## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

Our charitable objects are to enhance the development and education of children under statutory school age by encouraging parents to understand and provide for the needs of their children through community groups.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Our philosophy is to create a friendly, family like atmosphere so that our children feel relaxed and able to freely express themselves.

As a registered charity run by a committee of local volunteers, including parents of children in pre-school, we understand the needs of our local community. We strive to provide high quality affordable care and education so that our children get the best possible start in their educational life.

**The trustees confirm that they have paid due regard to the guidance issued by the Charities Commission on public benefit in deciding which activities the charity should undertake.**

We know the cost of childcare can be prohibitive and that is why we keep our fees low and help parents to access free funding for their child where possible. This aids parents to be able to attend work safe in the knowledge that their child will receive the best possible play and learning experience within their local community.

We also provide a safe play and learning environment for children of pre-school age to develop their social and communication skills that they may not have the benefit of accessing without our assistance.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We are Ofsted regulated and were rated as 'Good' in our last inspection in September 2024. You can read the full report on the Ofsted website.

Our aims and objectives are clear and focused on allowing every child in our care to achieve their potential. We aim to:

- Provide high quality care and education for children below statutory school age
- Embrace the Early Years Foundation Stage (EYFS) and use it as the basis of our approach to early learning and development
- Work in partnership with parents to help children to learn and develop
- Ensure that each child is in a safe and stimulating environment
- Offer children and their parents a service that promotes quality and values diversity

Our staff are friendly, dedicated, enthusiastic and truly care about delivering the best quality of care for our children. They work with parents to tailor their child's care to ensure that each child feels safe and able to play and learn. Our staff also organise fun activities for the children and parents such as the pre-school sports day and festive activities.

Our dedicated staff are assisted by a committee of volunteers who give up their time to assist with fund raising efforts, providing support and guidance and effectively governing the organisation.

**Summary of the main achievements of the charity during the year****Achievements and Performance**

We are proud to say that Worthington Preschool continues to be a popular and well-loved setting. We have children come to us from the local community and from further afield.

This year we have provided education and childcare for 20 children and our staff team continues to work incredibly well together.

We provide a range of educational and fun activities that successfully prepare the children for their transition to school.

Our SEND provision continues improve and be a strong point of the setting, we continue to work with professionals and parents to best support those children who require additional support. We have received high praise from professionals for our excellent SEND provision.

We continue to receive fantastic feedback from parents and are always highly recommended, this shows how well-loved our setting is.

In the early part of the financial year, Ofsted carried out a routine inspection in September 2024. We received a 'Good' rating and a positive report which outlined how we support the children in our care and how much the children and parents clearly love the setting.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

The charity completed the year with a reserve of £39,530 after investment in the facilities and the provision of services. The Charity adheres to a reserves policy that requires a minimum reserve equivalent to three months operating costs (equivalent to a minimum reserve of £17,000 for the current year). The current reserves will be invested with a proportion set aside for the development of the Charity's facilities and to protect against periods of low revenue, especially in the Autumn term, where historically the pre-school receives reduced income. The trustees will determine the appropriate value of reserves to be retained based upon the Charity's forward financial projections and risk analysis.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
