Report of the trustees for the year ended 31st December 2021

The trustees present their annual directors' report and financial statements of the charity for the year ended 31st December 2021 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Objectives and activities

The purposes of the charity are to advance the education of the public by the improvement and diffusion of knowledge and information about all aspects of immigration, nationality and refugee law and practice. EIN is dedicated to the empowerment and support of organisations and individuals whose purpose is to provide advice and support to immigrants and asylum seekers by publishing electronic information on migration issues for effective representation, education and debate.

The trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's aims and objectives, in planning future activities, and setting its policies for the year.

The charity furthers its charitable purposes for the public benefit by providing access to the latest case law, country information, legislation and other resources on one site either free, or to subscribers at an affordable price. This information is vital to those providing advice and representation on immigration, asylum and human rights cases, including appeals. The section of the website for non-subscribers is open to everyone and provides bespoke resources such as the Best Practice Guide to asylum appeals; latest news and opportunities to advertise forthcoming events and training opportunities.

EIN also provides practitioners with a directory of country experts which has been compiled over the last ten years and is widely valued by practitioners and academics.

Structure, governance and management

EIN is a company limited by guarantee governed by its Memorandum and Articles of Association dated 5th November 1996. It is registered as a charity with the Charity Commission and is constituted under a trust deed dated 12th November 1996.

Appointment of trustees

As set out in the Articles of Association one third of the trustees shall retire by rotation. Those retiring by rotation shall be those who have been longest in office, and may offer themselves for re-election.

Trustee induction and training

Trustees may be drawn from member organisations and are familiar with the work of the charitable company. Trustees receive an induction pack upon election to the Board. The Charity Commission's pack for trustees is sent to new Trustees.

Organisation

The board of trustees administers the charity. EIN has a voluntary Board of Trustees, elected, nominated or co-opted and may be up to 25 individuals. Trustees may be representatives of

member organisations or individuals and can co-opt up to 5 more Trustees at the AGM or from time to time as required provided that the total number of co-opted Trustees does not exceed one half of the total. Trustees meet a minimum of once a quarter, with an annual strategy meeting. Trustees are responsible for the strategic direction and policies of the charitable company. A scheme of delegation is in place and day to day responsibility for the provision of services rests with the Chief Executive.

A review of our achievements and performance

After an extremely difficult 2020, embarking on a period of reflection and planning in order to maintain proper oversight of EIN's affairs, the Trustees met fortnightly during the first quarter of 2021. EIN's staff and board then began the process of reorganisation necessitated by the death of our Chief Executive Shindo Maguire, and Trustee Clyde James.

Important staffing decisions were made, resulting in the recruitment of Office Manager Alex Ross and Legal Director Marianne Nienhuis (from 1 January 2022). The Trustees believe the separating out of certain aspects of Shindo's former role into two part-time positions further strengthens our commitment to robust corporate governance and structuring, while taking account of the small size of the charity.

The website continues to maintain a comprehensive database of primary and secondary legislation in our field of work. The ongoing pandemic remained a cause of concern for the subscription model which is the mainstay of the charity's income, but during 2021 we did not see a marked decrease in our subscriber base. This is a testament to the resilience of the immigration sector, and we pay tribute once again to those legal aid practitioners and organisations who have weathered the Covid storm.

On the members' site, our body of case law remains impressive and up to date, benefiting from the search engine's ability to highlight similar cases, and from the headnotes written by Mark Symes of Garden Court Chambers, to whom we remain grateful.

The Best Practice Guide to Asylum and Human Rights Appeals was once again updated, ready for launch in March 2022. We are grateful to Alison Pickup, Rowena Moffatt and Mark Henderson for their commitment to this online publication which is highly valued by practitioners.

We would like once again to thank John Kelly and Marianne Nienhuis (in her former contractor role) for their continuing and invaluable contribution to the content and technical support for EIN. Thanks also to Claire Bates and Kate Hardman in our back office in Manchester.

Financial review

Our main income continues to be generated from the subscriptions paid by our members. Our pricing structure remained unchanged from the previous financial year.

The site continues to be popular within the sector for advertising job opportunities at reasonable rates.

The experts' directory also brings in a further modest income.

EIN finances remain stable and viable, we have managed to increase our total reserves during this financial year due to temporary changes to our staffing structure.

Total income in the year decreased by just over £11,000 to £191,941 and expenses decreased by £54,301 to £151,661 leaving a surplus of £40,280.

Investment powers and policy

The trustees, having regard to the liquidity requirements of operating the charity, have kept available funds in interest-bearing deposit accounts.

Reserves policy and going concern

The balance held in unrestricted reserves at 31st December 2021 was £142,901 of which £141,830 are free reserves, after allowing for funds tied up in tangible fixed assets.

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately six months of unrestricted charitable expenditure and still be able to offer statutory redundancy should the Charity cease to operate for any reason. We calculate that this would equate to approximately £104,250 at current levels of activity.

Having regard to the reserves and the budget the trustees consider that the charity is a going concern.

Risk management

The trustees have reviewed and examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that necessary steps can be taken to lessen these risks. Systems of internal control have been instituted to provide reasonable, but not absolute, assurance against material mis-statement or loss and to ensure that the assets are safeguarded against unauthorised use. This includes the creation of a strategic plan for the charity, the setting of annual budgets and quarterly reporting of finances to the Trustees.

Plans for Future Periods

We consider the appointment of Alex Ross and Marianne Nienhuis to be central to the charity's plans in 2022 and beyond. Both have already shown tremendous drive in their new roles, and we look forward to developing our offering, within the scope of our charitable aims, in future.

We will continue to keep up with advances in technology to ensure that we provide a fast, efficient and up to date online service, and maintain our position as a leading yet affordable resource for NGOs, not for profit agencies and immigration lawyers in the UK and beyond.

Related parties and co-operation with other organisations

None of our trustees receive remuneration or other benefit from their work with the charity. Any connection between a trustee or senior manager with any service providers must be disclosed to the full board of trustees in the same way as any other contractual relationship with a related party. Note 17 refers to transactions reported in the current year.

Trustees' responsibilities in relation to the financial statements

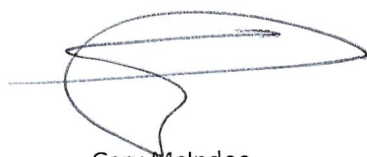

The charity trustees (who are also the directors of Electronic Immigration Network for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting principles and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is appropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

By order of the board of trustees

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ELECTRONIC IMMIGRATION NETWORK

I report on the accounts of the company for the Year Ended 31st December 2021, which are set out on pages 7 to 16.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. The charity is required by company law to prepare accrued accounts and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act ;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006, ; and
 - with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES**(a) Basis of preparation and assessment of going concern**

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued January 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

(b) Funds structure

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There are no restricted funds at the year end.

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include designated funds where the trustees, at their discretion have created a fund for a specific purpose.

Further details of each fund are disclosed in note 13.

(c) Income recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

(d) Expenditure Recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note (f) below.

(e) Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

(f) Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to independent examination and legal fees together with an apportionment of overhead and support costs.

Governance costs and support costs relating to charitable activities have been apportioned based on staff time and facilities used in each activity.

The allocation of support and governance costs is analysed in note 6.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2021

(g) Charitable Activities

Costs of charitable activities include governance costs and an apportionment of support costs as shown in Note 5.

(h) Tangible fixed assets and depreciation

Fixed assets are included in the accounts at net book value. Additions of a single item or a group of similar assets exceeding £500, are capitalised at cost (valuation for donated assets).

Depreciation is provided to write off the cost less the estimated residual value of tangible fixed assets over their estimated useful lives as follows:-

Computer Equipment	33.33% on cost
Furniture & Equipment	33.33% on cost

Website development costs are charged against expenditure as incurred.

(i) Taxation

The organisation is exempt from income tax by reason of its charitable status. Income tax suffered on investment income is reclaimed in full. The Charity is registered for VAT.

(j) Pensions

The charity currently administers contributions to a pension schemes on behalf of individuals. The charity offers access to a defined contribution (stakeholder) pension scheme. Contributions are charged to the income and expenditure account when incurred. The charity has no liability beyond making its contributions and paying across the deductions for the employee's contributions.

(k) Contingent liabilities

A contingent liability is identified and disclosed for those transactions resulting from a possible obligation which will only be confirmed by the occurrence of one or more uncertain future events not wholly within the trustees' control.

(l) Debtors

Trade and other debtors are recognised at settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2021

(m) Creditors and Provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

18 FINANCIAL INSTRUMENTS

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised on a transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at an amortised cost using the effective interest method.

19 POST BALANCE SHEET EVENTS

The charity has all its resources available online and has been able to continue to provide its services despite the restrictions imposed as a result of the Covid 19 pandemic.
