## TRUSTEES' REPORT

For the year ended 5 April 2021

---

The Trustees submit their annual report and the financial statements of The M & M Charitable Foundation (the charity) for the year ended 5 April 2022. The Trustees confirm that the annual report and financial statements of the charity comply with current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (revised 2005) issued in March 2005.

The charity is registered with the Charity Commission under number 1059070.

The legal and administrative information on page 1 forms part of this report.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is constituted under a Trust deed dated 16 October 1996.

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed.

The Trustees are empowered to pay any part of the capital and income for the benefit of such charitable purposes or institutions within or outside of the United Kingdom in such manner and in such proportion as the Trustees in their discretion determine.

The Trustees have assessed the major risks to which the charity is exposed and are satisfied that they have taken all necessary steps to mitigate those risks.

### OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance when reviewing the Foundation's aims and objectives and in planning future activities and setting the grant making policy for the year.

The objectives of the charity are to make charitable donations to other charitable bodies and associations at the Trustees' discretion. In making their assessment of institutions the trustees have regard to how best the receiving charity will employ the funds in providing support to their beneficiaries. No preference is made to institutions involved in any particular charitable activity.

There have been no changes in the objectives since the last annual report.

The Trustees have met these aims by making donations to a large number of institutions in the year.

The grant-making policy is such that the Foundation receives requests for grants from a wide range of organisations and are evaluated individually by the Trustees.

### ACHIEVEMENTS AND PERFORMANCE

The charity has made a total of more than 100 grants to charitable institutions.

### FINANCIAL REVIEW

#### Reserves policy

It is the policy of the charity to maintain a low level of reserves, making donations to institutions as and when funds are made available to it. Donations are made at the discretion of the Trustees.

## TRUSTEES' REPORT

For the year ended 5 April 2022

---

During the year, donations of £35,000 were received from Benmar Textiles Limited, a company registered in England and Wales. The company is considered to be a related party as the Trustees of the charity are also the directors of that company.

### PLANS FOR FUTURE PERIODS

The Trustees intend to continue making grants available to other charitable bodies and associations as funds become available.

### TRUSTEES' RESPONSIBILITIES

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing those financial statements the Trustees have:

selected suitable accounting policies and applied them consistently; made judgements and estimates that are reasonable and prudent; stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the charity will continue in operation).

The Trustees have overall responsibility for ensuring that the charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements are accurate. During the year the Foundation received donations of £40,000 and have taken reasonable steps for the detection and prevention of fraud and other irregularities.

This report was approved by the Trustees on 3 February 2023 and signed on its behalf, by:
