(Association of Wheelchair Children)

Report of the Trustees
for the Year Ended 31 January 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 January 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

Go Kids Go! (Association of Wheelchair Children) aims to enable 'independence through mobility' for young wheelchair users and their families by providing specialist training and expert advice to assist them to take a fuller and more active part in everyday life.

Go Kids Go! run wheelchair skills training for young wheelchair users throughout the UK. We teach essential skills in the workshops including road safety for young wheelchair users, back wheel balancing in order to negotiate kerbs and uneven ground, skills to cope with slopes and emergency evacuation techniques.

Our wheelchair skills workshops are unique in that we bring a supply of extra wheelchairs for parents and siblings to join in too, making workshops fully inclusive. Our training helps improve confidence and self-esteem in the young people. Families find our workshops are a good opportunity to share experiences and receive practical advice and support. Parents and siblings also gain a greater awareness of the challenges faced by the wheelchair user.

Becoming more independent is a key outcome of our training, meaning the young person has more opportunities in their future; they may have more employment opportunities and be less reliant on benefits and health/social services. The impact on the family can be enormous; one family quoted after a training course 'It really did change the course of our lives'.

To encourage the greatest number of children to benefit from our work, absolutely no charge is made to the families involved for the service we provide although donations are always welcomed. We are committed to ensuring that a family's possible lack of financial resources will not prevent a wheelchair using child from acquiring these vital skills

Significant activities

During 2021 we were able to run group training sessions across the UK. With Covid concerns we have been running 2 half-day sessions in each location so we can work with more families without the groups becoming too large.

Public benefit

In shaping our objectives for the year and planning our activities the trustees have considered the Charity Commissions guidance on public benefit.

Volunteers

We actively encourage volunteers and they provide essential back up to the work of our paid staff. The support and skills of our volunteers are greatly appreciated by all at the charity. Often young wheelchair- users who have benefitted from our training attend courses as volunteers to encourage and inspire younger participants.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

2021 has been a busy year for the charity. Although we were not able to start operating until April due to Covid restrictions we found once we were able to operate that there seemed to be a lot of interest in our services from families across the UK. We have adapted our workshops and now offer more small group sessions often running 2 or 3 separate training sessions in each location. In total during the year we have delivered 49 training days including core workshops and disability training days in mainstream schools. 239 disabled children and young people have attended our workshops. During 2021 a total of 1458 people have benefitted from our training including disabled children, their parents and siblings, children in mainstream schools and health and education professionals

FINANCIAL REVIEW

Principal funding sources

As we are a national charity Go Kids Go! are funded from numerous sources, organisations and bodies throughout the UK. During the period, February 2021 to January 2022, Go Kids Go! (Association of Wheelchair Children) has received generous support from many charitable trusts and foundations, companies and individuals.

This has included generous support from Awards for All England, Scotland, Northern Ireland and Wales and The James Tudor Foundation.

Reserves policy

The charity has free unrestricted reserves to cover approximately six months expenditure. This would provide a satisfactory buffer zone should there be a period of reduced income. These reserves total £75,000. The charity also holds a staff pension reserve of £10,000 and property maintenance reserve of £5,000.

Further details are given in note 11 to the accounts, on page 15.

FUTURE PLANS

In 2022 we plan to revisit all of the regions where we have had a good turnout in 2021 as well as offering our training to families in new locations, following on from requests.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Go Kids Go! (Association of Wheelchair Children) was founded as a registered charity in 1990 and was incorporated on 13th September 1996 as a charitable company limited by guarantee and not having a share capital. It is registered in England and Wales under company number 3249582 and charity registration number 1057894 and is governed by its Memorandum and Articles of Association.

After extensive consultation between the trustees, staff and other users it was decided that from 7th October 2009 the Association of Wheelchair Children should adopt the trading name of Go Kids Go! and this name was duly registered with the charity commission at that time. In September 2011 the company name was also amended at Companies House.

Recruitment and appointment of new trustees

Trustees are appointed by a majority of votes and in the case of an equality of votes the chairman has a second or casting vote. Being members of the company the liability of the trustees as per the Constitution is limited to an amount not exceeding ten pounds.

Organisational structure

The charity is managed on a day to day basis by the Training Manager (Roy Wild) who reports directly to the trustees and sends out monthly updates to them. The trustees themselves meet on a regular basis - at least once each quarter.
