COMBINED MILITARY SERVICES MUSEUM

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2024

The trustees present their annual report and financial statements for the year ended 31 August 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The main objects of the charity are to display its collection for the education of the general public, and to preserve its collection for the benefit of future generations.

The charity will co-operate with other charities, voluntary bodies and statutory authorities operating in furtherance of the objectives and to exchange information and advice with them.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The trustees are very grateful for all the efforts of the volunteers throughout the year.

Achievements and performance

During the current financial period the Museum has reduced its costs to offset the high energy bills it has been facing. It has had an energy review, which has assisted in greatly reducing its electrical costs, helping the museum to become more resilient.

The museum has also relied heavily on volunteers to help man the museum, and has been successful in receiving funds for the loan of artefacts for international exhibitions to assist with cashflow.

Visitor numbers have been slowly improving during this financial period and are now back to similar levels to that achieved prior to the Covid-19 pandemic.

Overall the trustees are very satisfied with the museum's activities and the charity's performance during the financial year.

Financial review

The trustees believe that the year end position and financial performance during the year are satisfactory. At the balance sheet date total funds were £2,172,069 (2023 - £2,161,834). Of these funds £234,108 (2023 - £236,171) relates to restricted funds.

A surplus of £10,235 (2023 - £25,740 deficit) has been returned for the year. This has been achieved through an increase in admissions and shop income along with other income earned from loaning some exhibits to other establishments.

The charity has also taken the opportunity to invest in updating some of its procedures and policies, which has resulted in the museum being awarded accreditation again, which reflects the good work of the staff and Trustees during this period.

COMBINED MILITARY SERVICES MUSEUM

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2024

Most of the funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes. The only exception to this is the lottery grant which is primarily to fund the extension of the museum and has been treated accordingly.

The levels of reserves have so far been determined by external factors as the charity becomes established, but it is expected that reserves will be determined by the need to keep a minimum level of operating working capital, especially with regard to unrestricted funds. Restricted funds are not expected to be liquid as they are likely to be tied up in the freehold building.

The trustees have examined the charity's requirements for reserves and have established a policy that unrestricted reserves should be sufficient to cover at least six months of the charity's expenditure.

The Museum's main sources of income are derived from admissions and associated sales at the Museum, supplemented by grant funding and donations.

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Structure, governance and management

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity. The charity is constituted by Deed of Trust dated 29th August 1996 and its registered number is 1058595.

The trustees who served during the year and up to the date of signature of the financial statements were:

Mr R Wooldridge

Dr D A Pullen

Mr J M Hulott

Dr V E Ashworth te Velde

Mrs A A J Percival-Borley

The existing trustees make appointments of new trustees when deemed necessary in order to perform the trust's objectives effectively. Potential trustees are selected on the basis of their relevant background and experience and are expected to actively support and further the charity's work.

The trustees meet on a regular basis in order to discuss relevant matters relating to the charity. Important decisions are reached at these meetings and communicated to the staff and other interested parties.

Public benefit

The object of the Combined Military Services Museum is to display its collection for the education of the general public. The trustees are very pleased with the work having been carried out this year in line with the charity's objects.

The trustees have read the guidance issued by the Charity Commission and consider that they are in full compliance.

The trustees' report was approved by the Board of Trustees.

Mr R Wooldridge

Trustee

COMBINED MILITARY SERVICES MUSEUM

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF COMBINED MILITARY SERVICES MUSEUM

I report to the trustees on my examination of the financial statements of Combined Military Services Museum (the charity) for the year ended 31 August 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

COMBINED MILITARY SERVICES MUSEUM

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

Charity information

Combined Military Services Museum is a charitable trust and registered at the Charity Commission number 1058595.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's [governing document], the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

COMBINED MILITARY SERVICES MUSEUM

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

(Continued)

Government grants are recognised at the fair value of the asset received or receivable when there is reasonable assurance that the grant conditions will be met and the grants will be received.

A grant that specifies performance conditions is recognised in income when the performance conditions are met. Where a grant does not specify performance conditions it is recognised in income when the proceeds are received or receivable. A grant received before the recognition criteria are satisfied is recognised as a liability.

1.5 Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Land and buildings	No depreciation is provided
Plant and machinery	10% on reducing balance
Fixtures and fittings	At variable rates on reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

No depreciation is provided on the charity's freehold property as the trustees believe that its economic value is substantially higher than its book value and any depreciation would be immaterial. The property will be subject to regular impairment reviews.

1.7 Heritage assets

Heritage assets are initially shown at the cost of the acquired asset. A heritage asset that is recognised initially at its cost may be subsequently carried at a valuation where a charity adopts a policy of carrying its heritage assets (or group of heritage assets) at valuation. Heritage assets are held and maintained principally for their contribution to knowledge and culture and consequently are not considered to have a finite economic life. Consequently no depreciation is charged on heritage assets.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

COMBINED MILITARY SERVICES MUSEUM

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting policies

(Continued)

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.14 Heritage Lottery Fund

The National Lottery fund contributed to the cost of buildings and display cases and the balance on the restricted fund represents the value of those assets acquired less amortisation.

COMBINED MILITARY SERVICES MUSEUM

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
