Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To provide affordable housing which could relieve poverty, homelessness or unsatisfactory housing conditions of people with a physical or sensory impairment or mild learning disability

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As managing agents for a Registered Social Landlord (RSL), IHOT provides affordable rented accommodation at Diana Francis House (DFH) for people with physical and/or learning disabilities combined with training and help in assisting them to live independently.

At any one time there are up to five residents aged between 18 and 55 (at time of moving in). The average stay was originally intended to be 12 to 24 months. But the acute shortage of suitable 'supported' housing available through our social housing partners means the length of stay can be considerably longer.

The facility has proved over the last two decades to be of significant public benefit as former residents have mostly moved on to suitable permanent homes appropriate for their needs. IHOT no longer provides support to residents during the transition to their new homes as our local authority partners have stopped funding this activity.

The Trustees have regard to the guidance issued by the Charity Commission on the matter of public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During the year IHOT continued in its role in providing supported housing accommodation and assistance to the residents at DFH.

The Trustees style their meetings as Board meetings and refer to themselves as Board members, when dealing with outside organisations. This better reflects the strategic role of the (now) Board.

We have to record the sad death of one of the original Trustees, Michael Anderson. It is difficult to adequately set out the immense dedication and service Michael gave to IHOT over more than two decades.

Michael's untimely death just before the year end resulted in several payments due to be made by 31 March 2025 could not be processed. These were paid in April 2025. So, the accounts to 31 March 2025 show an artificially positive position (a surplus of £19,468) – and the current year (to 31 March 2026) will probably show an artificially poorer position than is actually the case. The 'normal' financial position of IHOT remains stable.

The excellent work of our two part-time Supported Housing Officers helped our residents. The Board want to formally record their appreciation for their efforts during the year.

A new (part-time) Supported Housing Manager has been appointed from 1 July 2024. IHOT has seen significant improvements in how its services are delivered and managed since that time, making the service more sustainable. One immediate benefit is that resident meetings (with staff) have started again – meaning residents are better able to give constructive feedback about DFH and the services IHOT provides.

In recent years, our RSL landlord has increased the costs to IHOT, including charging for use of the (small) office at DFH. The Board have made the difficult decision that these costs must be passed on to the residents, making it more difficult to get funding of total costs through Housing Benefit.

It has, again, not been possible for all trustees to attend Board meetings in person during the year. We have taken the pragmatic decision to use video conferencing to ensure the full information is shared with, and decisions made by, all Board members.

We formally declare that during the financial year there have been no serious incidents that required reporting to the Charity Commission.

Due to the difficulty in holding Board meetings and the need to recruit new trustees it has (again) not been possible to transfer the assets and liabilities of IHOT to the separate CIO (1188326), with the subsequent closure of the existing IHOT. We will progress this as soon as practicable.

The capacity of Board members to actively oversee IHOT's activities in the last year has again been limited. This has meant the roles of Treasurer and Chairman – on an interim basis – have continued to be carried out by one person. The Board recognises this is not desirable or sustainable.

Post End of Year Note:

Another of our Trustees, Pete Atkins, has sadly died this year. But we have recruited another Trustee to replace Pete. Recruitment of more Trustees is a key issue for the Board.
