OBJECTIVES AND ACTIVITIES

Objectives and aims

The Egerton Road Trust is constituted by Trust Deed, and its objects are to provide general charitable donations and in particular for the relief of poverty and the advancement of religion and religious education. The policy of The Egerton Road Trust continues to be to derive its income from its investment property and donations from various institutions and to make donations in accordance with the Trust's objects.

Significant activities

The new synagogue

We are glad to see that the younger members have created a terrific committee to manage the refurbishment in order to be able to open this historic building for the benefit of the general public. We thank our dedicated team of staff and volunteers who so willingly give of their time and expertise over and above their duties. All our donors and funders who so kindly enabled all these services to run. Without you, our successful work could not have been accomplished. And to all our beneficiaries, young and old, we look forward to many more fun, educational, cultural and stimulating activities in the future.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit, and in particular to its supplementary public benefit guidance on advancing education, when reviewing the charity's aims and objectives, and in planning future activities and setting grant making policy for the year.

Social investments

Breakfast

We thank our donors who enabled us to run the breakfast club for the youth of the community to promote a healthy lifestyle. This helped the many children who would otherwise forgo breakfast and do not eat anything other than a small snack until lunch. The breakfast club meant that the participants had an adequate diet suitable for growing children which in turn increased their learning and concentration abilities.

Grantmaking

Grants are made at the discretion of the trustees and in accordance with the principal objectives of the charity.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year, the charity received donations totalling £799,746 (2023: £856,859), with expenditure totalling £880,282 (2023: £1,001,081). As at 31 March 2024 the charity has Unrestricted funds of £1,413,388 (2023: £1,493,924).

THE EGERTON ROAD TRUST
INDEPENDENT EXAMINERS REPORT

Independent Examiner's Report to the trustees of THE EGERTON ROAD TRUST

I report to the trustees on my examination of the financial statements of THE EGERTON ROAD TRUST for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011('the Act'). The trustees consider that an audit is not required for this year under the Charities Act 2011, s.144(2) (the 2011 Act) and that an independent examination is needed.

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

As the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 f the 2011 Act. i confirm that i am qualified to undertake the examination as a member of ICAEW.

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in, any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of the financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Tangible fixed assets and depreciation

Depreciation where relevant is provided in order to write off each asset over its estimated useful life.

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Intangible fixed assets and amortisation

Intangible fixed assets (including purchased goodwill, patents and trademarks) are carried at cost less accumulated amortisation and impairment losses.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
