The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

As-Siraat Foundation is constituted as a charitable trust, registered with the Charity Commission in September 2014 under charity number 1059461. It is governed by a constitution amended in October 2015.

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits. The trustees at the moment meet together as a body when and as required and are responsible for all decisions taken in relation to running the activities provided by the charity.

To assist in the smooth running of the charity the trustees have set up a lead team of volunteers that help oversee certain aspects of the charity’s work. Currently the lead team is responsible for running various weekly adult classes and lectures, seminars, workshops, mentoring programmes etc. mainly from a hired community hall. Regular feedback is given to the trustees for review.

**Summary of the objects of the charity set out in its governing document**

- **General Charitable Purposes**
- **Education/training**
- **Religious Activities**
- **Supporting Poor and needy**

1. To provide or assist in the provision of facilities in the interests of social welfare for recreation or other leisure time occupation of individuals who have need of such facilities by reason of their youth, age infirmity or disability, financial hardship or social circumstances with the object of improving their conditions of life.

2. To advance education for the benefit of the public, by means of, but not exclusively, the provision or the assistance in the provision of educational activities and facilities for those in the UK.

3. To advance the religion of Islam, by the means of but not exclusively, promoting the correct understanding of the beliefs and practices and provision or assistance in the provision of facilities for worship and Islamic education for the benefit of the community in the UK, in accordance with the teachings of the Quran and Sunnah of the Prophet Muhammad (pbuh) as interpreted by the Ahle Sunnah Wal Jama'ah school of thought.

4. To relieve financial hardship, distress and suffering among poor people, victims of natural and man-made disasters and other people in need, by means of, but not exclusively, in the form of money, food, items, equipment, clothing, accommodation and such services and facilities for the benefit of the said persons.

### **Humanitarian charitable support**

Our objectives are set to reflect our faith and community aims. Each year the trustees review these objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on the advancement of religion for the public benefit. Our dual aims remain to provide a facility where Muslims can worship and be a community centre catering for the needs of the local community. Our long-term ambition is to build the self-confidence of the local Muslim community in their faith, and through our community facilities and activities and to make them as positive contributors not only to the local community but also to the society at large.

### **Strategies**

We want to make our facility an accessible and welcoming venue where all Muslims and those who wish to know more about our faith, can come to learn about Islam. An important part of our faith is charitable giving, according to one's wealth, in accordance with Islam and we are pleased to receive Zakat for the sole purpose of the relief of those in need and financial hardship and of those who have insufficient money to cover for their basic needs for shelter, food, clothing, or who are destitute with no means of support. Also an important part of our strategy is community welfare and education. All our community activities including classes, health initiatives, workshops and seminars are widely advertised and we welcome the participation of all in our local community. Most of our activities are free and supported by donations.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

## Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

### **Grant-making policy**

Those attending our activities have given generously to disaster appeals arising from natural calamities affecting various countries around the world. These donations are then handed over to the larger UK charities that facilitate the distribution to the needy areas for which the appeals were made. The charity also helps local community needs through giving loans to individuals or other charitable organisations which are returned over an agreed period

### **Investment policy and objectives**

The charity's main short-term investment plans include the purchase of a building suitable to run its activities.

### **Volunteers**

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities and we have people and family members who regularly give up their time as volunteer. All our trustees also give of their time freely. We encourage all members to be involved in voluntary activities and to share their skills with others. All those volunteers working with projects involving children or other vulnerable groups will be DBS checked.

### **Public Benefit**

The trustees have recognised the guidance in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives of the charity and when planning activities. The difference the charity makes for the public benefit is the furtherance of elevating poverty.

### **Risk management**

The trustees have assessed the risks the charity faces and have identified the nature of the risks, the likelihood of the risks happening and the measures needed to manage them. The trustees review these risks and are satisfied that systems are in place, or arrangements are in hand, to manage the risks that have been identified. In particular, the finances of the charity are kept under review and appropriate Disclosure and Barring Service (DBS) checks will be carried out for all those who work with children or other vulnerable groups within the services that the charity provides.
