Trustees' Report

Year ended 31 March 2021

Report of the Trustees for the year ended 31 March 2021

The Trustees present their annual report together with the financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the accounts and comply with the Charity's Trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard 102 applicable in the UK and Republic of Ireland published in October 2019.

Objectives and activities for public benefit

The objectives of the Charity are set out in the Charity's trust deed and are summarised as follows:

The Charity strives to support causes that are in connection with the following:

- Care for children
- Education
- Wellbeing for the elderly
- Tolerance in our community
- Healthcare

Our objectives:

Our objectives are set to reflect our community aims. Each year our Trustees review our objectives and activities to ensure continued support to those charities in our focused areas. The Trustees recognise their duties under the Charities Act 2011 and have referred to the Charity Commission's guidance on public benefit when reviewing the Charity's activities and compiling this report.

Strategies:

We want to build the Trust through intelligent investments to secure capital for the future. The Trustees continue to have a long-term strategy to support the needs in our community and to ensure good growth in its capital investments.

Use of volunteers:

The Charity is dependent on the voluntary work of the Trustees in administering its funds. As this work has no tangible value this is not recognised in the financial statements.

The J Isaacs Charitable Trust

Trustees' Report (Continued)

Year ended 31 March 2021

Achievements and performance

The Trust has continued to fulfil its main objectives by:

- Working to provide scholarships for Medical Students.
- Supporting projects which provide security, assistance and tolerance in the community.
- Supporting charities and projects working towards the treatment of and care for cancer patients.
- Supporting charities that work towards caring for children, improving healthcare services, respite and research, including Noah's Ark Children's Hospice.

The trustees review donations and grants made throughout the year and constantly monitor this against their community aims, this is discussed verbally at trustee meetings.

How our activities deliver public benefit:

Grant making

The Charity supports a wide range of activities by way of funding made available in pursuance of its charitable aims. The Charity receives many applications from a diverse range of charities, the trustees review these applications against the charity's supported causes and considers what value a donation would add to the organisation in question.

The activities supported provide benefit to a wide selection of the community. In addition, in determining the objectives for the year and planning the activities as set out in this report, the Trustees have considered the Charity Commission's guidance on public benefit including the guidance on grant making.

Financial review

Performance in the year

During the year, the charity received income totalling £860,379 (2020: £494,957), the increase is mainly due to a significant increase in donations and gift aid being received in the year. Donations and grants of £409,159 (2020: £908,033) were made during the year, of which £24,925 (2020: £118,281) related to restricted funds. Net loss on investments totalled £36,377 (2020: £41,341 net gain), of which losses of £46,380 (2020: £11,249) related to foreign exchange gains on restricted funds. The overall surplus in the year was £339,162 (2020: deficit of £470,624) of which £410,467 (2020: £363,592) related to unrestricted funds.

Reserves policy

The trustees have decided to support a number of charities and charitable purposes by making long-term commitments to them which will be honoured over several years – for example educational scholarships, building projects and long-term research programmes. In view of the uncertainty of trust income over future years, the trustees prefer to set aside sums which will enable them to support chosen charities and purposes over the period of the commitments.

The J Isaacs Charitable Trust

Trustees' Report (Continued)

Year ended 31 March 2021

In addition, the charity continues to look for investments that would yield positive returns for the charity and therefore allow it to increase the number of charities it supports. The trustees therefore consider it prudent to hold a level of reserves to make these investments possible.

The trustees keep the level of reserves under regular review and would release any reserves which appear to be unnecessarily cautious, or excessive in relation to particular projects. The trustees currently consider it prudent to hold at least £1m in reserves for these purposes, however they may look to increase this dependent on investment outlook.

In calculating the Charity's reserves, the Trustees have deducted from the total of unrestricted funds of the Charity the value of fixed asset investments, as shown in the accounts. This leaves free reserves at 31 March 2021 of £1,269,420 (2020: £749,356). The Trustees believe this provides adequate free reserves to cover operating costs and future commitments. Included within funds is a restricted balance of £404,575, this balance is restricted to one cause (see note 17).

Principal funding sources

The Charity receives donations from Mr and Mrs J Isaacs, who are Trustees of The J Isaacs Charitable Trust, this year being a total of £559,989 (2020: £63,207). The Charity also has a significant investment portfolio which generates returns. The income received during the year from investments was £300,390 (2020: £431,750) and net losses on investments of £36,377 (2020: £41,341 net gain).

The Charity reviews a significant number of requests for donations in order to determine those which meet with its objectives and evaluates investments when opportunities arise in order to determine those which provide secure returns.

Principal risks

The trustees have not identified any significant risks associated with the activities of the Charity. The performance of the investments has been identified as a moderate risk. However, the trustees consider that the Charity has diversified their range of investments to appropriately mitigate this risk. Furthermore, the reserves are at an appropriate level to adequately cover commitments as they stand.

Fundraising activities

The Charity does not seek to fundraise externally and does not run any external fundraising campaigns or publicity. The Charity relies on fundraising from the founders as detailed above.

Investment powers, policy and performance

The Trustees have the power at their absolute discretion to the extent that the Trustees shall have the same powers in all respect as if they were absolute owners beneficially entitled. No specific policy is followed other than to earn the market rate of return on monies invested. The Trustees consider how investments are performing at each trustee meeting. The year end value of the investment portfolio is stated in the notes to these accounts.

The J Isaacs Charitable Trust

Trustees' Report (Continued)

Year ended 31 March 2021

Plans for future periods

The Charity plans to continue to support a number of existing charities as detailed in the commitments table in the notes to these accounts (Note 19). In addition, the Charity will consider donating to a new charitable cause if the Trustees agree as to the benefit of the donation and the relevance regarding the aims of the Charity. The Charity will continue to support its work through a series of investments, looking to build on those going forwards to develop a portfolio of income generating assets.

Structure, government and management

The J Isaacs Charitable Trust is constituted as a charitable trust registered with the Charity Commission in December 1996 under Charity number 1059865. It is governed by a deed of trust last updated on 23 October 1996.

The Charity Trustees are responsible for the general control and management of the Charity. The Trustees by agreement make the decision concerning charities supported and any donations made. The above criteria is a guide to these donations but donations are not restricted to this criteria.

Recruitment remuneration and appointment of Trustees:

There shall be at least three Trustees.

Future Trustees shall be appointed by a resolution of the Trustees. If for any reason Trustees cannot be appointed in accordance with the foregoing provisions, the statutory power of appointing new or additional Trustees shall be exercisable.

Induction and training of Trustees:

Following appointment, new Trustees are introduced to their new role and given copies of the trust deed and a guide to the policies and procedure adopted by our Charity. A number of publications from the Charity Commission are also provided including the guidance on charities and public benefit. Trustees are aware that it is their responsibility to keep abreast of developments in relation to the governance of Charities under the Charities Act 2011.

Risk management:

In the opinion of the Trustees, the Charity is not exposed to any major risks. Exposure to market fluctuations is considered a moderate risk but the charity continues to manage this by holding a diversified portfolio in real estate, artwork and equities.

The J Isaacs Charitable Trust

Statement of Trustees' Responsibilities and Trustees' Approval

Year ended 31 March 2021

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to Charities in England and Wales, requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees who were in office on the date of approval of these financial statements have confirmed, as far as they are aware, that there is no relevant audit information of which the auditor is unaware. Each of the Trustees has confirmed that they have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

This report was approved by the Trustees on 31 Jan 2022

Independent auditors' report to the Trustees

Opinion

We have audited the financial statements of The J Isaacs Charitable Trust for the year ended 31 March 2021 which comprise Statement of Financial Activities, Balance Sheet, Statement of Cashflows, and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The J Isaacs Charitable Trust

Independent auditors' report to the Trustees (Continued)

Year ended 31 March 2021

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the Trustees' Annual Report is inconsistent in any material respect with the financial statements; or
- the charity has not kept sufficient accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' Responsibilities Statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

The J Isaacs Charitable Trust

Independent auditors' report to the Trustees (Continued)

Year ended 31 March 2021

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditors under the Charities Act 2011 and report in accordance with regulations made under that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The specific procedures for this engagement and the extent to which these are capable of detecting irregularities, including fraud are detailed below.

Identifying and assessing risks related to irregularities:

We assessed the susceptibility of the charity's financial statements to material misstatement and how fraud might occur, including through discussions with the trustees, discussions within our audit team planning meeting, updating our record of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charity by discussions with trustees and updating our understanding of the sector in which the charity operates.

Laws and regulations of direct significance in the context of the charity include the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and guidance issued by the Charity Commission for England and Wales.

Audit response to risks identified:

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charity's records of breaches of laws and regulations, minutes of meetings and correspondence with relevant authorities to identify potential material misstatements arising. We discussed the charity's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or knowledge of any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates gave rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included

The J Isaacs Charitable Trust

Independent auditors' report to the Trustees (Continued)

Year ended 31 March 2021

ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The J Isaacs Charitable Trust

Notes to the Financial Statements

Year ended 31 March 2021

1 Accounting Policies

Basis of preparation and assessment of going concern

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) as amended by Bulletin 1 issued by the Charities Commission — (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The J Isaacs Charitable Trust meet the definition of a public benefit entity under FRS 102.

The Trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern. The most significant areas of adjustment and key assumptions that affect items in the accounts are in relation to the estimation of the liability from multi-year general commitments (see Note 19 for more information) and the levels of investment return and the performance (see the investment policy and performance and risk management sections of the Trustees Annual Report for more information on how this is managed).

Funds structure

The Trusts source of finance are segregated between restricted and unrestricted funds.

Restricted funds are funds such that the use of which is limited by donor imposed conditions.

Unrestricted income funds comprise those funds which the Trustees are free to use for any purpose in furtherance of the charitable objectives. Unrestricted funds include designated funds where the Trustees, at their discretion, have set aside resources for a specific purpose.

Further details of each fund are disclosed in Note 17.

Income recognition

Income is received by way of donations and gifts and is included in full in the Statement of Financial Activities when receivable. Donated assets are included at the value to the Charity Financial Activities when receivable. Donated assets are included at the value to the Charity where this can be quantified and a third party is bearing the cost. The value of the services provided by volunteers has not been included in these amounts, except where the services provided are in the nature of professional services where a fee would otherwise be charged, in which case the donated service is valued at their chargeable rate.

Income from investments is included in the year in which it is receivable.

Legacies are included when the Charity is advised by the personal representative of an estate that payment will be made or properly transferred and the amount involved can be quantified.

The J Isaacs Charitable Trust

Notes to the Financial Statements (Continued)

Year ended 31 March 2021

Accounting policies (continued)

Expenditure recognition

Liabilities are recognised as resources expended as soon as there is a legal or constructive obligation committing the Charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs.

Governance costs included those costs associated with meeting the constitutional and statutory requirements of the Charity, and include its audit fees and costs linked to the strategic management of the Charity including Trustee expenses together with an apportionment of overhead and support costs as shown in Note 6.

Governance and support costs relating to charitable activities have been apportioned based on number of donations.

The allocation of support and governance costs is analysed in Note 7.

Cost of raising funds

The costs of generating funds consist of investment management costs and certain legal fees.

Charitable activities

Costs of charitable activities include donations made, governance costs and apportionment of support costs as shown in Note 6.

Foreign Transactions

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are charged to the Statement of Financial Activities to arrive at the total funds balance.

The J Isaacs Charitable Trust

Notes to the Financial Statements (Continued)

Year ended 31 March 2021

Accounting policies (continued)

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value if acquired subsequent to the first day the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Investments

Fixed Asset Investments are stated at market value which is at cost less provision for increase or diminution in value. Where there are no readily ascertainable market values for Investment assets are stated at cost less impairment. Where a fair value has been previously obtained but no fair value is available at the balance sheet date, the carrying amount at the last date the asset was reliably measured is used as its deemed cost. Unrealised and realised gains and losses on investments are recognised on the Statement of Financial Activities.

Debtors

Short term debtors are measured at transaction price, less any impairment.

Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

Financial Instruments

The Charity only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non puttable ordinary shares.

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Creditors

Short term creditors are measured at the transaction price.

The J Isaacs Charitable Trust

Notes to the Financial Statements (Continued)

Year ended 31 March 2021

2 Related party transactions and Trustees' remuneration

The Charity held investments with a carrying value of £719,394 (2020: £742,152) in JRJ Partner 2 LP and £2,387,912 (2020: £2,462,604) in JRJ Investor 1 LP. Mr Jeremy Isaacs has participating interests in the limited partnerships.

Included within current assets is an amount of £25,000 (2020: £nil). This represents current year income receivable from Mr Jeremy Isaacs for Charity's artwork following professional advice. Mr Jeremy Isaacs also pays all insurance and security costs in relation to renting this painting. The current year value of this within rental income is £25,000 (2020: £25,000).

During the year aggregate donations received from trustees totalled £559,989 (2020: £63,207).

During the year £nil in donations was received from Marex Financial Limited. In 2019 \$1.5m was received (sterling equivalent of £1,164,103), from their fundraising event *Broking for Hope* for experimental cancer treatment in the US and related expenses. This money is still held as restricted funds within the charity, specifically for this purpose. Mr Jeremy Isaacs is a non-executive director of Marex.

During the year donations of £nil (2020: £586,938) were made to Noah's Ark Children's Hospice. There is also a commitment of £300,000 (2020: £288,564) after the year end. Mr Jeremy Isaacs is a Trustee of this Charity.

4 Income from charitable activities

	2021 £	2020 £
Donations received from trustees	559,989	63,207
In 2021, £nil of donations (2020: £nil) were attributable to restricted funds.		

5 Investment income

	2021 £	2020 £
Investment income	295,503	418,924
Bank interest received	4,887	12,826
Total	300,390	431,750

6 Analysis of charitable expenditure

The Charity undertakes its charitable activities through donations to institutions in furtherance of its objectives.

	Donations activity £	Support and governance Costs (note 7) £	Total 2021 £	Total 2020 £
Funded from unrestricted funds:				
Care for children	152,000	6,076	158,076	632,066
Education	48,990	1,958	50,948	51,634
Wellbeing for the elderly	-	-	-	25,822
Tolerance in our community	85,618	3,423	89,041	102,874
Healthcare	30,219	2,204	32,423	3,891
Adhoc/other	67,407	2,695	70,102	3,333
Funded from restricted funds:				
Healthcare	24,925	-	24,925	118,281
Total	409,159	16,356	425,515	937,901

During the year travel costs were reimbursed for nil (2020: 1) trustee to visit charities of £nil (2020: £1,969). These were included in support costs.

Included in donations are amounts above £30,000 paid to the following charitable causes:

	2021 £	2020 £
United Jewish Israel Appeal	48,990	48,990
Noah's Ark Children's Hospice	-	586,938
Hope's Fund	24,925	118,281
Policy Exchange	-	50,000
CST	60,000	30,000
Kisharon Academy	100,000	-
	233,915	834,209

Year ended 31 March 2021

7 Allocation of governance and support costs

Support costs

	2021	2020
	£	£
Travel costs	-	1,969
Office costs	248	38
Bank charges	168	290
	416	2,297

Governance costs

	2021	2020
	£	£
Audit and accountancy	15,282	18,762
Other professional fees	-	7,660
Support costs	658	1,149
Total	15,940	27,571

The total governance and support cost attributable to charitable expenditure is attributed pro rata to the number of donations awarded as shown in the table below. The trustees have decided to meet all governance costs from unrestricted funds.

	2021	2020
	£	£
Care for children	6,076	20,128
Education	1,958	1,644
Wellbeing for the elderly	-	822
Tolerance in our community	3,423	3,276
Healthcare	2,204	3,891
Adhoc/other	2,695	107
Total allocated	16,356	29,868

8 Investment Costs

	2021	2020
	£	£
Cost of maintaining fine art	(20,000)	5,000
Investment fees	114	-
Property service charges	79,211	64,021
Total	59,325	69,021

The J Isaacs Charitable Trust

9 Fixed asset investments

Investments at carrying value:

	2021 £	2020 £
Fine Art	2,500,000	2,500,000
Investment property	5,654,920	5,650,000
Private equity funds – UK	4,136,496	4,233,946
Private equity funds – non-UK	442,084	459,152
Total	12,733,500	12,843,098

Fine Art is included at a market valuation of £2,500,000 and cost £2,221,714 (2020: £2,500,000 and cost £2,221,714) it was valued in March 2020 by Sotheby's, an internationally renowned auctioneer.

The Trustees have sought advice from Belchak Corin & Co, professional property consultants, and consider the open market value of the properties to be £5,650,000 (2020: £5,650,000) at the balance sheet date. Further costs of £4,920 relate to property improvements in the year.

Investments of £3,107,307 (2020: £3,262,457) have been valued based on the charity's proportionate share of the net assets of the underlying company.

The remainder of the investments, £1,471,273 (2020: £4,635,398) have been valued at cost less impairment or, at deemed cost where a fair value has been previously obtained but no fair value is available at the balance sheet date.

All of the Charity's investments are non-listed and are held to provide investment returns for the Charity.

	2021 £	2020 £
Cost as at 31 March 2020 and 31 March 2019	12,843,098	12,901,032
Surplus of valuation over cost	(932,898)	(944,684)
Cost as at 31 March 2020 and 31 March 2019	11,910,200	11,956,348
 Movements during the year:		
Additions	92,952	-
Transfer	-	-
Disposals/Redemptions	(1,162,655)	(46,148)
Cost as at 31 March 2021 and 31 March 2020	10,840,497	11,910,200
 Surplus of valuation over cost	1,893,003	932,898
Valuation as at 31 March 2021 and 31 March 2020	12,733,500	12,843,098
