## **INCORPORATION AND CONSTITUTION**

Ludwell Valley Early Childhood Centre is a registered Charity - 1059948

The Preschool's current constitution was adopted at the Annual General Meeting of June 2015.

## **PRINCIPLE ACTIVITY AND OBJECT OF THE CHARITY**

The principle activity and object of the Charity is to advance the education of preschool age children. Ludwell Valley lease a building in the Wonford area of Exeter, where qualified and friendly staff provide quality learning and development in a safe, fun environment.

## **MISSION STATEMENT**

Working together to provide quality care and education to create a foundation for lifelong learning.

## **BENIFITS TO THE COMMUNITY**

Our mission is to support and enhance children's development and pre-school education, by giving them a caring and nurturing environment to fulfil their full potential. Every child is an individual and develops at their own pace and we pride ourselves on providing each and every child with the inspiration and confidence to believe that they can achieve. Children

in our care learn how to become respectful and moral citizens to aid them in their future.

Education is an essential part of every child's life, and this is recognised worldwide. Our pre-school educates children in different subjects, teaching them skills and knowledge to assist them throughout their lives. Education teaches children the basic essential life skills, to secure academic achievement and future job prospects, benefiting the lives of everyone. Children that attend our preschool acquire the fundamental values to support their health and wellbeing, which will benefit them but also benefit the public around them, by equipping the children with the capacity of how to understand and operate in the community.

## **CHAIRPERSONS REPORT**

There was a small loss this year but I feel we are still dealing with the impact of the coronavirus pandemic. The preschool, is at the heart of our community and even though my daughter lives far away from the preschool, her son still attends, as the preschool has such a good reputation, they have worked wonders with my grandson, and I can't thank the staff enough. I'm hoping to see things improve this year, the preschool deserves it.

## **TREASURERE REPORT**

The Preschool had a turnover of £145826.89 and at the end of the year had a small loss of £1546.96, this is not a surprise, the effects of covid are still hitting and with the cost of living rising dramatically I think the preschool has done amazing to get away with such a small loss. Hopefully the negative financial impact that we are seeing will start to even out soon, so the preschool can be in a positive balance next year.

## **MANAGERS REPORT**

It's been a tough year, there has been a lot of expenditures that were over an above our normal costs, so we have done pretty well considering, again I think the pandemic is still having an effect. The staff have always been positive and worked hard to make sure every child receives the education and start in life they deserve, they are truly wonderful!

We have started to pick up on our number of children this year, so hopefully next year we won't see a loss. We have put some fundraising ideas together and hopefully we will be able to hold these events soon. As always, the children's learning and development will always come first at Ludwell Valley and this is something that is always a constant and will never change.
