Objectives and Activities

The Charity's objects are to promote any charitable purpose for the public benefit by the advancement of education, the protection and preservation of health, and the relief of poverty, sickness and distress in particular but without limitation for the benefit of the community in Ashford borough and surrounding areas.

The Bureau provides an independent and confidential information, advice and support service to citizens of all ages and backgrounds on a wide range of issues ranging from debt, benefits, employment, consumer, relationships, legal, housing and many others. The charity help citizens deal with their problems by providing information that enables them to make the right decisions for themselves.

Structure, Governance and Management

The charity, which is registered with the Charity Commission under number 1058302, is established under its Memorandum and Articles of Association dated 28 August 1996, as amended 12 July 2000, 28 March 2002 and 13 October 2004 and 2nd November 2022.

The Trustees are responsible for the governance and management of the charity but the day to day running of the charity is delegated to a management committee. REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

Achievements and Performance in the year

As with most voluntary organisations the last year proved to be one of great change and challenge. Throughout 2024 we were faced with the impact that the financial situation had on the residents of Ashford. Increases in rent /mortgage payments and food prices, together with housing problems and energy costs, led to a significant rise in demand for our services. We have noted a huge increase in relationships issues related to the cost of living pressures on families. Increasing numbers of clients attended our offices for face to face support, or accessed our service by telephone, email or online.

In 2024 our services have been supported by grants and additional funding from Ashford Borough Council and The Seabrooke Trust. The 'Friends of ACAB' have recommenced fundraising and we are extremely grateful for this continued support for our work. Last year our Specialist Advisers generated over £2.5k from the services they delivered to further support our advice service.

However, we are facing severe financial constraints as funding budgets come under continued pressure. The coming year will be one of severe challenge for us in our efforts to continue to provide our valuable advice service.

Financial Review

During the year income amounted to £246,021 (2024: £244,501). Expenditure amounted to £278,615 (2024: £256,429). At 31 March 2025 total funds amounted to £277,413 (2024: £310,007).

Reserves Policy

The Trustees consider it appropriate to hold unrestricted reserves equivalent to six months operating expenditure which would be in the region of £139,307 (2024: £124,215). At 31 March 2025 general unrestricted funds amounted to £207,115 (2024: £236,792).

Restricted funds amount to £Nil (2024 0) and relate to funds received for specific projects as detailed in note 13. Designated funds amount to £70,298 (2024: £73,215) and relate to funds set aside by the Trustees for specific projects as detailed in note 12.

The strategic review of reserves policy is on going to include protected forward planning of services, development, costs and funding. The need for employing specialists in areas as yet not covered by bureau services e.g. employment, welfare benefits and housing is considered a priority by the Trustees. The ability of the Bureau to offer these services to the community at a high level will be of benefit to all and will place the Bureau in a strong and robust position to manage the impact of the forthcoming changes to the Government Welfare Reform programme. A sum of money will be kept in reserve for protection against future uncertainties.

ASHFORD BOROUGH CITIZENS ADVICE

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2025

Risk Management

The Trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable the charity to lessen or mitigate those risks.

The main risks the charity faces and what actions the Trustees have taken to mitigate these:

Projects have a material negative impact on the financial stability of the bureau due to withdrawal of funding and or ability to meet funder requirements

Fundraising strategy in place with defined objectives, including a strategy for reaching those in greatest need.

Appropriate balance between funding base and core service and funding for projects. Diverse and sustainable funding base and a fundraising culture.

Bureau fails to reach organisational or quality of advice or other standards.

Quality assurance mechanisms in place and effective. Client satisfaction, professional conduct and customer care are high.

Future Plans and Projects

(A) To Maintain the fabric of Seabrooke House to an acceptable level, especially regarding Health and Safety regulations

(B) To be aware of suitable funding opportunities which will enhance our work of guiding and assisting members of the public in the increasing complex changes that are taking place.

(C) To continue to be vigilant of Government changes that could impact on Ashford Borough Citizens Advice and its services.

(D) To ensure that all staff are trained to the level of compliance set by Advice UK Membership Rules.

(E) To continue to have dialogue with other organizations with the view to enhance our own services and procedures.

(F) To continue to review salary levels on an annual basis.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES ASHFORD BOROUGH CAB

I report to the Trustees on the accounts of the charity for the year ended 31 March 2025 set out on pages 8 to 20.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Certified Public Accountants Association, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

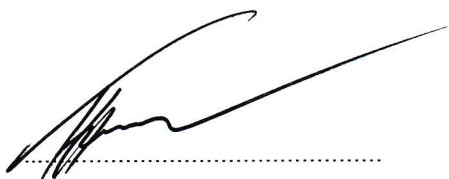

Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act, or

The accounts do not accord with those records; or

The accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or

the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable to the UK (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS FOR
THE YEAR ENDED 31 MARCH 2025**

1 ACCOUNTING POLICIES

1.1 Basis of preparation

Ashford Borough Citizens Advice is a registered charity with the Charity Commission in the United Kingdom. The address of the registered office is given in the charity information on page 3 of these financial statements. The Bureau provides a free, independent and confidential information, advice and support service to citizens of all ages and backgrounds on a wide range of issues ranging from debt, benefits, employment, consumer, relationships, legal, housing and many others. The charity help citizens deal with their problems by providing information that enables them to make the right decisions for themselves. The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) issued on 16 July 2014 as amended by Bulletin 1, the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £. The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Funds accounting

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objectives. Unrestricted funds include designated funds where the Trustees, at their discretion, have created a fund for a specific purpose.

Restricted funds are funds that can only be used for particular restricted purposes within the objects of the charity.

Restriction arises when specified by the donor or when funds are raised for particular restricted purposes.

Designated funds represent funds designated at the discretion of the Trustees. The designated fund balance has been represented to ensure that fund balance stated accurately reflects the designation policy adopted by the Trustees.

1.3 Income

All income is included in the Statement of Financial Activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Grant income is included in the Statement of Financial Activities when receivable.

Voluntary income including donations and gifts is included in full in the Statement of Financial Activities when receivable

- Rental income is included in the Statement of Financial Activities in the year in which it is receivable.

- Investment income is included when receivable.

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised. On occasion legacies will be notified to the charity however it is not possible to measure the amount expected to be distributed. On these occasions, the legacy is treated as a contingent asset and disclosed.

1.4 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. It is categorised under the following headings:

Expenditure on charitable activities includes comprises those costs incurred by the charity in the delivery of its activities and

ASHFORD BOROUGH CITIZENS ADVICE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

services for its beneficiaries. It includes both costs allocated directly to such activities and those costs of an indirect nature necessary to support them.

1.5 Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, and administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. Premises overheads have been allocated on a staff time basis and other overheads have been allocated on a staff time basis.

1.6 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended. Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows

Fixtures, fittings and equipment	33.33% reducing balance
Leasehold improvements	15 years straight line
Computer equipment	33.33% straight line

All assets costing more than £200 are capitalised and a full year's depreciation is charged in the year of acquisition.

1.7 Leasing

Rentals payable under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

1.8 Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure

1.9 Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

1.10 Going concern

The financial statements have been prepared on a going concern basis as the Trustees believes that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

The Board of Trustees are confident that the charity will continue to be able to operate during the next 12 months and is therefore currently a going concern.

ASHFORD BOROUGH CITIZENS ADVICE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1.11 Judgements and key sources of estimation uncertainty

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are reassessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 9 for the carrying amount of the property, plant and equipment, and note 1.5 for the useful economic lives for each class of asset.
