The Group is registered with the Charity Commission, registration number 1059288.

The Charity's principle address is:

Corsham Scout and Guide Headquarters  
The Laggar  
Corsham  
Wiltshire  
SN13 0DE

The Charity may be contacted through the Chairman as follows:

Chris Hyde

Throughout the year being reported on, the following have acted as Charity Trustees:

Chris Hyde - Chair  
Roger Tigwell - Treasurer  
Gayle Lui - Trustee  
Drew Tigwell – Lead Volunteer  
Sarah Ball, Trustee (Resigned 24/09/24)  
Martin Lancashire – Trustee

### Section B – Structure, governance and management

The Group is run as a Charitable Trust under the rules of The Charities Commission.

The Group's governing documents are currently those of the Scout Association. They consist of a *Royal Charter*, which in turn gives authority to the *Bye Laws of the Association* and the *Policy, Organisation and Rules* (POR), specifically Rule 5.4, of the Scout Association.

A proposal, agreed by the Trustee Board, to continue to adopt the Group's governing documents (Constitution) to be in line with those contained in Section 5.4 of the *POR* of the Scout Association is included in the Agenda for the Group AGM to be held on 24<sup>th</sup> September 2024.

The Trustees are appointed in accordance with the rules of The Charities Commission and Rule 5.4 of the *Policy, Organisation and Rules* of the Scout Association.

A Trustee Board acts as the governing body for the Charity, the members of which are the Charity Trustees of the Scout Group, which is an educational charity. As charity trustees, they are responsible for complying

with legislation applicable to all charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Trustee Board consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader and 3 Trustees who are also Section Leaders. It meets six times per year.

The Trustee Board exists to support the Group Scout Leader in meeting the responsibilities of the appointment and is responsible for:

- The maintenance of property owned by the Group;
- The raising of funds and the administration of Group finance;
- The insurance of person, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub-committees that may be required; and
- Appointing Group Administrators and Advisors other than those who are elected.

The Group has in place systems of internal controls, which are designed to provide reasonable assurance against material mismanagement or loss. These include a requirement for two signatories for all major payments and a range of comprehensive insurance policies to ensure that insurable risks are covered.

With effect from April 2024, there have a number of changes and clarifications to section 5.4 of the POR relating to the appointment of Trustees, the role of the Trustees, how the Trustees manage the Trust and greater separation of Trust management from the day-to-day management of the Group. These changes are being phased in during 2024 and 2025.

### **Section C – Objectives and activities**

The objectives of the Group are as a unit of the Scout Association.

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

The Group meets the Charity Commission's public benefit criteria through both of:

- The advancement of education; and
- The advancement of citizenship or community development.

### **Section D – Achievements and Performance**

The Group continues to provide Scouting opportunities for young people in each of the available age-ranges, catering for young people aged 6-14 years. It works in close partnership with the North Wiltshire District Explorer Scout Unit, which means that the full range of scouting provision is available locally. The Group provides the necessary infrastructure for this wide-ranging provision, including running two separate building locations and providing support and training for adult leaders.

The three sections continue to operate at or near capacity and provide a strong, progressive programme of adventurous and other activities. There is a bias towards water activities in the Scout section, as it is a Sea Scout Unit as designated by The Royal Navy.

Despite being one of the largest in the area the Group continues to find itself unable to meet all of the potential demand for places for young people at the Beavers and Cubs levels. The Trustee Board has concluded that at present, due to the hall and other facilities being in use by various sections of both the Scout Group and local Guiding Unit on each weeknight, it is not possible to extend the size of the sections

or create additional ones. The Trustee Board will keep the situation under review. In the meantime enquiries where the Group is unable to provide a place are referred to other local Scout Groups. The Group has sufficient capacity to meet demand for Sea Scouts.

All of the activities of the Group are enabled through the hard work of a significant number of volunteers, fulfilling a diverse range of roles. There are no paid staff and the activities of the Charity would not be possible without this significant voluntary contribution.

### **Section E – Financial Review**

The Group held total funds of £33,057, including the required reserves, at the year-end. This is an increase of £4817 on the previous year (FY2023/24 - £28,240) due entirely to timing differences as a result of income for camps and trips received at the end of 2024/25 with related expenditure happening early in 2025/26.

All three Sections (Beavers, Cubs and Sea Scouts) have been meeting normally throughout the year (including attending camps and going on trips) and normal membership subscriptions are in place. Although income levels are at usual levels, it has been necessary to waive or reduce membership subscriptions in a few cases, where families have been struggling under the current economic conditions. The Trustee Board has sanctioned these on the basis that financial conditions should not be a barrier to young people to prevent them having the opportunity to benefit by the activities the Scout Group can provide. Even though the Group itself is suffering from increased operation costs, based on the budgets and forecasts prepared for the last year and the coming year, the current level of annual income is sufficient to maintain normal operations and maintain the necessary reserves.

The Board's policy on reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short. The Trustee Board considers that the Group should hold a sum equivalent to at least 6 months total running costs - approximately £12,000. A sum equal to this is held in a notice term deposit account, to maximise earnings on the reserves held.

As part of a review of the existing building infrastructure, the Trustee Board has signed off on a necessary renewal of elements of the main hall fire alarm system and electrical system, as identified by external experts. The fire alarm system had a major overhaul during April 2024 and an annual maintenance contract has been entered into for ongoing maintenance. The electrical works have yet to be carried out, due mainly to the difficulty in finding a contractor to do the work. A number have been approached but no quotes have been received as yet. It is anticipated these works could cost in the region of £2,000. Funds are being kept aside to pay for these works.

### **Section G – Declaration**

The Trustees declare that they have approved the Trustee's report above at the Trustee Board meeting held on 10<sup>th</sup> September 2024.

Signed on behalf of the Trustee Board on 4<sup>th</sup> September 2024:

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [ ] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below~~ \*) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

David Martin, Secretary (Until March 2022) – a new Secretary is being actively sought

Sarah Bussey, Group Scout Leader (from July 2021)

Drew Tigwell, Scout Section Leader

Sarah Ball, Beaver Section Leader

### Section B – Structure, governance and management

The Group's governing documents are currently those of the Scout Association. They consist of a *Royal Charter*, which in turn gives authority to the *Bye Laws of the Association* and the *Policy, Organisation and Rules* of the Scout Association.

A proposal, agreed by the Trustee Board, to continue to adopt the Group's governing documents (Constitution) to be in line with those contained in Section 5.4 of the *Policy, Organisation and Rules* of the Scout Association is included in the Agenda for the Group AGM to be held on 20<sup>th</sup> September 2023.

The Trustees are appointed in accordance with the *Policy, Organisation and Rules* of the Scout Association.

A Trustee Board acts as the governing body for the Charity, the members of which are the Charity Trustees of the Scout Group, which is an educational charity. As charity trustees, they are responsible for complying with legislation applicable to all charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader and individual Section Leaders. It meets six times per year.

The Trustee Board exists to support the Group Scout Leader in meeting the responsibilities of the appointment and is responsible for:

- The maintenance of property owned by the Group;
- The raising of funds and the administration of Group finance;
- The insurance of person, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub-committees that may be required; and
- Appointing Group Administrators and Advisors other than those who are elected.

The Group has in place systems of internal controls, which are designed to provide reasonable assurance against material mismanagement or loss. These include a requirement for two signatories for payments and range of comprehensive insurance to ensure that insurable risks are covered.

### **Section C – Objectives and activities**

The objectives of the Group are as a unit of the Scout Association.

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

The Group meets the Charity Commission's public benefit criteria through both of:

- The advancement of education; and
- The advancement of citizenship or community development.

### **Section D – Achievements and Performance**

The Group continues to provide Scouting opportunities for young people in each of the available age-ranges, catering for young people aged 6-14 years. It works in close partnership with a local, active Explorer Scout Unit, which means that the full range of scouting provision is available locally. The Group provides the necessary infrastructure for this wide-ranging provision, including running two separate building locations and providing support and training for adult leaders.

The three sections continue to operate at or near capacity and provide a strong, progressive programme of adventurous and other activities. There is a bias towards water activities in Cub and Scout sections.

Despite being one of the largest in the area the Group continues to find itself unable to meet all of the potential demand for places for young people at the Beavers and Cubs levels. The Trustee Board has concluded that at present due to the hall and other facilities being in use by various sections on each weeknight it is not possible to extend the size of the sections or create additional ones. The Trustee Board will keep the situation under review. In the meantime enquiries where the Group is unable to provide a place are referred to other local Scout Groups. The Group has sufficient capacity to meet demand for Sea Scouts.

All of the activities of the Group are enabled through the hard work of a significant number of volunteers, fulfilling a diverse range of roles. There are no paid staff and the activities of the Charity would not be possible without this significant voluntary contribution.

## Section E – Financial Review

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short. The Trustee Board considers that the Group should hold a sum equivalent to at least 4 months running costs - approximately £12,000. A sum equal to this is held in a notice term deposit account, to maximise earnings on the reserves held. The Group held total funds of approximately £24,225, including the required reserves, at the year-end.

This was the first full year of activities after the restrictions required under COVID-19. The three Sections (Beavers, Cubs and Sea Scouts) have been meeting again (including attending camps and going on trips) and normal membership subscriptions are in place. Although income levels have been restored to usual levels, it has been necessary to waive or reduce membership subscriptions in a few cases, where families have been struggling under the current economic conditions. The Trustee Board has sanctioned these on the basis that financial conditions should not prevent young people to opportunity to benefit by the activities the Scout Group can provide. Even though the Group itself is suffering from increased operation costs, based on the budgets and forecasts prepared for the last year and the coming year, the current level of annual income is sufficient to maintain normal operations and maintain the necessary reserves.

As agreed by the Trustee Board during the previous fiscal year, the Group has made some substantial expenditure during the year on new equipment and on building maintenance (particularly on a need to re-roof the boathouse facility at Corsham Estate lake. This expenditure came from the surplus generated from Council Covid grants received during the last two years.

## Section G – Declaration

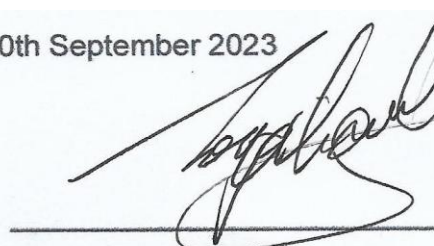

The Trustees declare that they have approved the Trustee's report above at the Trustee Board meeting held on 20<sup>th</sup> September 2023.

Roger Tigwell, Treasurer

David Martin, Secretary (Until March 2022) – a new Secretary is being actively sought

Sarah Bussey, Group Scout Leader (from July 2021)

Drew Tigwell, Scout Section Leader

Sarah Ball, Beaver Section Leader

### Section B – Structure, governance and management

The Group's governing documents are those of the Scout Association. They consist of a *Royal Charter*, which in turn gives authority to the *Bye Laws of the Association* and the *Policy, Organisation and Rules* of the Scout Association.

The Trustees are appointed in accordance with the *Policy, Organisation and Rules* of the Scout Association.

An Executive Committee acts as the governing body for the Charity, the members of which at the Charity Trustees of the Scout Group, which is an educational charity. As charity trustees, they are responsible for complying with legislation applicable to all charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Committee consists of 3 independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader and individual Section Leaders. It meets at least 4 times per year.

The Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointment and is responsible for:

- The maintenance of property owned by the Group;
- The raising of funds and the administration of Group finance;
- The insurance of person, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub-committees that may be required; and
- Appointing Group Administrators and Advisors other than those who are elected.

The Group has in place systems of internal controls, which are designed to provide reasonable assurance against material mismanagement or loss. These include a requirement for two signatories for payments and range of comprehensive insurance to ensure that insurable risks are covered.

### **Section C – Objectives and activities**

The objectives of the Group are as a unit of the Scout Association.

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local, national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

The Group meets the Charity Commission's public benefit criteria through both of:

- The advancement of education; and
- The advancement of citizenship or community development.

### **Section D – Achievements and Performance**

The Group continues to provide Scouting opportunities for young people in each of the available age-ranges, catering for young people aged 6-14 years. It works in close partnership with a local, active Explorer Scout Unit, which means that the full range of scouting provision is available locally. The Group provides the necessary infrastructure for this wide-ranging provision, including running two separate building locations and providing support and training for adult leaders.

The three sections continue to operate at or near capacity and provide a strong, progressive programme of adventurous and other activities. There is a bias towards water activities in Cub and Scout sections.

Despite being one of the largest in the area the Group continues to find itself unable to meet all of the potential demand for places for young people at the Beavers and Cubs levels. The Group Executive Committee has concluded that at present due to the hall and other facilities being in use by various sections on each weeknight it is not possible to extend the size of the sections or create additional ones. The Executive Committee will keep the situation under review. In the meantime enquiries where the Group is unable to provide a place are referred to other local scout groups. The Group has sufficient capacity to meet demand for Sea Scouts.

All of the activities of the Group are enabled through the hard work of a significant number of volunteers, fulfilling a diverse range of roles. There are no paid staff and the activities of the Charity would not be possible without this significant voluntary contribution.

### **Section E – Financial Review**

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short. The Group Executive Committee considers that the Group should hold a sum equivalent to at least 4 months running costs - approximately £12,000. The Group held funds of approximately £35,381, including the required reserves, at the year-end.

Following the relaxing of COVID-19 restrictions during the spring of 2021, the Group has begun to function as normal again. The three Sections (Beavers, Cubs and Sea Scouts) have begun meeting again and normal membership subscriptions have re-started. As a result, income levels have been restored to usual levels. Based on the budgets prepared for the last year and the coming year, the current level of annual income is sufficient to maintain normal operations and maintain the necessary reserves.

As well as the grants received from Wiltshire County Council during the prior year, further grants were received during the spring and summer of 2021 as well. This is the main reason for the level of favourable funds held at the year end. However, the Group Executive Committee has agreed that a very large proportion of the surplus within these funds will be used to increase and improve the activities and facilities available to its members. These include renovations to the main Scout hall and the building used as a boathouse, replacement of aging or worn out kit and equipment and improvements to the climbing wall situated within the main Scout building.

### **Section G – Declaration**

The Trustees declare that they have approved the trustee's report above at the Executive Committee meeting held on 7th September 2022.
