined in FRS 102. As such, advantage has been taken of the following disclosure exemptions available under paragraph 1.12 of FRS 102: (a) No cash flow statement has been presented for the company.

(b) Disclosures in respect of financial instruments have not been presented.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 25% reducing balance

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial Instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

South Liverpool Vineyard Christian Fellowship

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 31 December 2021

3. Accounting policies *(continued)*

Financial Instruments *(continued)*

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
