Structure, governance and management

Legal structure

UK Federation of Chinese Schools is a registered charity and company limited by guarantee with no share capital. The liability of members in the event of insolvent liquidation is limited to £1 each. The Charity's governing document is its Memorandum and Articles of Association incorporated 23 January 1996, as amended by special resolution on 13 February 1997.

Governance and management

The Charity is governed by its Executive Committee. The Executive Committee members are elected by the membership at the Annual General Meeting or co-opted between meetings and subject to election at the following AGM. Executive Committee members serve for a period of three years but are eligible for re-election.

Objectives and activities

Charitable objectives

The UK Federation of Chinese Schools (UKFCS), founded in January 1996, is a charity that aims to promote, through its member schools, Chinese language education and Chinese culture. Since its formation, its membership has continued to increase. But over the last two years, the number of member schools remains approximately the same. Today approximately 40 schools and associates are members of the organisation, representing over 10,000 pupils within UK.

Achievements and performance

Organisation structure

The UKFCS has a constituted Executive Committee that oversees the work for the Federation. There are 4 elected members from 3 different regions to carry out the duties set out by the Federation. The Executive Committee members are supported by sub-committees running different activities for the members

Sub committees

The existing sub-committees include the Education Committee, Cultural and Recreation Committee, Fundraising Committee, and Sales Committee. Each committee is chaired by an Executive Committee member. The operations of the UKFCS have been affected by the pandemic, leading to a reduction in manpower and expenses. Therefore, the Education and Fundraising sub-committees were combined. Whenever decisions needed to be made, joint decisions were agreed upon by all committee members.

Sales Committee: the objectives of this committee is to reduce production cost and increase sales target. With the introduction of Print-on-demand, the organization has been able to reduce book stocks and minimize the effort required to distribute publications. The stock level is also kept to a minimum to save printing and storage costs.

Fundraising: The main task of this committee is to assist the UKFCS in fundraising for projects and activities that benefit Chinese schools, pupils, and the wider community. Fundraising events are organized every year to generate funds for the running of various activities for member schools and to cover some general expenses in the running of the Federation. However, there were no fundraising events held this year due to the pandemic.

U K Federation of Chinese Schools (A company limited by guarantee)

Report of the trustees (incorporating the directors' report) for the year ended 31 December 2024

Education: The main tasks of this committee are to provide teaching materials for teachers to improve their effectiveness in teaching and develop innovative practices in the teaching and learning of Chinese. In October, a free online GCSE & A-level Exams workshop was held, hosted by Professor Xuan Li, a very experienced teacher and examiner for both levels. This workshop was very popular, with over 75 registrations to attend and more than 95 joining the Zoom workshop.

Other activities hosted by the UKFCS included Chinese Calligraphy Competition, Chinese New Year Card Design Competition and Chinese Fai Chun Writing Competition. Most of our member schools participated in all the competitions.

Public Examinations Research Group: This group was formed to look at any Chinese public examinations that would benefit pupils of our member schools. The new version of the GCSE guide for exams has been printed and many Chinese School have ordered this GCSE revision guide.

Membership fees continue to play a vital role in helping to subsidise general expenses in maintaining the communication with our members, and to promote the UKFCS and our member schools through our website. It was agreed that there would be no increase of membership fees for the year due to the pandemic.

Secretariat: Newsletters are produced three times a year to keep members informed of the latest news and regular activities. Members and the public can keep in touch with UKFCS activities via the website www.ukfcs.info. A new web page has been updated in three languages: Traditional, Simplified, and English. E-Newsletters are being sent out to members to provide up-to-date information on the current activities and affairs of UKFCS.

Members and the public can keep in touch with UKFCS activities via the website. www.ukfcs.info.

The Executive Committee members confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. The public benefit of the Charity's activities is outlined under 'Main activities' above.

Structure, governance and management

Legal structure

UK Federation of Chinese Schools is a registered charity and company limited by guarantee with no share capital. The liability of members in the event of insolvent liquidation is limited to £1 each. The Charity's governing document is its Memorandum and Articles of Association incorporated 23 January 1996, as amended by special resolution on 13 February 1997.

Governance and management

The Charity is governed by its Executive Committee. The Executive Committee members are elected by the membership at the Annual General Meeting or co-opted between meetings and subject to election at the following AGM. Executive Committee members serve for a period of three years but are eligible for re-election.

Objectives and activities

Charitable objectives

The UK Federation of Chinese Schools (UKFCS), founded in January 1996, is a charity that aims to promote, through its member schools, Chinese language education and Chinese culture. Since its formation, its membership has continued to increase. But over the last two years, the number of member schools remains approximately the same. Today approximately 55 schools and associates are members of the organisation, representing over 10,000 pupils within UK.

Achievements and performance

Organisation structure

The UKFCS has a constituted Executive Committee that oversees the work for the Federation. There are 9 elected members from 3 different regions to carry out the duties set out by the Federation. The Executive Committee members are supported by sub-committees running different activities for the members

Sub committees

The existing sub-committees include the Education Committee, Cultural and Recreation Committee, Fundraising Committee, and Sales Committee. Each committee is chaired by an Executive Committee member. The operations of the UKFCS have been affected by the pandemic, leading to a reduction in manpower and expenses. Therefore, the Education and Fundraising sub-committees were combined. Whenever decisions needed to be made, joint decisions were agreed upon by all committee members.

Sales Committee: the objectives of this committee is to reduce production cost and increase sales target. With the introduction of Print-on-demand, the organization has been able to reduce book stocks and minimize the effort required to distribute publications. The stock level is also kept to a minimum to save printing and storage costs.

Fundraising: The main task of this committee is to assist the UKFCS in fundraising for projects and activities that benefit Chinese schools, pupils, and the wider community. Fundraising events are organized every year to generate funds for the running of various activities for member schools and to cover some general expenses in the running of the Federation. However, there were no fundraising events held this year due to the pandemic.

Report of the trustees (incorporating the directors' report)
for the year ended 31 December 2023

Education: The main tasks of this committee are to provide teaching materials for teachers to improve their effectiveness in teaching and develop innovative practices in the teaching and learning of Chinese. In October, a free online GCSE & A-level Exams workshop was held, hosted by Professor Xuan Li, a very experienced teacher and examiner for both levels. This workshop was very popular, with over 75 registrations to attend and more than 95 joining the Zoom workshop.

Other activities hosted by the UKFCS included Chinese Calligraphy Competition, Chinese New Year Card Design Competition and Chinese Fai Chun Writing Competition. Most of our member schools participated in all the competitions.

Public Examinations Research Group: This group was formed to look at any Chinese public examinations that would benefit pupils of our member schools. The new version of the GCSE guide for exams has been printed and many Chinese School have ordered this GCSE revision guide.

Membership fees continue to play a vital role in helping to subsidise general expenses in maintaining the communication with our members, and to promote the UKFCS and our member schools through our website. It was agreed that there would be no increase of membership fees for the year due to the pandemic.

Secretariat: Newsletters are produced three times a year to keep members informed of the latest news and regular activities. Members and the public can keep in touch with UKFCS activities via the website www.ukfcs.info. A new web page has been updated in three languages: Traditional, Simplified, and English. E-Newsletters are being sent out to members to provide up-to-date information on the current activities and affairs of UKFCS.

Members and the public can keep in touch with UKFCS activities via the website. www.ukfcs.info.

Public benefit statement

The Executive Committee members confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. The public benefit of the Charity's activities is outlined under 'Main activities' above.

There are circa 55 member schools supported with the UKFCS in 2023. Throughout the year, UKFCS provides them with training, resources for teaching, workshops and annual conference for discussions and sharing of ideas and experiences. The Chinese Community are being supported in the teaching of the language and up keeping of tradition.

Financial review

The Charity experienced a net surplus for the year resulting an increase of unrestricted funds by £22,028 (2022 - £2,278 decrease), unrestricted funds increased from £145,966 to £167,994. The Charity does not have any restricted funds.

Risk management

The Executive Committee actively reviews the major risks facing the Charity on a regular basis and believes that maintaining reserves at a level not less than the current level, combined with an annual review of the controls over the key financial systems will provide resources in the event of adverse conditions. The Executive Committee has also examined the other strategic and operational problems associated with the Charity and its users and confirm that systems have been established to enable regular reports to be made so that the necessary steps can be taken to mitigate the risks identified.

Reserve policy

**U K Federation of Chinese Schools

Other activities hosted by the UKFCS included the Chinese New Year Card Design competition, Chinese Calligraphy Competition and Chinese Poems Recital competition. Most of our member schools participated in all the competitions.

Fundraising committee; Fundraising events are organised every year to generate funds for the running of the various activities for our member schools and to cover some general expenses in the running of the Federation. There was no fundraising event for the year.

Sales sub-committee; The committee has managed to upload all UKFCS publications in the Print-on-demand printer and can order books online. This reduced the amount of book stocks kept in our warehouse. Apart from the existing series of textbooks, UKFCS has written off a small number of old textbooks which became obsolete.

Public Examinations Research Group; This new group was to look at any Chinese Public Examinations which would be beneficial to pupils of our Member Schools. An agreement was made between Hanban and UKFCS to subsidise pupils for entering the YCT and HSK tests.

Membership fees continue to play a vital role in helping to subsidise general expenses in maintaining the communication with our members, and to promote the UKFCS and our member schools through our website.

Secretariat - Newsletters are produced 3 times a year to keep members informed with the latest news and regular activities.

Members and the public can keep in touch with UKFCS activities via the website. www.ukfcs.info.

Report of the trustees (incorporating the directors' report)
for the year ended 31 December 2020

Financial review

The Charity achieved net increase on unrestricted funds of £17,323 (2019 - £4,261), increasing unrestricted funds from £128,950 to £146,273. The Charity does not have any restricted funds.

Risk management

The Executive Committee actively reviews the major risks facing the Charity on a regular basis and believes that maintaining reserves at a level not less than the current level, combined with an annual review of the controls over the key financial systems will provide resources in the event of adverse conditions. The Executive Committee has also examined the other strategic and operational problems associated with the Charity and its users and confirm that systems have been established to enable regular reports to be made so that the necessary steps can be taken to mitigate the risks identified.

Reserve policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which would provide sufficient funds to cover management, administration and support costs.

Statement of trustees' responsibilities

The trustees (who are also directors of U K Federation of Chinese Schools for the purpose of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].
