1. Foreword to the Annual Report

As an NHS Charity we are required to perform our duties in furtherance of the Charity's purpose and in accordance with relevant legislation. This report provides an outline as to how the Charity has operated and fulfilled its obligations during the year, as reflected in its financial statements.

Signed ... 

Marsha Foster,

Chief Executive Officer, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 31st October 2025

2. About the Charitable Funds

The Charitable Fund was established in November 1996 under a Special Purpose Charity Declaration of Trust and registered with the Charity Commission under registration number 1060039.

The purpose of the charity is to raise funds and receive donations for the benefit of the NHS. For us this is service users, carers and staff of Black Country Healthcare NHS Foundation Trust. By securing donations, legacies and sponsorship the charity can enhance the services received by service users, carers and staff involved in the provision of those services.

Expenditure of the funds are made in accordance with charity law, our constitution and the wishes and directions of the donors. The Charity endeavours to reflect the wishes of patients and staff by directing the funds towards areas they tell us are most in need. During the year £33k of funds was spent to support and enhance the services received by service users, carers and staff to promote and support wellbeing. When considering where to focus our attention our corporate trustee's board and the members of the charitable funds committee have regard to the Charity Commission for England and Wales's guidance on public benefit and what this means for the Charity and applies the following two principles;

Principle 1 – There must be identifiable benefit or benefits

Principle 2 – Benefit must be to the public, a section of the public, or staff providing services to the public

Our plans are to continue to develop the charity increasing the level of fundraising which will help us to continue to enhance the services received by our service users, carers and staff.

3. Our performance in 2024/25:

The Charity now has a dedicated Engagement Officer to help deliver the charity strategy and further develop the charity. The objectives of the role are to implement the strategy, arrange fundraising campaigns and raise the profile of the charity both internally and externally. The impact of this role can be seen in the increased income which had more than doubled year on year. The extra funding can be used to support service users, carers, staff and patients within the Trust. The charity received a number of donations from the public in total £19k.

The Trust is a member of NHS Charities together which resulted in the Trust having received grant income totalling £116k in 2024/25 (£74k in 2023/24). £44k of the grant income has enabled the Trust to recruit to a Charity Engagement Officer and Volunteer Co-Ordinator as well as other supporting activities. £72k of the grant income was towards the inequality innovation project for children and young people over the next 3 years.

4. Governance Arrangements

The Foundation Trust's Corporate Trustee responsibilities are distinct from its responsibilities for exchequer funds and may not necessarily be discharged in the same manner though there is adherence to the overriding general principles of financial regularity, prudence and propriety.

The Trustee controls the Charitable Fund through its Board of Directors. The names and roles of the Board of Directors at 31st October 2025 are detailed below;

Name	Role
Philip Gayle	Interim Chair
Mrs Marsha Foster	Chief Executive Officer
Mr Chris Masikane	Chief Operations Officer

Organisational structure and decisions:

There is 1 employee working for the Charity. Decisions are made by the Corporate Trustee of the Charity and by delegation through the Charitable Funds Committee and designated fund managers.

Reserves policy:

The Trustee is under a general legal duty to apply (expend) charitable funds within a reasonable time of receiving them. Adherence to the policy is monitored via regular reports to the Trustee. There is no target held for the level of reserves the charity holds and it is reviewed annually.

As at 31st March 2025 the charity has unrestricted reserves of £343k (2023/24: unrestricted £152k).

Risks applicable to Funds Held on Trust:

Risks around financial controls have been mitigated by the operation of set financial procedures around the activities of the Funds Held on Trust, and by commissioning the Trust's internal auditors to review these systems.

Risks in relation to Funds Held on Trust are reported to the Corporate Trustee. The Corporate Trustee makes recommendations in order to manage risks around Funds held on Trust. At this point in time the Corporate Trustees consider the controls in place sufficient to address the risks to the Charity.

5. Financial Information

The Accounts for the year ended 31st March 2025 have been prepared in accordance with the requirements of the Special Purpose Charity Declaration of Trust to give a 'true and fair' view.

The Charity made a surplus for the year amounting to £191k. All funds held were designated to be applied as and when deemed necessary for the benefit and comfort of all the public who used the services provided by Black Country Healthcare NHS Foundation Trust.

6. Consolidated and Separate Financial Statements

HM Treasury previously granted an exemption for NHS bodies applying 'International Accounting Standard (IAS) 27 Consolidated and Separate Financial Statements (Revised)' to their NHS charitable funds. From 2013/14, the Treasury dispensation is no longer available and NHS Foundation Trusts will therefore need to consolidate any NHS Charitable Funds which they determine to be subsidiaries.

Black Country Healthcare NHS Foundation Trust Charity has not been consolidated with Black Country Healthcare NHS Foundation Trust Parent due to the balance of the funds being below the level of materiality and significance to the overall parent account.

7. Foreword to the Financial Statements and Notes

The Financial Statements have been prepared on a going concern basis, and comply with the Trust Deed.

Statutory Background

The Black Country Healthcare NHS Foundation Trust is the Corporate Trustee of the Funds Held on Trust under paragraph 16c of Schedule 2 of the NHS and Community Care Act 1990. Funds Held on Trust are registered with the Charity Commission.

Main purpose of the Funds Held on Trust

The main purpose of the Charitable Funds Held on Trust is to apply income for any charitable purpose relating to the National Health Service wholly or mainly for the services provided by the Foundation Trust.

8. Statement of Corporate Trustees' Responsibilities in Respect of the Corporate Trustees' Annual Report and the Financial Statements.

Under the Trust deed and rules of the Charity and Charity Law, the Corporate Trustee is responsible for preparing the Trustee's Annual Report and the Financial Statements in accordance with applicable law and regulations. The Financial Statements are required by law to give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these Financial Statements, generally accepted accounting practice requires that the Corporate Trustee:

- select suitable accounting policies and then apply them consistently.
- make judgments and estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the Financial Statements.
- state whether the Financial Statements comply with the Trust Deed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Directors of the NHS Foundation Trust acting on behalf of the Corporate Trustee are required to act in accordance with the Trust Deed and the rules of the Charity, within the framework of Charity law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Charity at the time. The directors are also responsible for ensuring that statements of account are prepared and comply with the requirements of regulations.

They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities. The Corporate Trustee is responsible for the maintenance and integrity of the financial information and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

The charity is a public benefit entity and the trustees have had regard to the Charity Commission's guidance on public benefit

Signed: _____

Marsha Foster, Chief Executive Officer, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 31st October 2025

9. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF BLACK COUNTRY HEALTHCARE CHARITY FUND

Independent examiner's report to the trustee of Black Country Healthcare Charity Fund

I report to the charity trustee on my examination of the accounts of Black Country Healthcare Charity Fund (the Trust) for the year ended 31 March 2025.

Responsibilities and basis of report

As the charity trustee you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

11.ACCOUNTING POLICIES

11.1 Accounting Convention

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

11.2 Structure of Funds

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified as a restricted income fund where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Those funds which are not restricted income funds are classed as unrestricted income funds which are sub analysed between designated (earmarked) funds where the donor has made known their non-binding wishes or where the Corporate Trustee, at their discretion, has created a specific fund for a specific purpose, and wholly unrestricted funds which are wholly at the Corporate Trustees unfettered discretion.

The Charitable Trust unrestricted funds as disclosed in note 19 shows there were no restricted funds.

Transfers between funds are approved from time to time normally following a request from an individual fund holder. These will be sanctioned only after full consideration to ensure that the donor's wishes are not compromised and that the transfer will result in the funds being committed more quickly for the purpose for which they were given.

11.3 Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Incoming resources from Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is reasonably certain. This will be once confirmation has been

NOTES TO THE FINANCIAL STATEMENTS

received from the representatives of the estate(s) that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

Legacies which have been notified but not recognised as incoming resources, where material, have not been included in the Statement of Financial Activities but are disclosed in a separate note to the accounts with an estimate of the amount receivable.

11.4 Resources Expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. Management and administrative costs are accounted for on an accruals basis and recharges of appropriate proportions of staff time from the Foundation Trust and the Independent Examiners time.

11.5 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

11.6 Charitable Expenditure

Charitable expenditure comprises all expenditure identified as wholly or mainly incurred in the pursuit of the charitable objects of the Charity. Additionally, there may have been indirect costs together with an apportionment of overhead and support costs as disclosed in the notes.

11.7 Allocation of Overheads and Support Costs

Overheads and support costs have been allocated to governance costs. Costs which are not wholly attributable to an expenditure type have been apportioned. The analysis of overhead and support costs and the basis of allocation are shown in note 15.

11.8 Governance Costs

These are all costs identifiable as wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulation and good practice. These costs were for management and staff of Black Country Healthcare NHS Foundation Trust for administering the Charitable Fund and preparing the annual report. Included within these costs is a charge for reviewing the Annual Report and Accounts, a notional value of 50% of the charge (50% of £6k being £3k) is assumed to relate to this review.

11.9 Change in the basis of accounting

There have been no changes in the basis of accounting during the year.

11.10 Related Party Transactions

During the financial year none of the Corporate Trustee Board members or members of the key management staff or parties related to them were beneficiaries from the Charity.

NOTES TO THE FINANCIAL STATEMENTS

Neither the Corporate Trustee or any member of its Board received honoraria, emoluments or expenses from the Charity in the year and the Corporate Trustee has not purchased trustee indemnity insurance.

The Black Country Healthcare NHS Foundation Trust as Corporate Trustee was a related party; further disclosure is detailed within note 18.

11.11 Volunteers

The Trust Fund currently does not have any volunteers supporting the activities. Charity activities were coordinated by the staff of Black Country Healthcare NHS Foundation Trust.

12. INCOME

12.1. Analysis of Voluntary Income

Sub-Fund	Year Ending 31 March 2025 £'000	Year Ending 31 March 2024 £'000
Mental Health	12	3
Learning Disabilities	17	-
CYPF	-	-
Corporate	200	85
Medical	-	-
Older Adults	1	2
Total	230	90

A £72k grant was received from NHS Charity Together to aid with the inequality Innovation Challenge Fund project.

A £70k grant was received from CW+ for the volunteering for health project.

A £44k grant was received from NHS Charity Together to aid with the recruitment of staff for the charity.

A £12k grant was received from the lottery fund for the aid of the Carers service.

A £3k grant was received from The Hedley Foundation to fund the sailing project for young people with psychosis.

£1k grant was received from The Grantham Yorke to fund the youth café space.

12.2 Analysis of Investment Income

Investment income is wholly in relation to bank interest.

Interest of £4k has been received from cash held in the Charity's bank accounts for 2024/25 (2023/24: £3k)

NOTES TO THE FINANCIAL STATEMENTS

13 Analysis of Expenditure for Staff and Patient Welfare:

Division	Year Ending 31 March 2025 £'000	Year Ending 31 March 2024 £'000
Mental Health	-	-
Learning Disabilities	3	-
CYPF	-	-
Corporate	30	97
Medical	-	-
Older Adults	-	2
Total	33	99

Staff and Patient Welfare amounted to;

- NHS Charities Together Schemes £16k relating to employment retention.
- Other corporate schemes £14k (£3k on Furniture and items for therapy and waiting rooms, £5k Green space allotment improvements, £2k on activities and sensory items for various wards, £4k on Christmas presents for patients)

Bank charges included amounted to £24 in 2024/25 (2023/24: £20)

14 Analysis of Staff Costs

There was 1 staff member employed by the Charity in 2024/25 (2023/24: 3). No remuneration expenses were paid to the Corporate Trustee in 2024/25 (2023/24: £nil).

15 Governance Costs

Governance costs for 2024/25 amounted to £6k (2023/24: £5k). These costs were apportioned to individual funds based on average balances.

NOTES TO THE FINANCIAL STATEMENTS

16 Analysis of Current Assets

Debtors	Year Ending 31 March 2025 £'000	Year Ending 31 March 2024 £'000
Debtors	-	-
Debtors falling due within one year	-	-

There are no outstanding balances for 2024/25 (2023/24: £nil)

17 Investment Account

The Charity holds no investment accounts for 2024/25 (2023/24: £3k).

18 Analysis of Current Liabilities

Creditors	Year Ending 31 March 2025 £'000	Year Ending 31 March 2024 £'000
Creditors	(8)	-
Creditors falling due within one year	(8)	-

There was a creditor's balance of £8k for 2024/25 (2023/24 £nil).

NOTES TO THE FINANCIAL STATEMENTS

19 Unrestricted Funds

The following designated funds are held for staff and patient welfare and are expended in accordance with the Charity's objectives and at the discretion of the Corporate Trustee.

1. Foreword to the Annual Report

As a NHS Charity we are required to perform our duties in furtherance of the Charity's purpose and in accordance with relevant legislation. This report provides an outline as to how the Charity has operated and fulfilled its obligations during the year, as reflected in its financial statements.

Signed ... 

Marsha Foster,

Chief Executive Officer, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 15th October 2024

2. About the Charitable Funds

The Charitable Fund was established in November 1996 under a Special Purpose Charity Declaration of Trust and registered with the Charity Commission under registration number 1060039.

The purpose of the charity is to raise funds and receive donations for the benefit of the NHS. For us this is service users, carers and staff of Black Country Healthcare NHS Foundation Trust. By securing donations, legacies and sponsorship the charity can enhance the services received by service users, carers and staff involved in the provision of those services.

Expenditure of the funds are made in accordance with charity law, our constitution and the wishes and directions of the donors. The Charity endeavours to reflect the wishes of patients and staff by directing the funds towards areas they tell us are most in need. During the year £99k of funds was spent to support and enhance the services received by service users, carers and staff to promote and support wellbeing. When considering where to focus our attention our corporate trustee's board and the members of the charitable funds committee have regard to the Charity Commission for England and Wales's guidance on public benefit and what this means for the Charity and applies the following two principles;

Principle 1 – There must be identifiable benefit or benefits

Principle 2 – Benefit must be to the public, a section of the public, or staff providing services to the public

Our plans are to continue to develop the charity increasing the level of fundraising which will help us to continue to enhance the services received by our service users, carers and staff.

3. Our performance in 2023/24:

The continued commitment and determination of our staff has ensured we have been able to continue to deliver services and help those most in need during the year and the charities focus has been to support service user, carers and staff as much as possible to enhance the environments and ensure health and wellbeing was maintained during the cost-of-living crisis.

The charity received a number of donations from the public in total £12k.

The Trust is a member of NHS Charities together which resulted in the Trust having received grant income totalling £74k in 2023/24 (£9k in 2022/23). The grant income has enabled the Trust to recruit a Charity Engagement Officer and Volunteer Co-Ordinator as well as other supporting activities. This is a large step forward for the Charity to have a dedicated staff to focus on fund raising and raise the profile of our Charity.

4. Governance Arrangements

The Foundation Trust's Corporate Trustee responsibilities are distinct from its responsibilities for exchequer funds and may not necessarily be discharged in the same manner though there is adherence to the overriding general principles of financial regularity, prudence and propriety.

The Trustee controls the Charitable Fund through its Board of Directors. The names and roles of the Board of Directors at 15th October 2024 are detailed below;

Name	Role
Mr Jeremy Vanes	Chair
Mrs Marsha Foster	Chief Executive Officer
Mr Chris Masikane	Deputy Chief Executive
Ms Georgina Dean	Chief Finance Officer
Dr Mark Weaver	Chief Medical Officer
Dr Madhava Rao	Acting Chief Medical Officer
Mrs Kuli Kaur- Wilson	Director of Strategy
Carolyn Green	Chief Nursing Officer
Ms Ashi Williams	Director of People
Ms Susan Van Genderen	Director of Therapies
Dr Laura MCGowen	Chief Clinical Information Officer
Joy Jeffery	Vice Chair
David Moon	Non-Executive Director
Ms Alison Geeson	Non-Executive Director
Mr Shaukat Ali	Non-Executive Director
Ms Saba Gondal	Non-Executive Director
Dr Janet Bailey	Non-Executive Director
Mr Roger Dunshea	Non-Executive Director

The address of the Trust is: 2nd Floor Trafalgar House
King Street
Dudley
West Midlands
DY2 8PS

The Charitable Funds Committee receives reports on the performance of funds, which comprises of the fund balance and narrative of both expenditure and income in relation to those funds. The annual accounts of the Charity are independently examined by an external body to the Foundation Trust.

Organisational structure and decisions:

There are no employees working for the Charity. Decisions are made by the Corporate Trustee of the Charity and by delegation through the Charitable Funds Committee and designated fund managers.

Reserves policy:

The Trustee is under a general legal duty to apply (expend) charitable funds within a reasonable time of receiving them. Adherence to the policy is monitored via regular reports to the Trustee. There is no target held for the level of reserves the charity holds and it is reviewed annually.

As at 31st March 2024 the charity has unrestricted reserves of £152k (2022/23: unrestricted £166k).

Risks applicable to Funds Held on Trust:

Risks around financial controls have been mitigated by the operation of set financial procedures around the activities of the Funds Held on Trust, and by commissioning the Trust's internal auditors to review these systems.

Risks in relation to Funds Held on Trust are reported to the Corporate Trustee. The Corporate Trustee makes recommendations in order to manage risks around Funds held on Trust. At this point in time the Corporate Trustees consider the controls in place sufficient to address the risks to the Charity.

5. Financial Information

The Accounts for the year ended 31st March 2024 have been prepared in accordance with the requirements of the Special Purpose Charity Declaration of Trust to give a 'true and fair' view.

The Charity made a deficit for the year amounting to £14k. All funds held were designated to be applied as and when deemed necessary for the benefit and comfort of all the public who used the services provided by Black Country Healthcare NHS Foundation Trust.

6. Consolidated and Separate Financial Statements

HM Treasury previously granted an exemption for NHS bodies applying 'International Accounting Standard (IAS) 27 Consolidated and Separate Financial Statements (Revised)' to their NHS charitable funds. From 2013/14, the Treasury dispensation is no longer available and NHS Foundation Trusts will therefore need to consolidate any NHS Charitable Funds which they determine to be subsidiaries.

Black Country Healthcare NHS Foundation Trust Charity has not been consolidated with Black Country Healthcare NHS Foundation Trust Parent due to the balance of the funds being below the level of materiality and significance to the overall parent account.

7. Foreword to the Financial Statements and Notes

The Financial Statements have been prepared on a going concern basis, and comply with the Trust Deed.

Statutory Background

The Black Country Healthcare NHS Foundation Trust is the Corporate Trustee of the Funds Held on Trust under paragraph 16c of Schedule 2 of the NHS and Community Care Act 1990. Funds Held on Trust are registered with the Charity Commission.

Main purpose of the Funds Held on Trust

The main purpose of the Charitable Funds Held on Trust is to apply income for any charitable purpose relating to the National Health Service wholly or mainly for the services provided by the Foundation Trust.

8. Statement of Corporate Trustees' Responsibilities in Respect of the Corporate Trustees' Annual Report and the Financial Statements.

Under the Trust deed and rules of the Charity and Charity Law, the Corporate Trustee is responsible for preparing the Trustee's Annual Report and the Financial Statements in accordance with applicable law and regulations. The Financial Statements are required by law to give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these Financial Statements, generally accepted accounting practice requires that the Corporate Trustee:

- select suitable accounting policies and then apply them consistently.
- make judgments and estimates that are reasonable and prudent.
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the Financial Statements.
- state whether the Financial Statements comply with the Trust Deed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Directors of the NHS Foundation Trust acting on behalf of the Corporate Trustee are required to act in accordance with the Trust Deed and the rules of the Charity, within the framework of Charity law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Charity at the time. The directors are also responsible for ensuring that statements of account are prepared and comply with the requirements of regulations.

They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities. The Corporate Trustee is responsible for the maintenance and integrity of the financial information and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

The charity is a public benefit entity and the trustees have had regard to the Charity Commission's guidance on public benefit

Signed:

Marsha Foster, Chief Executive Officer, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 15th October 2024

9. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF BLACK COUNTRY HEALTHCARE NHS FOUNDATION TRUST

Independent examiner's report to the trustee of Black Country Healthcare NHS Foundation Trust

I report to the charity trustee on my examination of the accounts of Black Country Healthcare NHS Foundation Trust (the Trust) for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity trustee you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

11. ACCOUNTING POLICIES

11.1 Accounting Convention

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

11.2 Structure of Funds

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified as a restricted income fund where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Those funds which are not restricted income funds are classed as unrestricted income funds which are sub analysed between designated (earmarked) funds where the donor has made known their non-binding wishes or where the Corporate Trustee, at their discretion, has created a specific fund for a specific purpose, and wholly unrestricted funds which are wholly at the Corporate Trustees unfettered discretion.

The Charitable Trust unrestricted funds as disclosed in note 19 shows there were no restricted funds.

Transfers between funds are approved from time to time normally following a request from an individual fund holder. These will be sanctioned only after full consideration to ensure that the donor's wishes are not compromised and that the transfer will result in the funds being committed more quickly for the purpose for which they were given.

11.3 Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Incoming resources from Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is reasonably certain. This will be once confirmation has been

NOTES TO THE FINANCIAL STATEMENTS

received from the representatives of the estate(s) that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

Legacies which have been notified but not recognised as incoming resources, where material, have not been included in the Statement of Financial Activities but are disclosed in a separate note to the accounts with an estimate of the amount receivable.

11.4 Resources Expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. Management and administrative costs are accounted for on an accruals basis and recharges of appropriate proportions of staff time from the Foundation Trust and the Independent Examiners time.

11.5 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

11.6 Charitable Expenditure

Charitable expenditure comprises all expenditure identified as wholly or mainly incurred in the pursuit of the charitable objects of the Charity. Additionally there may have been indirect costs together with an apportionment of overhead and support costs as disclosed in the notes.

11.7 Allocation of Overheads and Support Costs

Overheads and support costs have been allocated to governance costs. Costs which are not wholly attributable to an expenditure type have been apportioned. The analysis of overhead and support costs and the basis of allocation are shown in note 15.

11.8 Governance Costs

These are all costs identifiable as wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulation and good practice. These costs were for management and staff of Black Country Healthcare NHS Foundation Trust for administering the Charitable Fund and preparing the annual report. Included within these costs is a charge for reviewing the Annual Report and Accounts, a notional value of 50% of the charge (50% of £7k being £3.5k) is assumed to relate to this review.

11.9 Change in the basis of accounting

There have been no changes in the basis of accounting during the year.

11.10 Related Party Transactions

During the financial year none of the Corporate Trustee Board members or members of the key management staff or parties related to them were beneficiaries from the Charity.

NOTES TO THE FINANCIAL STATEMENTS

Neither the Corporate Trustee or any member of its Board received honoraria, emoluments or expenses from the Charity in the year and the Corporate Trustee has not purchased trustee indemnity insurance.

The Black Country Healthcare NHS Foundation Trust as Corporate Trustee was a related party; further disclosure is detailed within note 18.

11.11 Volunteers

The Trust Fund currently does not have any volunteers supporting the activities. Charity activities were coordinated by the staff of Black Country Healthcare NHS Foundation Trust.

12. INCOME

12.1. Analysis of Voluntary Income

Sub-Fund	Year Ending 31 March 2024 £'000	Year Ending 31 March 2023 £'000
Mental Health	3	1
Learning Disabilities	-	-
CYPF	-	-
Corporate	85	12
Medical	-	-
Older Adults	2	-
Total	90	13

A £74k grant was received from NHS Charity Together to aid with the recruitment of staff for the charity

12.2 Analysis of Investment Income

Investment income is wholly in relation to bank interest.

Interest of £3k has been received from cash held in the Charity's bank accounts for 2023/24 (2022/23: £733)

NOTES TO THE FINANCIAL STATEMENTS

13 Analysis of Expenditure for Staff and Patient Welfare:

Division	Year Ending 31 March 2024 £'000	Restated Year Ending 31 March 2023 £'000
Mental Health	-	5
Learning Disabilities	-	3

1. Foreword to the Annual Report

As a NHS Charity we are required to perform our duties in furtherance of the Charity's purpose and in accordance with relevant legislation. This report provides an outline as to how the Charity has operated and fulfilled its obligations during the year, as reflected in its financial statements.

Signed 

Marsha Foster,

Acting Chief Executive, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 7th December 2022

2. About the Charitable Funds

The Charitable Fund was established in November 1996 under a Special Purpose Charity Declaration of Trust and registered with the Charity Commission under registration number 1060039.

The purpose of the charity is to raise funds and receive donations for the benefit of the NHS. For us this is service users, carers and staff of Black Country Healthcare NHS Foundation Trust. By securing donations, legacies and sponsorship the charity can enhance the services received by service users, carers and staff involved in the provision of those services.

Expenditure of the funds are made in accordance with charity law, our constitution and the wishes and directions of the donors. The Charity endeavours to reflect the wishes of patients and staff by directing the funds towards areas they tell us are most in need. During the year £94k of funds was spent to support and enhance the services received by service users, carers and staff to promote and support wellbeing. When considering where to focus our attention our corporate trustee's board and the members of the charitable funds committee have regard to the Charity Commission for England and Wales's guidance on public benefit and what this means for the Charity and applies the following two principles;

Principle 1 – There must be identifiable benefit or benefits

Principle 2 – Benefit must be to the public, a section of the public, or staff providing services to the public

Our plans are to continue to develop the charity increasing the level of fundraising which will help us to continue to enhance the services received by our service users, carers and staff.

3. Our performance in 2021/22:

The continued commitment and determination of our staff has ensured we have been able to continue to deliver services and help those most in need during the year and the charities focus has been to support service user, carers and staff as much as possible to enhance the environments and ensure health and wellbeing was maintained during the Covid-19 pandemic.

The charity was not able to fundraise via face to face activities in year however we did still receive donations from the public £2.5k as well as internal charitable activities £1k.

The Trust is a member of NHS Charities together which resulted in the Trust having received grant income totalling £50k in 2021/22 (£212k in 2020/21). The grant income has been allocated to carrying out the following projects:

Staff related:

- Chill Out Rooms / Community Safe Spaces

On each of the Trust wards and within community bases a bespoke room has been refurbished and equipped for staff to use as a chill out/safe space. This not only acknowledges the particular pressures staff have faced and will face going forward in responding to the Covid-19 pandemic, but is also seen as best practice even in normal times and speaks of the Trust's values as well as our intention within the new organisation to prioritise staff wellbeing and experiences. The rooms are available for all staff to use, and the facilities afford our staff an opportunity to step away from the pressures of work and take some time out to "chill".

- Mobile App

Continued development of a staff app, enhancing communication to all staff across the Trust, particularly those on the frontline and providing facilities services who have limited access to our normal channels of communication, as well as clinical and administration staff who are home working as a result of the Covid-19 pandemic and not coming onto site.

Service Users:

- In-patient kits

Inpatient wards continued rollout of smart devices to support the wellbeing of service users including patients who were in self isolation due to Covid-19, devices were also utilised for clinical group sessions as well as general use for all patients in ward areas to be able to make regular contact with friends and family while visiting was suspended.

- Activities

Purchase of activity items for inpatient units to provide additional stimulation and variation of activities for service users to undertake during their stay that fit with infection prevention and control guidance due to a number of activities pre pandemic having to be stopped.

- Employment Retention

Specialist support and advice provided in regards to job retention to ensure employment is secured where possible, and where it has not been secured support for service users in looking for alternative employment this individual placement and support teams. The team will also work with employers and provide basic mental health training.

4. Governance Arrangements

The Foundation Trust's Corporate Trustee responsibilities are distinct from its responsibilities for exchequer funds and may not necessarily be discharged in the same manner though there is adherence to the overriding general principles of financial regularity, prudence and propriety.

The Trustee controls the Charitable Fund through its Board of Directors. The names and roles of the Board of Directors at 19th October 2022 are detailed below;

Name	Role
Mr Jeremy Vanes	Chair
Mrs Marsha Foster	Acting Chief Executive

Organisational structure and decisions:

There are no employees working for the Charity. Decisions are made by the Corporate Trustee of the Charity and by delegation through the Charitable Funds Committee and designated fund managers.

Reserves policy:

The Trustee is under a general legal duty to apply (expend) charitable funds within a reasonable time of receiving them. Adherence to the policy is monitored via regular reports to the Trustee. There is no target held for the level of reserves the charity holds and it is reviewed annually.

As at 31st March 2022 the charity has unrestricted reserves of £208k (2020/21: unrestricted £250k).

Risks applicable to Funds Held on Trust:

Risks around financial controls have been mitigated by the operation of set financial procedures around the activities of the Funds Held on Trust, and by commissioning the Trust's internal auditors to review these systems.

Risks in relation to Funds Held on Trust are reported to the Corporate Trustee. The Corporate Trustee makes recommendations in order to manage risks around Funds held on Trust. At this point in time the Corporate Trustees consider the controls in place sufficient to address the risks to the Charity.

5. Financial Information

The Accounts for the year ended 31st March 2022 have been prepared in accordance with the requirements of the Special Purpose Charity Declaration of Trust to give a 'true and fair' view.

The Charity made a deficit for the year amounting to £42k. All funds held were designated to be applied as and when deemed necessary for the benefit and comfort of all the public who used the services provided by Black Country Healthcare NHS Foundation Trust.

6. Consolidated and Separate Financial Statements

HM Treasury previously granted an exemption for NHS bodies applying 'International Accounting Standard (IAS) 27 Consolidated and Separate Financial Statements (Revised)' to their NHS charitable funds. From 2013/14, the Treasury dispensation is no longer available and NHS Foundation Trusts will therefore need to consolidate any NHS Charitable Funds which they determine to be subsidiaries.

Black Country Healthcare NHS Foundation Trust Charity has not been consolidated with Black Country Healthcare NHS Foundation Trust Parent due to the balance of the funds being below the level of materiality and significance to the overall parent account.

7. Foreword to the Financial Statements and Notes

The Financial Statements have been prepared on a going concern basis, and comply with the Trust Deed.

Statutory Background

The Black Country Healthcare NHS Foundation Trust is the Corporate Trustee of the Funds Held on Trust under paragraph 16c of Schedule 2 of the NHS and Community Care Act 1990. Funds Held on Trust are registered with the Charity Commission.

Main purpose of the Funds Held on Trust

The main purpose of the Charitable Funds Held on Trust is to apply income for any charitable purpose relating to the National Health Service wholly or mainly for the services provided by the Foundation Trust.

8. Statement of Corporate Trustees' Responsibilities in Respect of the Corporate Trustees' Annual Report and the Financial Statements.

Under the Trust deed and rules of the Charity and Charity Law, the Corporate Trustee is responsible for preparing the Trustee's Annual Report and the Financial Statements in accordance with applicable law and regulations. The Financial Statements are required by law to give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these Financial Statements, generally accepted accounting practice requires that the Corporate Trustee:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- state whether the Financial Statements comply with the Trust Deed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Directors of the NHS Foundation Trust acting on behalf of the Corporate Trustee are required to act in accordance with the Trust Deed and the rules of the Charity, within the framework of Charity law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Charity at the time. The directors are also responsible for ensuring that statements of account are prepared and comply with the requirements of regulations.

They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Corporate Trustee is responsible for the maintenance and integrity of the financial information and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

The charity is a public benefit entity and the trustees have had regard to the Charity Commission's guidance on public benefit.

Signed: _____

Marsha Foster, Acting Chief Executive, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date: 7th December 2022

9. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF BLACK COUNTRY HEALTHCARE NHS FOUNDATION TRUST

Independent examiner's report to the trustee of Black Country Healthcare NHS Foundation Trust

I report to the charity trustee on my examination of the accounts of Black Country Healthcare NHS Foundation Trust (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustee you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Date: 7th December 2022

NOTES TO THE FINANCIAL STATEMENTS

11.ACCOUNTING POLICIES

11.1 Accounting Convention

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

11.2 Structure of Funds

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified as a restricted income fund where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Those funds which are not restricted income funds are classed as unrestricted income funds which are sub analysed between designated (earmarked) funds where the donor has made known their non-binding wishes or where the Corporate Trustee, at their discretion, has created a specific fund for a specific purpose, and wholly unrestricted funds which are wholly at the Corporate Trustees unfettered discretion.

The Charitable Trust unrestricted funds as disclosed in note 19 shows there were no restricted funds.

Transfers between funds are approved from time to time normally following a request from an individual fund holder. These will be sanctioned only after full consideration to ensure that the donor's wishes are not compromised and that the transfer will result in the funds being committed more quickly for the purpose for which they were given.

11.3 Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Incoming resources from Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is reasonably certain. This will be once confirmation has been

NOTES TO THE FINANCIAL STATEMENTS

received from the representatives of the estate(s) that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

Legacies which have been notified but not recognised as incoming resources, where material, have not been included in the Statement of Financial Activities but are disclosed in a separate note to the accounts with an estimate of the amount receivable.

11.4 Resources Expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. Management and administrative costs are accounted for on an accruals basis and recharges of appropriate proportions of staff time from the Foundation Trust and the Independent Examiners time.

11.5 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

11.6 Charitable Expenditure

Charitable expenditure comprises all expenditure identified as wholly or mainly incurred in the pursuit of the charitable objects of the Charity. Additionally there may have been indirect costs together with an apportionment of overhead and support costs as disclosed in the notes.

11.7 Allocation of Overheads and Support Costs

Overheads and support costs have been allocated to governance costs. Costs which are not wholly attributable to an expenditure type have been apportioned. The analysis of overhead and support costs and the basis of allocation are shown in note 15.

11.8 Governance Costs

These are all costs identifiable as wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulation and good practice. These costs were for management and staff of Black Country Healthcare NHS Foundation Trust for administering the Charitable Fund and preparing the annual report. Included within these costs is a charge for reviewing the Annual Report and Accounts, a notional value of 50% of the charge (50% of £9k being £4k) is assumed to relate to this review.

11.9 Change in the basis of accounting

There have been no changes in the basis of accounting during the year.

11.10 Related Party Transactions

During the financial year none of the Corporate Trustee Board members or members of the key management staff or parties related to them were beneficiaries from the Charity.

NOTES TO THE FINANCIAL STATEMENTS

Neither the Corporate Trustee or any member of its Board received honoraria, emoluments or expenses from the Charity in the year and the Corporate Trustee has not purchased trustee indemnity insurance.

The Black Country Healthcare NHS Foundation Trust as Corporate Trustee was a related party; further disclosure is detailed within note 18.

11.11 Volunteers

The Trust Fund currently does not have any volunteers supporting the activities. Charity activities were coordinated by the staff of Black Country Healthcare NHS Foundation Trust.

12. INCOME

12.1. Analysis of Voluntary Income

Sub-Fund	Year Ending 31 March 2022 £'000	Restated Year Ending 31 March 2021 £'000
Mental Health	3	10
Learning Disabilities	-	1
CYPF	-	-
Corporate	55	220
Medical	-	2
Older Adults	3	-
Total	61	233

A £50k grant was received from NHS Charity Together to aid with the wellbeing of staff and service users.

12.2 Analysis of Investment Income

Investment income is wholly in relation to bank interest.

Interest of £125 has been received from cash held in the Charity's bank accounts for 2021/22 (2020/21: £137)

NOTES TO THE FINANCIAL STATEMENTS

13 Analysis of Expenditure for Staff and Patient Welfare:

Division	Year Ending 31 March 2022 £'000	Restated Year Ending 31 March 2021 £'000
Mental Health	-	1
Learning Disabilities	-	3
CYPF	-	-
Corporate	94	75
Medical	-	-
Older Adults	-	-
Total	94	79

Staff and Patient Welfare amounted to;

- NHS Charities Together Schemes £85k (£11k Chill out rooms, £13k mobile staff app, £28k inpatients kit, £3k staff refreshments, £27k employee retention, £3k booklets and activities pack)
- Other corporate schemes £9k (£6k SLT trained in toolkits, £3k staff awards)

Bank charges included amounted to £19 in 2021/22 (2020/21: £53)

14 Analysis of Staff Costs

There were no staff employed by the Charity in 2021/22 (2020/21: nil). No remuneration expenses were paid to the Corporate Trustee in 2021/22 (2020/21: £nil).

15 Governance Costs

Governance costs for 2021/22 amounted to £9k (2020/21: £6k). These costs were apportioned to individual funds based on average balances.

NOTES TO THE FINANCIAL STATEMENTS

16 Analysis of Current Assets

Debtors	Year Ending 31 March 2022 £'000	Year Ending 31 March 2021 £'000
Debtors	-	-
Debtors falling due within one year	-	-

There are no outstanding balances for 2021/22 (2020/21: £nil)

17 Investment Account

The Charity holds an investment with Dudley & Castle Credit Union valued at £30k for 2021/22 (2020/21: £30k). The interest rate for 2021/22 was 0.10%. This was also backdated for 2020/21 at 0.10% as they were unable to hold an AGM during the year due to Covid-19 to agree an interest rate.

18 Analysis of Current Liabilities

Creditors	Year Ending 31 March 2022 £'000	Year Ending 31 March 2021 £'000
Creditors	(10)	(11)
Creditors falling due within one year	(10)	(11)

There was a creditor's balance of £10k for 2021/22 (2020/21 £11k), this is in relation to the Governance costs of £9k (2020/21: £6k) and creditors of £1k (2020/21: £5k), of which both amounts were owed to Black Country Healthcare NHS Foundation Trust for payments made on behalf of the charity.

NOTES TO THE FINANCIAL STATEMENTS

19 Unrestricted Funds

The following designated funds are held for staff and patient welfare and are expended in accordance with the Charity's objectives and at the discretion of the Corporate Trustee.

Division	Funds brought forward £000	Transfer Between Funds £000	Incoming Resources £000	Resources Expended £000	Funds Carried Forward £000
Mental Health	30	(31)	3	-	2
Learning Disabilities	59	(59)	-	-	-
CYPF	14	(14)	-	-	-
Corporate	145	106	56	(103)	204
Medical	2	(2)	-	-	-
Older Adults	-	-	2	-	2
Total	250	-	61	(103)	208

1. Foreword to the Annual Report

As a NHS Charity we are required to perform our duties in furtherance of the Charity's purpose and in accordance with relevant legislation. This report provides an outline as to how the Charity has operated and fulfilled its obligations during the year, as reflected in its financial statements.

Marsha Foster

Signed

Marsha Foster,

Interim Chief Executive, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date 1st December 2021

2. About the Charitable Funds

The Charitable Fund was established in November 1996 under a Special Purpose Charity Declaration of Trust and registered with the Charity Commission under registration number 1060039.

On 1st April 2020, the Trust legally acquired services from Dudley and Walsall Mental Health Trust, which included £10k of donations to services via a Commercial Transfer Arrangement. As a result of the acquisition the charity changed its name to Black Country Healthcare NHS Foundation Trust. These financial statements have been adjusted to reflect these events.

The purpose of the charity is to raise funds and receive donations for the benefit of the NHS. For us this is service users, carers and staff of Black Country Healthcare NHS Foundation Trust. By securing donations, legacies and sponsorship the charity can enhance the services received by service users, carers and staff involved in the provision of those services.

Expenditure of the funds are made in accordance with charity law, our constitution and the wishes and directions of the donors. The Charity endeavours to reflect the wishes of patients and staff by directing the funds towards areas they tell us are most in need. During the year £85k of funds was spent to support and enhance the services received by service users, carers and staff to promote and support wellbeing during the Covid-19 pandemic. When considering where to focus our attention our corporate trustee's board and the members of the charitable funds committee have regard to the Charity Commission for England and Wales's guidance on public benefit and what this means for the Charity and applies the following two principles;

Principle 1 – There must be identifiable benefit or benefits

Principle 2 – Benefit must be to the public, a section of the public, or staff providing services to the public

Our plans are to continue to develop the charity increasing the level of fundraising which will help us to continue to enhance the services received by our service users, carers and staff.

3. Our performance in 2020/21:

The commitment and determination of our staff has ensured we have been able to continue to deliver services and help those most in need during the year and the charities focus has been to support service user, carers and staff as much as possible to enhance the environments and ensure health and wellbeing was maintained during the Covid-19 pandemic.

The charity was not able to fundraise via face to face activities in year however we did still receive donations from the public £9k as well as internal charitable activities £1k.

In year the charity did become a member of NHS Charities together which resulted in the Trust being successful in receiving grant income totalling £212k. The grant income has been allocated to carrying out the following projects:

Staff related:

- Chill Out Rooms / Community Safe Spaces

On each of the Trust wards and within community bases a bespoke room has been identified and equipped for staff to use as a chill out/safe space. This not only acknowledges the particular pressures staff have faced and will face going forward in responding to the Covid-19 pandemic, but is also seen as best practice even in normal times and speaks of the Trust's values as well as our intention within the new organisation to prioritise staff wellbeing and experiences. The rooms are available for all staff to use, and the facilities afford our staff an opportunity to step away from the pressures of work and take some time out to "chill".

- Mobile App

Development of a staff app, enhancing communication to all staff across the Trust, particularly those on the frontline and providing facilities services who have limited access to our normal channels of communication, as well as clinical and administration staff who are home working as a result of the Covid-19 pandemic and not coming onto site.

- Wellbeing Gift cards

Gift cards distributed to all substantive and bank staff which gave a morale boost to all staff, and is a reflection of the public regard for the ongoing service which has continued to be provided all year long.

- Refreshments

Providing sandwiches, snacks and drinks for services dealing with patients on a daily basis, boosting morale and reducing the need for staff to leave site, which in turn supported guidance on infection prevention and control.

Service Users:

- In-patient kits

Inpatient wards implemented smart devices to support the wellbeing of service users including patients who were in self isolation due to Covid-19, devices were also utilised for clinical group sessions as well as general use for all patients in ward areas to be able to make regular contact with friends and family while visiting was suspended.

- Activities

Purchase of activity items for inpatient units to provide additional stimulation and variation of activities for service users to undertake during their stay that fit with infection prevention and control guidance due to a number of activities pre pandemic having to be stopped.

- Tackling Loneliness

Develop a range of activities and interventions that service users can access to increase their social networks and promote peer connections that have been lost due to Covid-19 resulting in social isolation and loneliness.

- Employment Retention

Specialist support and advice provided in regards to job retention to ensure employment is secured where possible, and where it has not been secured support for service users in looking for alternative employment this individual placement and support teams. The team will also work with employers and provide basic mental health training.

4. Governance Arrangements

The Foundation Trust's Corporate Trustee responsibilities are distinct from its responsibilities for exchequer funds and may not necessarily be discharged in the same manner though there is adherence to the overriding general principles of financial regularity, prudence and propriety.

The Trustee controls the Charitable Fund through its Board of Directors. The names and roles of the Board of Directors at 20th October 2021 are detailed below;

Name	Role
Mr Jeremy Vanes	Chair
Mr Mark Axcell	Chief Executive Officer

Reserves policy:

The Trustee is under a general legal duty to apply (expend) charitable funds within a reasonable time of receiving them. Adherence to the policy is monitored via regular reports to the Trustee. There is no target held for the level of reserves the charity holds and it is reviewed annually.

As at 31st March 2021 the charity has unrestricted reserves of £250k (2019/20: unrestricted £102k).

Risks applicable to Funds Held on Trust:

Risks around financial controls have been mitigated by the operation of set financial procedures around the activities of the Funds Held on Trust, and by commissioning the Trust's internal auditors to review these systems.

Risks in relation to Funds Held on Trust are reported to the Corporate Trustee. The Corporate Trustee makes recommendations in order to manage risks around Funds held on Trust. At this point in time the Corporate Trustees consider the controls in place sufficient to address the risks to the Charity.

5. Financial Information

The Accounts for the year ended 31st March 2021 have been prepared in accordance with the requirements of the Special Purpose Charity Declaration of Trust to give a 'true and fair' view.

The Charity made a surplus for the year amounting to £148k. All funds held were designated to be applied as and when deemed necessary for the benefit and comfort of all the public who used the services provided by Black Country Healthcare NHS Foundation Trust.

6. Consolidated and Separate Financial Statements

HM Treasury previously granted an exemption for NHS bodies applying 'International Accounting Standard (IAS) 27 Consolidated and Separate Financial Statements (Revised)' to their NHS charitable funds. From 2013/14, the Treasury dispensation is no longer available and NHS Foundation Trusts will therefore need to consolidate any NHS Charitable Funds which they determine to be subsidiaries.

Black Country Healthcare NHS Foundation Trust Charity has not been consolidated with Black Country Healthcare NHS Foundation Trust Parent due to the balance of the funds being below the level of materiality and significance to the overall parent account.

7. Foreword to the Financial Statements and Notes

The Financial Statements have been prepared on a going concern basis, and comply with the Trust Deed.

Statutory Background

The Black Country Healthcare NHS Foundation Trust is the Corporate Trustee of the Funds Held on Trust under paragraph 16c of Schedule 2 of the NHS and Community Care Act 1990. Funds Held on Trust are registered with the Charity Commission.

Main purpose of the Funds Held on Trust

The main purpose of the Charitable Funds Held on Trust is to apply income for any charitable purpose relating to the National Health Service wholly or mainly for the services provided by the Foundation Trust.

8. Statement of Corporate Trustees' Responsibilities in Respect of the Corporate Trustees' Annual Report and the Financial Statements.

Under the Trust deed and rules of the Charity and Charity Law, the Corporate Trustee is responsible for preparing the Trustee's Annual Report and the Financial Statements in accordance with applicable law and regulations. The Financial Statements are required by law to give a true and fair view of the state of affairs of the Charity and of the excess of income over expenditure for that period. In preparing these Financial Statements, generally accepted accounting practice requires that the Corporate Trustee:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- state whether the Financial Statements comply with the Trust Deed, subject to any material departures disclosed and explained in the Financial Statements; and
- prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Directors of the NHS Foundation Trust acting on behalf of the Corporate Trustee are required to act in accordance with the Trust Deed and the rules of the Charity, within the framework of Charity law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the Charity at the time. The directors are also responsible for ensuring that statements of account are prepared and comply with the requirements of regulations.

They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Charity and to prevent and detect fraud and other irregularities.

The Corporate Trustee is responsible for the maintenance and integrity of the financial information and other information included on the charity's website. Legislation in the UK governing the preparation and dissemination of financial information may differ from legislation in other jurisdictions.

The charity is a public benefit entity and the trustees have had regard to the Charity Commission's guidance on public benefit.

Marsha Foster

Marsha Foster, Interim Chief Executive, Black Country Healthcare NHS Foundation Trust, as Corporate Trustee

Date: 1st December 2021

9. INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEE OF BLACK COUNTRY HEALTHCARE NHS FOUNDATION TRUST

Independent examiner's report to the trustee of Black Country Healthcare NHS Foundation Trust

I report to the charity trustee on my examination of the accounts of Black Country Healthcare NHS Foundation Trust (the Trust) for the year ended 31 March 2021.

Responsibilities and basis of report

As the charity trustee you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

11. ACCOUNTING POLICIES

11.1 Accounting Convention

The financial statements have been prepared under the historic cost convention, with the exception of investments which are included at market value.

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

11.2 Structure of Funds

Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified as a restricted income fund where the donor has provided for the donation to be spent in furtherance of a specified charitable purpose.

Those funds which are not restricted income funds are classed as unrestricted income funds which are sub analysed between designated (earmarked) funds where the donor has made known their non-binding wishes or where the Corporate Trustee, at their discretion, has created a specific fund for a specific purpose, and wholly unrestricted funds which are wholly at the Corporate Trustees unfettered discretion.

The Charitable Trust unrestricted funds as disclosed in note 19 shows there were no restricted funds.

Transfers between funds are approved from time to time normally following a request from an individual fund holder. These will be sanctioned only after full consideration to ensure that the donor's wishes are not compromised and that the transfer will result in the funds being committed more quickly for the purpose for which they were given.

11.3 Incoming Resources

All incoming resources are included in the Statement of Financial Activities when the Charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Incoming resources from Legacies are accounted for as incoming resources either upon receipt or where the receipt of the legacy is reasonably certain. This will be once confirmation has been

NOTES TO THE FINANCIAL STATEMENTS

received from the representatives of the estate(s) that payment of the legacy will be made or property transferred and once all conditions attached to the legacy have been fulfilled.

Legacies which have been notified but not recognised as incoming resources, where material, have not been included in the Statement of Financial Activities but are disclosed in a separate note to the accounts with an estimate of the amount receivable.

11.4 Resources Expended

The funds held on trust accounts are prepared in accordance with the accruals concept. All expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party. Management and administrative costs are accounted for on an accruals basis and recharges of appropriate proportions of staff time from the Foundation Trust and the Independent Examiners time.

11.5 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

11.6 Charitable Expenditure

Charitable expenditure comprises all expenditure identified as wholly or mainly incurred in the pursuit of the charitable objects of the Charity. Additionally there may have been indirect costs together with an apportionment of overhead and support costs as disclosed in notes 14-17.

11.7 Allocation of Overheads and Support Costs

Overheads and support costs have been allocated to governance costs. Costs which are not wholly attributable to an expenditure type have been apportioned. The analysis of overhead and support costs and the basis of allocation are shown in note 15.

11.8 Governance Costs

These are all costs identifiable as wholly or mainly attributable to ensuring the public accountability of the Charity and its compliance with regulation and good practice. These costs were for management and staff of Black Country Partnership NHS Foundation Trust for administering the Charitable Fund and preparing the annual report. Included within these costs is a charge for reviewing the Annual Report and Accounts, a notional value of 50% of the charge (50% of £6,468 being £3,234) is assumed to relate to this review.

11.9 Change in the basis of accounting

There have been no changes in the basis of accounting during the year.

11.10 Related Party Transactions

During the financial year none of the Corporate Trustee Board members or members of the key management staff or parties related to them was beneficiaries from the Charity.

NOTES TO THE FINANCIAL STATEMENTS

Neither the Corporate Trustee or any member of its Board received honoraria, emoluments or expenses from the Charity in the year and the Corporate Trustee has not purchased trustee indemnity insurance.

The Black Country Partnership NHS Foundation Trust as Corporate Trustee was a related party; further disclosure is detailed within note 18.

11.11 Volunteers

The Trust Fund currently does not have any volunteers supporting the activities. Charity activities were coordinated by the staff of Black Country Partnership NHS Foundation Trust.

12. INCOME

12.1. Analysis of Voluntary Income

Sub-Fund	Year Ending 31 March 2021 £'000	Year Ending 31 March 2020 £'000
Mental Health	10	2
Learning Disabilities	1	-
CYPF	-	-
Corporate	220	3
Medical	2	-
Total	233	5

A £212k grant was received from NHS Charity Together to aid with the wellbeing of staff and service users.

12.2 Analysis of Investment Income

Investment income is wholly in relation to bank interest.

Interest of £137 has been received from cash held in the Charity's bank accounts for 2020/21 (2019/20: £717)

NOTES TO THE FINANCIAL STATEMENTS

13 Analysis of Expenditure for Staff and Patient Welfare:

Division	Year Ending 31 March 2021 £'000	Year Ending 31 March 2020 £'000
Mental Health	1	29
Learning Disabilities	3	1
CYPF	-	3
Corporate	75	2
Medical	-	-
Total	79	35

Staff and Patient Welfare amounted to;

- Mental Health £1k (£1k Pool table for patients)
- Learning Disabilities £3k (£1k Sensory equipment, £1k Anti-ligature equipment, and £1k Other);
- CYPF nil
- Corporate £75k (£58k Staff and wellbeing vouchers, £10k chill-out rooms for staff and £7k staff refreshments);
- Medical nil

Bank charges included amounted to £53 in 2010/21 (2019/20: £68)

14 Analysis of Staff Costs

There were no staff employed by the Charity in 2020/21 (2019/20: nil). No remuneration expenses were paid to the Corporate Trustee in 2020/21 (2019/20: £nil).

15 Governance Costs

Governance costs for 2020/21 amounted to £6,468 (2019/20: £5,593). These costs were apportioned to individual funds based on average balances.

NOTES TO THE FINANCIAL STATEMENTS

16 Analysis of Current Assets

Debtors	Year Ending 31 March 2021 £'000	Year Ending 31 March 2020 £'000
Debtors	-	-
Debtors falling due within one year	-	-

There are no outstanding balances for 2020/21 (2019/20: £nil)

17 Investment Account

The Charity holds an investment with Dudley & Castle Credit Union valued at £29,654 for 2020/21 (2019/20: £19,226). As they were unable to hold a AGM during the year due to Covid-19 to agree an interest rate the Trust did not receive a dividend. However, they have advised this will be rectified in the following year. This account (interest rate 2019/20: 0.35%). The investment is held at market value.

18 Analysis of Current Liabilities

Creditors	Year Ending 31 March 2021 £'000	Year Ending 31 March 2020 £'000
Creditors	(11)	(11)
Creditors falling due within one year	(11)	(11)

There was a creditor's balance of £10,610 for 2020/21 (2019/20 £11,611), this is in relation to the Governance costs of £6,468 (2019/20: £5,593) and creditors of £4,142 (2019/20: £6,018), of which both amounts were owed to Black Country Healthcare NHS Foundation Trust for payments made on behalf of the charity.

NOTES TO THE FINANCIAL STATEMENTS

19 Unrestricted Funds

The following designated funds are held for staff and patient welfare and are expended in accordance with the Charity's objectives and at the discretion of the Corporate Trustee.

Division	Year Ending 31 March 2021 £'000	Incoming Resources £'000	Resources Expended £'000	Year Ending 31 March 2020 £'000
Mental Health	30	10	(3)	23
Learning Disabilities	59	1	(4)	62
CYPF	14	-	-	14
Corporate	145	220	(78)	3
Medical	2	2	-	-
Total	250	233	(85)	102
