Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about: • policies and procedures adopted for the induction and training of trustees; • the charity's organisational structure and any wider network with which the charity works; • relationship with any related parties; • trustees' consideration of major risks and the system and procedures to manage them.	New trustees are given a folio of documentation, focused particularly on the role and responsibilities of trustees, the constitution, conflicts of interest/loyalty and financial management. They are encouraged to study on line the Charity Commission's Guidance for trusteeship. As a small charity Colton Village Hall guards against risks by the maintenance of a reserve fund (see section E) and the purchase of trustee liability insurance to the value of £100,000.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision and maintenance of a village hall for the use of the inhabitants of the Parish of Colton, including use for meetings, lectures, classes, and other forms of recreation and leisure-time occupation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Children's Playground has remained open throughout the period with all issues raised by the annual inspection having been satisfactorily addressed.

The nature reserve on Village Hall land continues to improve and develop and is greatly appreciated by residents and visitors alike.

The trustees confirm that they have had regard to the guidance issued by the Charity Commission on public benefit.

The trustees continued their policy of encouraging maximum usage of the hall by parishioners through advantageous pricing compared to charges made to bookings from non-residents of the parish.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Our constitution is predicated on the assumption that all village organisations will provide a representative member to the Trustee body. We continue to experience considerable difficulty in recruiting trustees both from the wider community and village organisations. Although the number of trustees has improved it is still significantly below the maximum number permitted under the constitution.

Summary of the main achievements of the charity during the year

During the year, with the aid of a 50% grant from a local charity, the trustees installed solar panels on the roof of the Village Hall together with a battery storage facility with the aim of ensuring long term energy security and drastically reducing future energy costs. The balance of the cost was secured by a three year interest free loan, the repayment of which will materially impact our ability to build financial reserves. There will be some improvement in this matter once we reach the end of the current electricity supply contract which gives negligible returns for energy fed into the grid and negligible benefits from off-peak charging.

Section E

Financial review

Brief statement of the charity's policy on reserves

1. We have a current financial reserve of £ 15,000.
2. It remains the policy of the trustees to build back the reserves to a total in excess of £30,000 over the coming years..
3. We are accumulating provision to cover replacement and repair of playground equipment, currently standing at approximately £5,000

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Funds are raised through:

1. Fund-raising events organised by the Management Committee;
2. Hire charges to village organisations
3. Hire charges to private individuals, whether living inside the Parish or outside, and to organisations based outside the Parish.
4. Grants for large items of capital expenditure if available,

New trustees participate in an induction session, focused particularly on the role and responsibilities of trustees, the constitution, conflicts of interest/loyalty and financial management.

As a small charity Colton Village Hall guards against risks by the maintenance of a reserve fund (see section E) and the purchase of trustee liability insurance to the value of £100,000.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The provision and maintenance of a village hall for the use of the inhabitants of the Parish of Colton, including use for meetings, lectures, classes, and other forms of recreation and leisure-time occupation.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

During the year the main activity undertaken, apart from fully reopening the hall post COVID, was the complete relaying of the car park at a cost of £24,000. Knowing that no grants would be available to fund the work, the Trustees had accumulated a reserve over the previous years to meet the full cost.

The Children's Playground has remained open throughout the period with all issues raised by the annual inspection having been satisfactorily addressed.

The nature reserve on Village Hall land continues to improve and develop and is greatly appreciated by residents and visitors alike.

The trustees confirm that they have had regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;

- policy programme related investment;
- contribution made by volunteers.

Our constitution is predicated on the assumption that all village organisations will provide a representative member to the Trustee body. Despite the fact that most village organisations are regular users of the hall at favourable rates, it remains increasingly difficult to persuade them to provide trustees. It is equally difficult to persuade residents to stand for election as a trustee.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The Colton Village Hall remains in a sound financial and physical state post COVID despite the very significant cost of relaying the car park.
